Submitted.

Since there are large number of Telugu pupils at
Arkonam, who have no facilities for Telugu Instruction in the
existing two secondary schools at Arkonam, the Panchayat Board,
Arkonam has resolved to open a Middle School under its manage-
ment with Forms I to III for the sake of these pupils. It is
stated that there can be a strength of about 40 pupils in each
Form. It is also stated that the Panchayat Board has got an
income of about Rs. 85,000/- and it is financially sound to run
the school. Under the circumstances I suggest that the Panchayat
Board, Arkonam, may be permitted to open a Middle School with
Form I to III under its management during the current year.

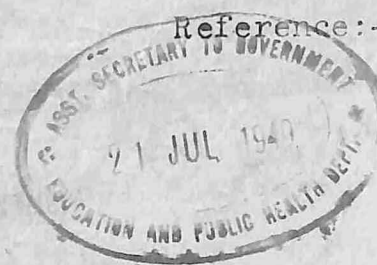

Kind attention is invited in this connection to G.O.
No. 935 Edn., dated 20-4-49 permitting the Valparai Panchayat
Board to open a Middle School last year.

The population of this town exceeds 30,000. There are nine elementary schools in the town and more than 3000 children are studying in the schools. Students leaving the elementary schools for higher studies are not able to get accommodation in the two high schools in this town. More than 500 boys seeking admission in Forms 1 to 3 are left out for want of accommodation. A mahazar from the public of Arkonam has been received requesting the Board to open a middle school early. Arkonam is in bilingual area and nearly half of the residents of this town speaking Telugu are anxious to make their children learn their mother tongue namely Telugu. The Panchayat Board is in duty bound to provide facilities for the education of the children of the rate payers of this town. Early sanction may kindly be accorded to the Panchayat Board, Arkonam, to open a middle school with Forms I to III in this official year. If the school is opened before the first week of July 1949 there will be great relief to the parents who are anxiously waiting for a help from the Panchayat Board and the Panchayat Board in its turn will be rendering a great service to the rate payers. This matter may be treated as very urgent and sanction accorded without delay.

SPECIALY URGENT.

Arkonam,
23-6-49.

To

The President,
Panchayat Board,
Arkonam.

Sir,

We, the Telugu Residents of Arkonam, beg to place before the Panchayat Board our grievances in the educational field and request the Board to consider the opening of a school for our benefit.

At present there are two high schools at Arkonam imparting instructions through the medium of Tamil. Our children whose mother tongue is Telugu were admitted all these days in these schools and suffered untold miseries due to lack of facilities for imparting instruction through Telugu medium. Our Telugu pupils were given Tamil question papers in non-language subjects in the examination and were asked to answer the papers. The facilities offered in the examination hall for the translation of the Tamil question papers into Telugu were very meagre as most of the superintendents did not know Telugu. Further there was difficulty in the valuation of papers also. As a result of this most of our students had to lose heavily in the examinations.

The request of some of us to the Head-masters of these schools to impart instruction through Telugu medium for the Telugu pupils was not conceded to. They plead their inability to meet with our requirements.

Hence in the interest of the education of our children we request the Panchayat Board to open a Secondary School with atleast Forms I to III for the time being with Telugu as the medium of instructions and develop it in future into full blown High School. This step of the Board to open a Secondary School if taken up will go a long way to relieve the distress of the Telugu residents of this bi-lingual area.

With thanks,

Yours truly,
Sd.

(M) - The Executive Officer, Panchayat Board, Arkonam has applied for sanction for appointment of teaching staff in the Middle School permitted to be opened by the Panchayat Board during the current year in the G.O.No. referred to above. Rule 3(1) of G.O.3239 L & M. dated 12.8.1932 states that the addition to, reduction or alteration of the teaching staff of a local Board school should be done by the Local Board in consultation with the Inspecting Officers. Clause 11 of the Madras Local Boards Act 1920 defines the term ~~xx~~ "Local Board" as including a district board or Panchayat. But it is seen that the G.O. referred to above (i.e.) G.O.3239- L & M. dated 12.8.1932 was communicated only to the Presidents of the District Boards and Taluk Boards and not to the Panchayat Boards. I therefore request you to kindly let me know whether the G.O.under question can be held applicable to the institutions run by the Panchayat Boards also.

I request the favour of early orders in the matter.
