inclusion in the approved list for 1950-51.

I have the honour to submit herewith the equipment grant application of the Madras Christian College High School for the purchase of furniture (200 Single desks and chairs) at an estimated cost of Rs.9060--0--0. With reference to Government Memorandum No.49013/47/Bl-1 Edn.dated 26-7-1947, the managements of aided schools are permitted to purchase single desks and chairs provided they are prepared to meet the extra-cost involved by purchasing them if the total cost of single desks and chairs is limited to the cost of dual desks for seating the same number of pupils. The management prefer to go in only for single desks and chairs. The total cost of 100 dual desks required for seating the same number of pupils works out to Rs.7200-0-0 as per the lowest quotations and after making necessary provision towards sales tax freight fluctuation etc. as detailed below:--

Cost of 100 dual desks @ Rs.60/- Rs.6,000-0-0.

Add provision towards Sales Tax

freight etc @ 20% of total cost Rs.1,200-0-0.

The scheme may kindly be included in the approved list for 1950-51 at an estimated cost of Rs.7,200/- and the correspondent permitted to purchase single desks and chairs.

with reference to A above, it is submitted that the principles suggested by the Secretary are in connection with the inclusion in the list of approved works of the schemes for the construction of buildings for secondary schools under private managements. The present case is for inclusion in the approved list of a scheme for the purchase of equipment. The grants for the latter purpose are sanctioned under the provisions of chapter IX of the Grant-in-Aid Code. Schemes eligible for grants exceeding Rs 2500 alone are submitted to Govt. Less costly ^{i.e. up to Rs 2500} schemes are included by the D.P.I. ^{schemes eligible for grants up to Rs 500/- are sanctioned by the District Inspectors of Schools.} The D.P.I. recommends to Govt the provision to be made in the budget

for sanctioning grants for schemes placed in the approved list for consideration as a Part II scheme every year. The ~~maximum~~ ^{equipment scheme} maximum grant payable for an ~~equipment grant~~ on half cost basis

is Rs 5,000 only. For orders whether in the circumstances ~~this should~~ ^{the apply in this file - other similar applications that may be forwarded by D.P.I. should be held up.} ~~The submission of such schemes.~~ If it is

considered that these ~~schemes~~ schemes should not be sent to Govt as and when they are ready, ~~the~~ the D.P.I. may perhaps be asked to send a consolidated list for each quarter. Before altering the procedure, the D.P.I. will have to be consulted. For orders.

A above. Schemes of this kind are submitted to do and when ~~only~~ ^{ready} only till October when ^{list of} Part II schemes are submitted by the Director. It does not seem necessary

(V)

to hold up individual indents. If all indents are allowed to accumulate till October, there will be accumulation of work. Another advantage in continuing the present practice is that managements ~~will~~ will be in a position to take steps for the placing of orders for the supply of books, ^{with the suppliers} equipment etc. and claim grants in one course on production of vouchers.
