Sir,

Sub:- ELEMENTARY EDUCATION FUND - Payment of
dearness allowance to teachers - additional
contribution from General Funds to
Elementary Education Fund - Waiving of -
Requested.

Ref:- G.O.MS.No.2556, Edn., dated 11-8-1949.

With reference to the above orders of Government asking this District Board to make an additional contribution of Rs. 50,000/- from General Funds to the Elementary Education Fund towards the anticipated deficit in the latter account, I am to bring to the notice of Government that this District Board has been regularly paying from its General resources the statutory yearly contribution of Rs. 40,540/- to the Elementary Education Fund and this amount has been provided for in the Budget Estimate for 1949-'50. On account of the poor finances of the Board under General Funds and in view of the fact that this additional contribution if made, will not only adversely affect the financial position of the Board but to deprive the Board of a substantial sum to meet the growing expenditure on services under the General account this Board in its Resolution No.2/15-11-49 has resolved to request the Government not to insist upon the transfer of this amount from the General Fund to the Elementary Education Fund. Government are aware that the Budget Estimate for 1949-'50 as revised by them is expected to close with a deficit of Rs. 1,53,990. It is not desirable that a heavy contribution of Rs. 50,000/- should be ordered to be made from an account which is already a deficit one.

Sub: Ele. Edu. fund - Payment of d.a. to teachers - Additional contribution from general funds.

Ref: From the P.D.B., South Kanara No. 25301 B.1/48 dated 23.11.48.

The P.D.B., South Kanara is informed that the orders issued in G.O. No. 556 Edn. dated 1.8.48, will not be modified & he is requested to make an additional contribution of Rs. 50,000 from the general account to the E.E. Act. immediately. Revised w.r.t. the actuals for 1948-49 and after taking into account the full grant since sanctioned for P.W.R.D. works in the current year the general account of the (P.D.B.)

$\frac{27}{12}$ $\frac{27}{12}$

The General Account of the District Board for 1948-49 closed with a balance of Rs.251,426 against the R.E. balance of Rs.49,500. As a result of this ~~improved position~~ improvement in the opening balance for 1949-50 the B.E. for 1949-50 which was expected to close with a deficit of Rs.153,990 will close with a balance of Rs.47,936 against the required minimum of Rs.31,800. The B.E. of the District Board for 1949-50 provides for an expenditure of Rs.64,000 from the General Account-ordinary on post-war road development works. It has since been decided to sanction full grants to District boards in the current year for P.W.R.D. works. There is therefore no need for the

Board to spend any money on the P.W.R.D. works from its general funds in the current year. The General Account for 1949-50 will thus close with a balance of Rs.111,936. After providing for the minimum working balance and after ~~making~~ ^{allowing} some margin for the unpaid liabilities of 1948-49 not provided for in the B.E. for 1949-50 a sum of Rs.50,000 may be ~~met from the~~ contributed from the General Account to the Ele.Edn.Account towards the deficit of Rs.1.46 ^{lakhs} in the latter account. With these remarks the file may be passed on to Finance Dept.

Finance (Exp.A.) Dept.

The notes of E.&P.H. and L.A. Departments on pp.1-2 above may be perused. The E.&P.H. Dept. have estimated that the deficit in the E.E. Fund Account of the South Kanara Dt. Board in 1949-50 will be Rs 5.67 lakhs as shown below:-

(1) Extra cost due to grant of D.A. to teachers. Rs 4.21 lakhs.

(2) Other items of expenditure Rs 1.46 lakhs.

L.A. state that it will be possible to sanction a contribution of Rs 0.50 lakh from the General Account to E.E.Account to make up a portion of the deficit in item(2) above. It is presumed that E.&P.H. will issue instructions to the Dt.Board to wipe off the balance of the deficit under item (2) above by curtailing expenditure or otherwise. A subsidy to cover the deficit in item (1) above has to be sanctioned by the Govt. as it will not be possible to get any contribution from the General Account.

to cover deficits caused by the payment of D.A. to teachers is to sanction an advance subsidy equal to 2/3rds of the anticipated deficit and to consider the question of an additional subsidy, if any, later when the revised estimate for a year is received -cf. para 2 on p.1 N.F. of G.O.No.2136 Education, dated 30-8-1948. Finance may therefore, agree to a subsidy of Rs 2.80 lakhs (2/3rds of Rs 4.21 lakhs) being sanctioned now to the South Kanara Dt. Board.

The expenditure will be debited to the appropriation under "37. Education - 1. Primary - Grants to local bodies for primary education - A. Local bodies - I. Ordinary areas -(i) Excluding Post-war reconstruction - 4. Teaching - Voted" in the Budget Estimate for 1949-50.
