The Honourable Minister of Education,

Sub-Fully qualified Spinning and weaving instructors-A.I.S.A trained-Appointment
Secondary Schools requested-Resolution A.R.K.V. Maha Sabha.

Honoured Sir,

I am here with a copy of the resolution passed at the A.R.K.Vidyarthi Maha Sabha held at Masulipatam on 8th August 1948 requesting the Government of Madras to appoint the spinning and weaving instructors in the secondary schools.

1 In this connection I want to write that there are only 12 qualified spinning and weaving instructors and one special weaving instructor who had passed in the khadi pravesika and bunayee courses respectively. They were trained for 12 months in the khadi Vidyalaya at Masulipatam conducted by the A.I.S.A Andhra Branch. These candidates have good general educational qualifications also. They were trained in ginning, Gutmaking, Carding, Spinning, weaving and in the principles of Khadi science in the theory and practical.

2 I want to bring to the notice of the government that the weaving instructors of the government textile institute, now working in the secondary schools, are quite useless for the purpose to which they are employed. They are not trained in spinning and hence they can not do the work at schools. They are only trained in the weaving of Mill yarn and it is not in practice at schools.

3 It is clear that the aim of the Government is to promote intensive spinning at schools and to use the yarn (Hand spun) for weaving. But how can an instructor who do not know the khadi weaving do the work? The Government Textile Institute instructors can do only with the Mill yarn and they cannot do anything with the Kaddar or hand spun yarn. ~~Thus the Government is wasting~~

4 So I request you to appoint the fully qualified and trained instructors, who are now ready, in the secondary schools for better work and good result. I also request the Government to issue a G.O. giving permission to appoint the weaving instructors in secondary schools who passed in khadi pravesika and khadi bunayee courses of the A.I.S.A.

Qualifications etc. 9

At a meeting of the Andhra Pradesh Khadi Vidyarthi Sangham it was resolved to request the Govt to appoint Spinning and weaving instructors in the Secondary schools. The President of the Sangham states that the Weaving Instructors now working in the schools are unfit for their work because they are trained only in the weaving of mill yarn, and not of Khadar or hand spun yarn, and because they are not trained in Spinning. He requests that persons who have passed the Khadi Bunayee or Bunayee courses may be appointed as Spinning and Weaving instructors in Secondary schools. Attention is invited to paragraph 2 of his letter on page 10 f.

2 Under the existing rule. The D.P.D. suggests that a person who has undergone the course of "Bunayee" successfully may be considered as a qualified Weaving Instructor provided he possesses a certificate to show that he has passed the VIII Standard Examination or III Form. He adds that if his suggestion is accepted by the Govt he will submit the necessary amendment to rule 13 of the M.E.R.

2 According to rule 13 of the Madras Educational Rules, weaving instructors employed in Secondary schools should be persons who have completed the VIII Standard Examination or III Form or should possess a general educational qualification considered as equivalent thereto by the D.P.D. They should also produce -

(i) evidence of having satisfactorily completed the Artisan course in Weaving in the Govt. Textile Institute Madras, or a training course in any other institution approved by the Adviser to Govt. on Manual Training; or

(ii) a technical teacher's certificate of the lower grade in weaving.

It is for orders whether the suggestion of

and if so whether it may be alternative to the existing qualifications

of the D.P.I. will be accepted. The file may be circulated to HM (Edn).
