Ref:--G.O.964 Education dated 4-4-49 - p 28-29 (B)

In their order No.964 Education dated 4-4-49 the Government have approved the running of retraining courses in Basic Education in the Basic Training Schools, Periyanaickenpalayam, Cuddalore and Pantapadu. Only trained teachers in Government service or local body service or in the service of aided managements are deputed for retraining in Basic Education. Since residential life in the community hostels is compulsory for the retrainees and since they are not allowed to take their families with them, they are paid stipends from provincial funds besides their usual ~~payment~~ pay and allowances. In order that the trainees may not find it inconvenient to pay their mess charges in advance for running the hostel on efficient lines, I had ordered that the stipends sanctioned for them may be drawn in advance each month if considered necessary. The Accountant General, Madras has objected to the drawal of stipends in advance without specific sanction of Government. Hence I request that Government may be pleased to approve of my action in having ordered the drawal of stipends in advance on behalf of retrainees and order that stipends on behalf of retrainees may be drawn in advance each month if necessary. A copy of the Accountant-General's letter No.T9-Edn. 28 dated 20-7-49 is enclosed for favour of reference.

Sub:--Authority to draw and pay stipends in advance to the retrainees of the Basic Training School, Periyanaickenpalaym
Ref:--Your Roc.No.382 M/48 dated 27-6-49 in reply to this Office T9-Edn. Stip. No.22 dated 15-6-49
.....

It has hitherto been the practice to draw and pay the stipends only in arrears; and there are no specific orders of Govt. authorising the drawal and payment of stipends in advance as in the case of scholarships.- Vide G.O. No. Ms.1476 Edn. & P.H. dated 19-9-41. In the absence of specific orders of Government the drawal of stipends in advance is not permissible. Government may therefore be addressed in the matter and their sanction to the payment in advance obtained.

Copy of letter to the Director of Public Instruction, Madras, dated 13-8-49, is being forwarded to the Director of Public Instruction, Madras, for his information.

It has been observed that the practice of drawing and paying salaries of teachers in advance is not correct and there are no specific orders of Govt. regarding the drawing and payment of salaries in advance in the case of school teachers. The Director of Public Instruction, Madras, is requested to issue orders regarding the drawing and payment of salaries in advance in the case of school teachers.
