Subd that it has not been the practice to send the case to Finance at this stage when it is merely placed on the approved list. Subsequently, all schemes for which provision should be made in the budget for the ensuing year for consideration as a Part II scheme & the proposal is sent to Finance at that stage.

2. The scrutiny of the indent for the purchase of equipment is made by the departmental officers and the practice has been to accept the scheme as recommended by the D.P.D. Finance may be consulted as to whether they require these equipment schemes to be sent up to them prior to approval.

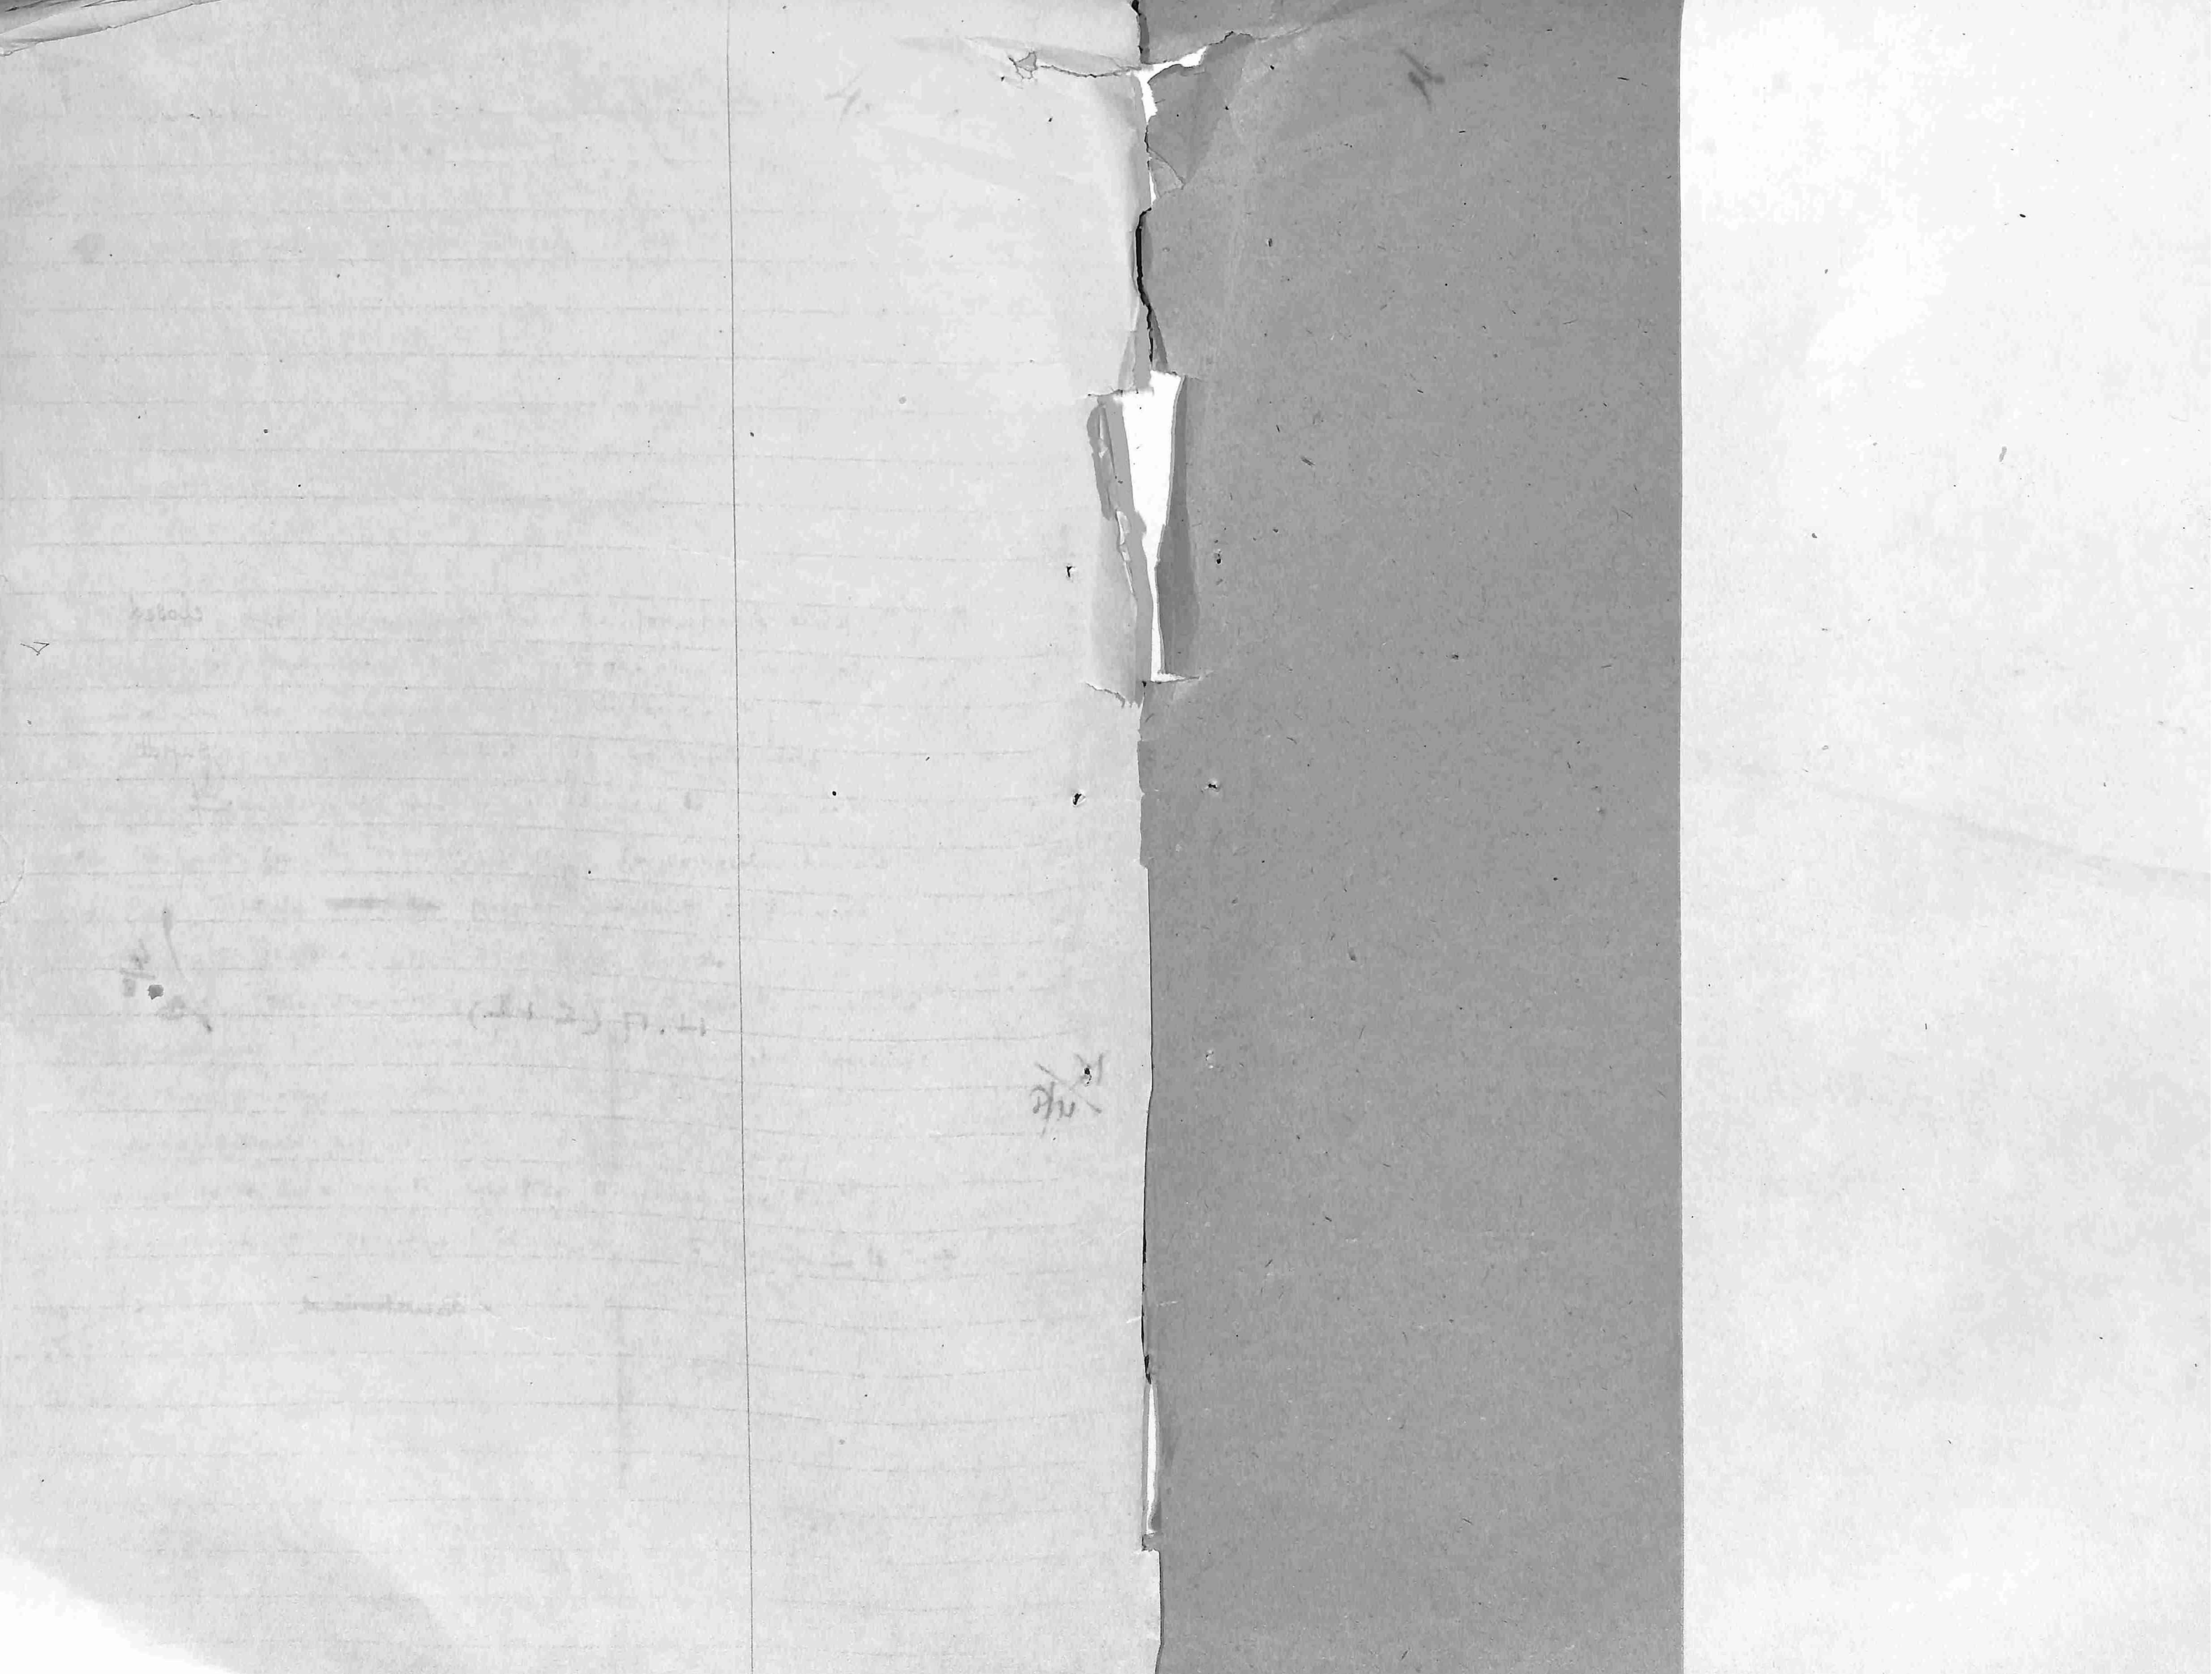

According to the provisions in the grant-in-aid code, indents involving the purchase of equipment grant not exceeding Rs 500/- are approved by Divisional Inspectors of Schools in the 'approved list'; schemes eligible for a grant of Rs 501 and Rs 2500 are approved by the D.P.D. Only schemes eligible for a grant exceeding Rs 2500 are sanctioned by Govt. All the approved schemes are put up to Govt.

in connection with Part II ~~schemes~~ of the subsequent year's budget and a lump sum provision is usually made in the budget every year. As soon as an application is included in the approved list, it is open to the management concerned to make arrangements for the purchase of the articles; the grant can be claimed only after necessary provision has been made in the budget, on production of vouchers.

Finance scrutinise the approved list at the time of provision of funds. Individual schemes put up to Govt. by the D.P.D. for inclusion in the approved list in accordance with the procedure referred to in the previous para, are not sent to Finance.
