The Secretary,
Education Department,
Government of Madras, Madras.

Sir,

I am directed to forward herewith a copy of a
Memorandum No.C.R./260/3 dated 19th April, 1949,
received from H.E. the High Commissioner for Ceylon
in India and to request that you may kindly agree to
issue necessary instruction allowing Ceylonese students
to continue studying in Engineering College, Guindy,
Madras, in supersession of your previous instructions,
transferring them to Engineering College, Coimbatore
with effect from 1st July, 1949.

Yours faithfully,

DK Hingorani
for Deputy Secretary.

Copy of the letter No. CR/260/3, dated
the 19th April, 1949, from ~~the~~ His Excellency
the High Commissioner for Ceylon.

The Office of the High Commissioner for
Ceylon in India presents its compliments to
the Ministry of External Affairs, Government
of India, and has the honour to state that
the Government of Madras have been good enough
to reserve two places for Ceylon students in
Engineering College, Guindy, Madras.

The two scholars for the year, 1948, viz.
Messrs. C. Jayasinghe and K. Chelvarajah
have now been informed by the Director of
Public Instruction, through the Principal
of Engineering College, that they will be
posted to Engineering College, Coimbatore,
with effect from July, 1949.

The Government of Ceylon will be grateful
if the Government of India will be good
enough to request the Government of Madras
to allow the two students to continue at
Guindy Engineering College and to withdraw
the instructions to transfer them.

MS 8.7.49
Engineering College,
Guindy,
July 8, 1949.

To
The Hon'ble Minister for Public Works,
Government of Madras,
Fort St. George,
Madras.

Sir,

We, the undersigned employees of the Ceylon Irrigation Department, who were sent in July 1948 on Scholarship by the Ceylon Government to Guindy Engineering College, beg to place the following facts for your kind and sympathetic consideration.

We are among fourteen who have been sent to the College of Engineering, Guindy, from time to time under a scheme of scholarship inaugurated by the Ceylon Government on the expert advice of two retired Engineers of the Madras P.W.D. who were members of a Commission which advised the Ceylon Government on Irrigation.

We have completed our First Year's course in this College and have been informed that we are transferred to the College of Engineering, Coimbatore as from July 1949. We feel that we will not be able to derive the same benefit at Coimbatore as here in Madras. Apart from the facilities, of an excellent open-access library possessing several valuable books on Irrigation and a well equipped Hydraulic Laboratory we have the added advantage of being in close proximity to the Poondi Research Institute, Madras P.W.D., Soil Mechanics Laboratory and the Concrete Research Institute. The Guindy Engineering College being in the Provincial Capital, the College authorities are able to arrange series of lectures on current Engineering practices and

12

-2-

problems, by Heads of various Engineering Departments and eminent Engineers that pass through the City. Hence we will not be able to get at Coimbatore, the same special training for which we were sent here after 6 years service in the Ceylon Irrigation Department.

We further wish to point out that the Ceylon Government have sent us here by virtue of the special fame this College has gained in Ceylon as a "PRACTICAL ENGINEERING COLLEGE" not second to any of its kind. In fact at the time of our acceptance of the scholarship we did not have the slightest inkling that we will be posted anywhere except at Guindy (Vide annexed letter).

The Ceylon Irrigation Department is not sending any students this year and in all probability we are the last two to be sent under the scheme of scholarship referred to above.

We therefore humbly beg of you to allow us to complete the rest of our training at Guindy Engineering College.

Thanking you,

Yours obediently,

- K. Chelvarajah*

Post Box _____, (STATION) Madras.

Telegraphic Address _____

To
The Secretary to Government,
Education & Public Health Department,
Fort St. George - Madras.

Rc. No. 1330-K2/48, dated 12-7-1949.

Sir,

Sub:- Colleges - College of Engineering,
Guindy - Retention of 2 Ceylon
students.

Ref:- Govt. Memo No. 42339-2/49-A-Edn., dated
6-7-49.

I have the honour to invite the attention
of Government to their Memo No. 52005 A/48-A Edn., dated
29-7-48 and Memo No. 59127-1/48-8-A. Edn., dated 16-8-48
and to state that the two students from Ceylon namely
Messrs. C. Jayasingh and K. Chelvarajah were admitted to
the I year B.E. class of the Arthur Hope College of
Technology, Coimbatore (in 1948-49) which worked in the
College of Engineering, Guindy. Now for their ~~future~~ further
studies, the students have to go to Coimbatore. The
Principal, College of Engineering, Guindy, has however
strongly recommended the request of the two students for
retention at Guindy College for their further studies,
stating that they were field officers in the Irrigation
Department, Government of Ceylon, specially deputed to
specialise in Irrigation in Civil Engineering Branch. If
the students are to be retained at Guindy, two additional
seats should be sanctioned in the II year B.E. class of the
Guindy College, as there is no vacancy in the class and
this provision should last till the students complete their
course. I support the recommendation of the Principal
that the students may be retained at Guindy College till
they complete their course and request that two additional
seats may be sanctioned for the II year class to continue
in the succeeding classes till the students complete their
course. The Principal is being instructed to take up the
matter with the University for necessary permission to
increase the strength of II year class by two seats.

Yours faithfully,

For Director of Public Instruction,

MDS
