It was proposed to absorb demobilised military physical instructors in civilian jobs as Physical Training Instructors in the educational institutions under the control of the Government and Local Bodies. In his letter No.1995-W/44 dated 4-5-45, the Director of Public Instruction informed the Government that the army physical instructors after demobilisation could not be entertained in the educational institutions unless they successfully went through a short course of training for a period of six months in the Y.M.C.A. College of Physical Education. The Director of Public Instruction also informed the Commissioner of Post War Reconstruction that he was prepared to consider the Indian Army Special Certificate of Examination as sufficient qualification for admission for training as physical ~~training-instructors~~ (Higher Grade) provided the Government agreed to his proposal. The Board of Revenue, in its reference Y.444/44 dated 15-11-46, requested the Government to accept the Director of Public Instruction's proposal in regard to relaxation of educational qualifications. Orders of the Government are awaited in the matter. The Government considered that the period of training should be restricted to three months in the beginning and might be prolonged if the candidates did not show adequate progress during the period of three months. In their memorandum second read above, Government, in consultation with the Director of Public Instruction and the then Principal of the Y.M.C.A. College of Physical Education, worked out an estimate for training 40 ex-servicemen in the physical instructors course (Higher Grade). The estimate was R .9618 for three months. It was proposed to increase the period of training to six months in case the trainees did not show adequate progress during the period of three months, in which case the estimate would be Rs.19,200/-. The Government requested the Director of Resettlement and Employment, to address the Government of India to bring the training under the purview of their Vocational Training Scheme. The Director of Resettlement and Employment addressed the Government of India, but they regretted their inability to bring the training under the purview of the Vocational Training Scheme. In their memorandum third read above, the Government subsequently

B/91

B/93

suggested that the Director of Resettlement and Employment might apply for a grant to the Committee for the Administration of the P.W.S.R. Fund. The Committee has accordingly been approached by the Director for a grant.

B/114-11

The Committee wanted to knows whether as many as 40 candidates would be available for the training. The Director of Resettlement and Employment whom I consulted, reported that 40 candidates would be available for the training. I also consulted the Principal of the Y.M.C.A. College of Physical Education regarding the cost of the training. In the light of the suggestions offered by him, I submitted a revised estimate for the sanction of the Committee for Rs.15,000/- for three months. The Committee has been pleased to sanction the grant for a period of three months. In my letter dated 23-9-48, I have already intimated this fact to Government and stated that I would take suitable steps for starting the training course as early as possible. I contacted the military authorities for supply of tents for housing the trainees and also informed the Principal of the Y.M.C.A. College of Physical Education, about the decision of the P.W.S.R.Fund Committee and my intention to start the training course. The Principal of the Y.M.C.A. College, it seems, informed the Chief Inspector of Physical Education, Madras, about my intention to start a training class for ex-servicemen. The Chief Inspector of Physical Education reports that if the training course is not organised and conducted under the authority of the Education Department, he cannot assure that the trainees will be fit for work in the schools, specially if the course of studies is not approved by the Director of Public Instruction. The Director of Public Instruction in his letter last read above, (copy enclosed) has called for my remarks. I request to be informed whether in view of the letter from the Director of Public Instruction referred to above, any change is called for in the method of execution of the training scheme. I might inform Government that it was with considerable difficulty that I was able to ~~receive~~ secure Rs.15,000/- from the Post War Services Reconstruction Fund and it would be a thousand pities if the scheme is held up on account of this eleventh hour objection. I request the favour of very early orders as I have to proceed with the necessary arrangements.

I forward herewith a copy of letter Roc. No.303/46 dated 7-10-1948 from the Chief Inspector of Physical Education, Madras and request you to offer your remarks on the subject.

Copy of Roc. No.303/46 dated 7-10-1948 from the Chief Inspector of Physical Education, Madras to the Director of Public Instruction, Madras.

The Principal of the Y.M.C.A. College of Physical Education , Saidapet informs me that Mr. J.C.Ryan, M.A., Registrar of Cooperative societies has written to the Principal asking him to organise and conduct a Special Traini Class for Ex-servicemen making available to the College the necessary funds for conducting the course.

This request of the Registrar is evidently based on the orders of Government which must have been issued. I request that a copy of the orders may kindly be communicated to me.

The intention of Government as far as I could make out from the correspondence on the subject, was that this special training should be conducted under the auspices of the Educational Department since the trainees are to be employed in the Secondary and Training Schools of the Province.

It is not clear how this has now become the concern of the Registrar of Cooperative societies. If the class is not organised and conducted under the authority of the Educational Department, it cannot be assured that the trainees will be fit for work in schools, specially if the course of studies not approved by the Director as originally proposed.

I request that necessary action may be taken on the subject urgently.

Sir,

Sub: POSTWAR RECONSTRUCTION - Resettlement of Exservicemen - Training of Physical Training Instructors.

Ref: Your letter Roc.No.2061-W 1/46 dated 6-1-1949 and further correspondence in the matter.

••••••

In response to the advertisement made by me in the important newspapers, viz. the Hindu, the Indian Express, the Mail and the Liberator, calling for applications from qualified exservicemen candidates for undergoing training as physical training instructors in the Y.M.C.A College of Physical Education, Saidapet, Madras, 97 applications have so far been received. Of these, only 18 candidates are found to possess all the three required qualifications for admission into the course, namely

(1) S.S.L.C. eligible certificate or Indian Army Special Certificate of Examination;
(2) Service in the Army as Physical Training Instructor; and
(3) Age below 30 years on 1-5-1949.

As you are aware, the Committee for the Administration of the Postwar Services Reconstruction Fund was pleased to sanction an expenditure to the extent of Rs.15,000/- connected with the scheme of giving the training to 40 Exservicemen. As sufficient number of men are not forthcoming, the qualifications prescribed will have to be relaxed to some extent with a view to admit the full strength of 40 men. With this end in view I have prepared tentatively 3 lists (1) List of candidates possessing all the three qualifications already prescribed, (2) a second list consisting of candidates who are now serving as physical training instructors and who do not satisfy all or any of the qualifications prescribed for admission and (3) a third list consisting of candidates employed as physical training instructors in the army and who possess slightly lesser educational qualifications. According to these lists only about 50 candidates satisfy the conditions under the three categories mentioned above, 18 candidates, in list No.(1) 20 candidates in list No.(2) and 10 to 12 candidates in list No.(3). I therefore propose to admit the full strength of 40 men from out of the three lists in the order of preference so that the maximum number of exservicemen might be benefited by the course and the allotment made by the Committee for the administration of the Postwar Services Reconstruction Fund is fully utilised.

I therefore request you to let me have your concurrence to the above proposal so that I may go ahead with the Training Course in anticipation of Government's approval to the above proposed relaxation of qualifications for the exservicemen trainees. As the course is to commence on 2-5-49 the selection of candidates for admission to the Training Course has to be made by the Committee consisting of the Principal, Y.M.C.A.College of Physical Education, Saidapet, the Chief Inspector for Physical Education, Madras and my Joint Registrar (Resettlement) not later than 25-4-1949. The selected candidates have also to be informed sufficiently in advance so as to enable them to join the course on 2-5-1949. In the circumstances, I request you to be so good as to let me have your reply soon.

Yours faithfully,

Sir,

Sub:--Resettlement of Ex-Servicemen--Training of Physical Training Instructors.

In reply to your letter No.3795/49 A.5 dated 20-4-49 I have the honour to state that it is desirable to restrict the admission only to fully qualified candidates.

It is not desirable to admit over-aged and educationally unqualified candidates by seeking exemption on their behalf.

If it is considered necessary to relax the qualifications in some cases I consider that candidates who are educationally qualified but do not exceed 35 years may be admitted and exemption from age rules may be sought on their behalf.

Sir,

Subject: Training of ex-servicemen as Physical training instructors.

pp 9 & ante

Reference: Government Memorandum No.85773/48-2-C1, Education and Public Health, dated 4-12-48.

....

9 - MAY

In their Memorandum cited, I have been asked to report to Government after the arrangements are finalised for conducting the short course of training of ex-servicemen in physical training instructors' course at the Y.M.C.A. College of Physical Education, Saidapet. Applications were invited from qualified ex-servicemen candidates for undergoing training as physical training instructors by publishing a notification in the leading newspapers namely, the Hindu, the Mail, the Indian Express and the Liberator, Madras. A copy of the notification is enclosed for the information of the Government. It was proposed originally to conduct the course for a period of 3 months from 2-5-49 and necessary arrangements were made for the purpose. Eventhough nearly a hundred applications were received, only 24 men were found to possess the requisite qualifications prescribed for the course. In order to maintain the full strength of 40 men for the course, I proposed to the Director of Public Instruction to relax to some extent, the qualifications - vide copy of my letter No.3795/49-A5 dated 20-4-49, enclosed. As his reply could not be had in time, in consultation with the Principal of the Y.M.C.A. College of Physical Education, Saidapet, I postponed the starting of the course to 9th May 1949. The Director of Public Instruction who considered my suggestion was of the view that it was desirable to restrict the admission only to fully qualified candidates and that if it was considered necessary to relax the qualifications in some cases, candidates who were educationally qualified but did not exceed 35 years of age, might be admitted and exemption sought from age rules on their behalf. In accordance with his suggestions, two lists were drawn up (1) a list of candidates possessing all the requisite qualifications, and (2) another list consisting of candidates possessing the required educational qualifications but not exceeding 35 years of age, and a third list consisting of ex-servicemen who had put in long service as physical training instructors in the army but were not educationally fully qualified. Copies of the three lists were placed before the selection committee consisting of the Joint Registrar of Resettlement, the Principal, Y.M.C.A.College of Physical Education, Saidapet and the Chief Inspector of Physical Education, Madras, on 3-5-49. The Committee selected 38 men in all - 21 men in the first list and 17 men in the second list. In order to maintain the full strength, the men left out in the first and second lists and the men in the third list are kept in the waiting list and will be called for training if selected men do not join on the opening day. In order to maintain the full strength of 40 men, it was decided by the committee that men in the waiting list may also be taken to the training course and that higher grade certificates might be issued for trainees who are fully qualified educationally and Lower grade certificates to the others. The Principal, Y.M.C.A. College has been requested to fill up the vacancies from among the candidates in the waiting list.

Roc.2061 W1/46 dated 29-4-49

Sir,

Sub:--Resettlement of Ex-Servicemen--Training of Physical Training Instructors.

In reply to your letter No.3795/49 A.5 dated 20-4-49 I have the honour to state that it is desirable to restrict the admission only to fully qualified candidates.

It is not desirable to admit over-aged and educationally unqualified candidates by seeking exemption on their behalf.

If it is considered necessary to relax the qualifications in some cases I consider that candidates who are educationally qualified but do not exceed 35 years may be admitted and exemption from age rules may be sought on their behalf.

2. The syllabus prepared by the Principal, Y.M.C.A. College of Physical Education is comprehensive.

3. Your Office file is returned herewith.

Yours faithfully,

EDUCATION AND PUBLIC HEALTH

55682

In my letter cited above, I gave a detailed account of the arrangements made for conducting a short course of training of ex-servicemen in physical training instructors' course at the Y.M.C.A. College of Physical Education, Saidapet. I further reported that definite proposals for relaxing the qualifications of some of the candidates concerned, would be submitted by me as soon as the Principal of the College furnished me with a list of candidates who had actually joined the course. He has now furnished a list of candidates who are undergoing training with particulars of age, educational and military qualifications etc. I enclose a copy of it for the information of Government. According to the classifications made by him, the first 13 candidates are in the Higher Grade. The next 3 candidates-serial Nos.14,15 and 16, though not educationally qualified, have been recommended by him for the Higher Grade; and the remaining 24 have been placed in the Lower grade.

pp37-38 infra

I agree with him and recommend to Government that his proposals may be approved and that permission may be accorded for the first 16 candidates to sit for the Higher grade Government Certificate examination and for the remaining 24 candidates for the Lower grade Government Certificate examination so as to enable the Principal of the Y.M.C.A. College and the Chief

Sub: Short Course in Physical Education for Ex-servicemen at the Y.M.C.A. College.

--:--

Herewith I am sending a list of the 40 ex-servicemen in training at the College showing their age, educational and military qualifications and the Grade they have been classified for the purpose of certification. A copy of this is being sent to the Chief Inspector of Physical Educationa for his approval.

According to our classificationa, 13 are in the Higher Grade, 3 recommended for Higher Grade and 24 in the Lower Grade.

The training commenced on the 9th May and we have now completed five weeks of the training. The trainees are all making good progress. On Saturday the 4th June, the students and staff enjoyed a picnic at Ennore.

For the present, the trainees are housed in our hostels. But we are taking steps to house them in tents from 1st July,1949.

The estimated expenditure for training 40 ex-servicemen as per our letter dated 10th July 1948 was Rs.15,000/- Out of this we received a sum of Rs.10,000 on 5.4.49. The balance of Rs.5000/- is urgently needed by the College. Kindly arrange to send a cheque for Rs.5000/- at your earliest convenience possible.

Yours faithfully,

Proposals for the training of demobilised personnel as physical training instructors have been under consideration for some time past. In the letter in the current file, the Registrar of Cooperative Societies has given the history of the case at length.

With reference to 'X' in the portion side-lined in the Registrar's letter, attention is invited to pp.44-45 c.f. and p.13 n.f. of G.O. No.2264, Edn., dated 9-11-1948. Orders approving the qualifications for admission to the course were not issued because the entire question - arrangements to be made for the training of demobilised personnel as physical training instructors and also the question whether sufficient number of candidates are forthcoming for training were under consideration. Now as the arrangements are almost completed there is no objection to the qualification for admission suggested by the Registrar being approved.

With reference to 'Z' in the Registrar's letter on p.2 c.f. it seems that while the arrangements for the training may be made by the Registrar in consultat with the Principal of the Y.M.C.A. College of Physical Education the actual course to be undergone by the candidates may be settled. If this is done the difficulty referred to here can be obviated. As regards the Registrar wants early orders in the matter it seems that the file may be sent to D.P.I. u.o. for remarks. He may be requested to treat the case as specially urgent.

Please see the further correspondence at pages 33-41 cf. The R.C.S. has in consultation with the Principal of the Y.M.C.A. College of Physical Education and the Chief Inspector of Physical Education has selected 40 students for the short-term Course of training in physical training instruction. 16 out of the 40 are undergoing training in the Higher grade and the remaining 24 in the Lower grade. The Candidates have completed the training and the R.C.S. has in anticipation of Govt's approval requested the Principal to permit the candidates to sit for their respective examinations which commenced on 27.7.49. The action of the R.C.S. may be approved.

Seven out of the 40 candidates require exemption from age and educational qualifications. The D.P.I. recommends that the necessary exemption may be granted. Govt may agree with the D.P.I.'s recommendation. A draft order is submitted for approval.
