Sir,

Sub:- Budget Estimate Srivilliputtur Municipal Council Elementary Education Fund Account - 1949-50 - Submission of.

Ref:- C.No. 2311-B1/48 dated 3-11-48 of the Director of Public Instruction, Madras.

I beg to submit herewith the Budget Estimate for the Elementary Education Account of this Council for 1949-50 together with the Revised Estimate for 1948-49 duly passed by the Council and necessary enclosures in duplicate. A copy of my note ~~#~~ to the Council and a copy of the Council's resolution are also enclosed.

2. The Education and Library Committee while it scrutinized the Budget recommended to the council that compulsory Education for Boys may be introduced in 6 wards of this town to meet the expenditure in connection with that it has proposed to enhance the Education tax from 6-2/33 % to 8-1/3 % as surgharge on property tax. The Council has agreed to the proposals and decided that the compulsory education might be introduced in 9 wards viz wards 1,2,3,4,5,7,8,9 and 10 of this town in 49-50. The rate of Education tax has also been raised by the council ~~fxx~~ from 6-2/33 % to 8-1/3 % of property tax from 1-4-49 as recommended by the Committee.

3. The Council has already sanctioned proposals for opening of ~~the~~ two new schools. One in Raitampatti and the other in Perumalpatty Nadar Street from June 1949. The proposals are under correspondence with the District Educational Officer Ramnad. Provision for appointment of 5 teachers for these two schools and 3 more teachers in the Municipal Schools in the localities where compulsory education is proposed to be introduced is made in the Budget. Necessaryprovision for house rent, equipment and contingencies for the new schools has also been made.

4. There are no rent-free buildings occupied by this council for schools and hence no provision is made for repairs on such buildings. Adequate allotment of funds is made for the proper maintenac of buildings of the council.

5. There is a proposal for construction of additional buildings for providing more accommodation to Arachipatty Boys School in 1949-50 as the present building is inadequate. Considering the inadequacy of present accommodation of the School and as it is expected that more pupils will have to be admitted into the School in 1949-50 on account of proposed introduction of compulsory education the council has sanctioned estimates and plans for Rs. 23000/- for the extension of buildings and applied to Government separately in this office Roc. B.1.5364/48 dated 6-12-48 to sanction half grant of Rs. 11500 for the work in 1949-50 as a special case. The Council proposes to meet the balance of Rs. 11500/- from its General Funds. Hence a contribution of Rs. 29100/- from General funds is provided in the Budget. This includes the cost of construction of a latrine in Arachipatty School premises for Rs. 1200 The grant of Rs. 11500/- applied for from Government has also been

taken credit in the Budget. A sum of Rs. 1000/- is provided in the Budget for Capital expenditure for supply of furniture and apparatus to the new schools.

6. The Revised Budget Estimate of the Account for 48-49 is framed with reference to the actuals giving provisions for all sanctioned schemes and proposals under execution.

7. It is certified that the provision made in the Budget in regard to staff, equipment, accommodation etc. is based on the actual requirements of the schools and with reference to the recommendation of the inspecting Officers.

NOTE TO THE COUNCIL.

ON ELEMENTARY EDUCATION FUND ACCOUNT.

REVISED BUDGET FOR 1948-49.

The expenditure increased more than anticipated due to the payment of Dearness Allowance at enhanced rates, salaries of additional teachers appointed and proposed for Arachipatty and Uranipatty Schools and due to ample provision for maintenance to departmental buildings being made. The income increased slightly, because the rate of tax on vacant lands was enhanced. The provision of Rs. 7000/- under Capital for acquisition of sites to school buildings was not spent. Provision of Rs. 1000/- is made for the development of khadi production. The contribution from General Account rose from 11,100/- provided for to 14,500/- as revised. The account closes with Rs. 45/- as balance.

BUDGET FOR 1949-50.

Receipts expected amount to Rs. 16,016/- including all items. Provision for usual items of expenditure is made. Provision is made for opening two schools on in Rytompatti and another ~~in~~ in Perumalpatty Nadar street. For the two schools 5 teachers are provided for. Under Capital, for Arachipatty School, a latrine at a cost of Rs. 1,200/- to be borne entirely by the council and additional buildings at a cost of Rs. 23,000/- on half grant basis are provided for. To meet all these, a sum of Rs. 29,100/- is a sum of Rs. 29,100/- is proposed for transfer from General Fund.

The contribution from General Account to this, has always been on the increase. So much so, big schemes like introduction of compulsory education, provision of more girls schools could not be considered as they would, with the present rate of Education tax, be an enormous and almost impossible strain on general Account. The suggestion of the Deputy Inspector of Municipal Councils and Local Boards that the rate of Education tax be doubled is timely and should be considered by the Council. Only then will the contribution now made by the General Account, have a meaning and favour educational facilities being enlarged in concrete ways.

Sir,

Sub:- Tax - Education - Under Section 34 and 35 of Elementary Education Act - Levy at enhanced rates - Sanction - Requested.

While passing orders on the Budget Estimate of this council on Elementary Education Fund for 1946-47 the Government in their orders G.O.M.S.No. 566 Education dated 13-3-46 issued direction to this council under sections 34 (1) and 35 of the Elementary Education Act of 1920 to levy an Education tax at 6-2/33 % of the property tax with effect from 1-4-1946. In pursuance of the above orders this council is levying the Education Tax at the above rates on the properties within this municipal limits from 1-4-1946.

The Government have been advising the council in their review of the Administration Reports in previous years to consider the question of introudction of compulsory Education at least for boys. When the Budget Estimate for 1949-50 on Elementary Education Fund was discussed by the council it resolved in its resolution No.

P.T.O.

369 dated 30-11-48 to introduce compulsory Education in 9 wards viz. 1, 2. 3, 4, 5, 7, 8, 9, and 10 in 1949-50. The council has also sanctioned the opening of two more schools in wards 3 and 5 and the appointment of additional staff required. For ~~the~~ meeting additional cost the coucil has decided to levy the Education tax at 8-1/3% of property tax from 1-4-49 on all classes of properties.

3. I beg to submit herewith a copy of the Council's resolution and to request the Government kindly to sanction the levy of the Education tax on properties within this Municipality at the enhanced rate viz. 8-1/3% from 1-4-49, as per sub section (1)(a) of Section 35 of Elementary Education Act. I beg to request the favour of early orders.

Extract of L.A.Dept. note on the Budget Estimate - 1949-50 - Srivilliputtur Municipal Council.

xx xx xx xx

Contribution from General funds to E.E.Account:

The standard contribution is Rs. 6,900/-. A higher contribution of Rs.11,100/- was however allowed in the orders on the general budget and Elementary Education budgets for 1948-49. A still higher contribution of Rs. 14,500/- is now provided in the Revised Estimate for 1948-49. As this is necessary to avoid a deficit in the Elementary Education account and the general funds can afford it, the proposed contribution may be allowed.

For 1949-50, an abnormally higher contribution of Rs.29,100/- is proposed. This is not justified and the general funds cannot afford it. The council is now levying the education tax at the ridiculously low rate of 35/66% of the annual value of buildings. It appears that from 1949-50 onwards, it has decided to enhance the rate to 35/48% of the annual value! It is necessary that the council should be compelled to raise the rate so as to secure an income sufficient to meet the growing needs of Elementary Education. This is a matter for E.& P.H. to consider in connection with the Elementary Education budget. The contribution for 1949-50 may be reduced to Rs.18,400/- (comprising standard contribution of Rs. 6,900/- for ordinary expenditure and Rs.11,500/- being half the capital cost of the Elementary school building).

Roc. B1. 4245/49 dated 18-7-49

Sir,

Sub:-Accounts - Elementary Education Fund - 48-49 - Increase in expenditure - additional contribution from general fund - Sanction - Requested.
Ref:-G.O. M-3 No. 740 Edn. dated 1-4-48 (A)/19-217

In their orders referred to above government have sanctioned the Budget estimate of this Council for 48-49 for a total expenditure of Rs. 25200/- under Elementary Education. But during 48-49 the actual expenditure incurred amounted to Rs. 29254-13-0 as detailed below:

Ordinary - Staff - Masters - Pay	Rs.	15538--1--0
Dearness allowance	Rs.	9180--6--0
Contribution to provident fund	Rs.	822--0--0
Collection charges	Rs.	403--0--0
Contingencies, House rent	Rs.	643--0--0
" other items	Rs.	262-11--0
~~Expenditure~~ Equipment - Library books and maps	Rs.	41--9--0
other items	Rs.	5--0--0
Repairs to Buildings	Rs.	759--2--0
Capital - Land-Buildings	Rs.	425-14--0
Equipment - other items Tools and plants for Khadi production shcemes.	Rs.	1174--2--0
Total ...	Rs.	29254-13--0

The increase in the expenditure is mainly due to the appointment of additional teachers to some of the Municipal schools as per the recommendation of Educational authorities and the enhancement of the rates of dearness allowance to staff by government in July 48 with effect from 1-1-48 with retrospective effect. A sum of Rs. 1174-2-0 was spent on Khadi production in Municipal schools as per sanction of government in G.O.Rt. 764 L.A., dated 10-8-48 and G.O. No. Rt. 1063 L.A., dated 14-6-49. The additional expenditure in excess of the sanction amounts to Rs. 4055/-. There was also a shortage in income than the budget estimate. Therefore an additional contribution of Rs. 4311/- from general fund was paid for meeting the extra expenditure. I therefore beg to request the government kindly to approve the action of the Council in having made an additional contribution of Rs. 4311/- from general fund to Elementary Education Fund.

Ref: From the Commr. Srivilliputtur Mlty. Roc. 7645/48 dt 7-12-48
From the D.P.I. Roc. 83-B3/48-49 dated 24-1-49.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the ml.cl. Srivilliputtur call for the following remarks.

2. R.E. for 1948-49: (i) The Credit taken for a Govt. Subsidy of Rs. 5187 under Sec. 37 of the E.E. Act should be reduced to Rs. 4980.

(ii) The provision made under the head 'Expenditure-Ordinary' is in excess of that sanctioned in the Budget. The increase which is mainly due to the grant of d.a. to the E.E. staff at enhanced rates may be approved.

(iii). L.A. have agreed to the contribution of Rs 14500 from the general funds to the E.E. account. This may be approved.

(iv). Revised with reference to the suggestions above the R.E. for 1948-49 will close with a deficit of Rs. 62.

B.E. for 1949-50: (i). The credit taken for a Govt. Subsidy of Rs. 6240 under Sec. 37 of the E.E. Act should be reduced to Rs. 4980.

(ii). In view of the remarks of L.A. at P 31.C.f. the contribution proposed from the general funds should be reduced from Rs. 29100 to Rs. 18400.

(iii). The credit taken for a sum of Rs. 11500 as Govt. grant under receipts capital may be deleted as there is no proper sanction.

C1

(iv). Revised with reference to the suggestions above the B.E. for 1949-50 is anticipated to close with a balance of Rs. 794. As the B.E for 1949-50 is anticipated to close with a surplus balance of Rs 794, there is no necessity to increase the rate of education tax. However, L.A. have suggested that the cl. should be compelled to raise the rate so as to secure an income sufficient to meet the growing needs of ele. edn. The cl. is now levying edn. tax at the rate of $6\frac{2}{33}$ % of property taxes. If this rate is increased to $8\frac{1}{3}$ %. then there will be an additional income of Rs. 2000. But edn. tax can be increased only with effect from 1-10-'49. Then there will be an additional income of Rs 1000. L.A. may be requested to state whether edn. tax should be increased. If the edn. tax is increased the B.E. for 1949-50 is anticipated to close with a surplus balance of Rs. 1794.

The file may be sent to L.A. for remarks.

Attention is solicited to the extract of note of this dept on p 31 c/f. The education tax may be increased as suggested. The ~~file~~ total rate of tax will then be $18\frac{23}{24}$ per cent per year. This is not a very high rate. The file may be returned to E & P.H dept.

The surplus in the B.E. for 1949-50 is due to an abnormally high anticipation of Edn tax which cannot be continued
