The term, 'in each case' in rule 8 (i) of Stationery Manual
Volume I refers to each stationery article subject to the annual price
limit fixed in the said rule. If it is construed as referring to each
occasion, then it will provide unlimited scope for locally purchasing
stationery articles in the course of a year, which is contrary to the
spirit of the rule.

file and the notes on p. 1 above.

Attention is invited to Rule 7 (i) in Appendix 9 of the Madras Financial Code, Volume II. It will be seen that except in the case of the Director of Industries and Commerce and officers in charge of commercial institutions in the Industries Department, the money limit is for each case.

The wording in G.O. No. 964 Home dt. 10.3.49 follows the rule cited above.

As regards the interpretation of the phrase "in each case" as "on each occasion" the A-6 seems to be correct. But E.P.H. considers that the limit is fixed for a year.

The authority for this is not apparent. E.P.H. (A.A.) may be requested to elucidate the scope of the term "in each case" in consultation with the Superintendent of Stationery.
