para 6. Transfers to other Accounts - Contribution from General Account to: (1) Ele. Edn. Account:- The standard contribution is Rs. 10,370. With a view, however, to balance the Ele. Edn. fund budget for 1948-49, this Department agreed to (1) a contribution of Rs.15,000 from the General Acct. to Ele. Edn. Account and

(2) the adjustment to Ele. Edn. Account of the entire balance available in the arrear toll compensation sanctioned for 1948-49 viz. Rs. 18,474/- as well as the balance of Rs. 5,362 of the arrear toll compensation sanctioned for previous year. Credit is taken in the R.E. of the Ele. Edn. Account for a contribution of Rs.22,000 from General Account and for the adjustment of A.T.C. of Rs. 23,823. The Ele. Edn. Account for 1948-49 is expected to close with a balance of Rs. 2,915. The A.T.C. can be adjusted to Ele. Edn. Account only to the extent necessary to avoid a deficit under that Account. The amount of A.T.C. to be adjusted to E.E. Account may therefore be restricted to Rs.20,908 with the concurrence of E.& P.H. The contribution proposed from General Acct. though far in excess of the approved contribution of Rs.15,000 and more than twice the standard contribution of Rs.10,370 may perhaps be approved as the General Account for 1948-49 is expected to close with sufficient balance. For 1949-50 the contribution proposed from the General Account to Ele. Edn. Account is Rs.21,000. Even with this large contribution, the Ele. Edn. Account is expected to close with a deficit of Rs. 32,014/-. While examining the budget for 1948-49, the E.& P.H.Deptt. promised to examine in detail sufficiently early in connection with next year's budget the question of

of stabilising the Ele. Edn. Account as suggested by this Department. Vide notes on p.6 n.f. of G.O.625, L.A. dated 31-3-48. E.& P.H. is requested to state the action taken by them in this regard. Pending the examination of Ele. Edn. budget for 1949-50 it is for orders whether the contribution proposed may be allowed to stand.

The proposed contribution may be allowed, pending the examination of the E.E. budget in E.& P.H.Deptt., and the devising of means by that Deptt. of stabilising the Account.

Review.

REF:G.O.No.Ms.2595-Education,dated 16-8-1949.

=

With reference to para-II(ii)of the Government Order quoted above, I submit that the actual opening balance on 1-4-1949 under the elementary education funds is Rs.5483. On this basis the budget estimate will close with a deficit balance of Rs.26096.

On the recommendation of the Deputy Inspector of Schools, Kancheepuram,and in view of the increase in attendance in some of the elementary schools, five additional posts of higher grade teachers were created from 1/9/1949 for which no provision was made in the budget. This will entail an additional expenditure of Rs.1560 in 1949-50. Thus the deficit in 1949-50 will be Rs.27656

I therefore request that the Government may be pleased to sanction a special grant of Rs.27656 to meet this deficit.

Ref: From the Commr. Kancheepuram Mty. No.16193/48, dated 29-11-48.
From the D.P.I. No.54 B3/48-49 dated 14--1--49.

The R.E. for 1948-49 and the B.E. for 1949-50 of the E.E. Fund of the Municipal Council, Kancheepuram, call for the following remarks.

2. R.E. for 1948-49 : (i) The credit taken for a Govt. subsidy of Rs.17,556 under sec.37 of the E.E. Act should be reduced to Rs.17,435.

(ii) In view of the remarks of L.A. at p.43 c.f. the amount of Rs.23,823 adjusted from Arrear Toll Compensation should be reduced to Rs.20,908.

(iii) The amount of Rs.1400 shown as 'collection charges' under education tax on the 'Receipt side' both in the R.E. for 1948-49 and the B.E. for 1949-50 should be transferred to the expenditure side.

(iv) The provision made under the head 'expenditure - Ordinary' is in excess of that sanctioned in the Budget. The increase which is mainly due to the grant of D.A. to E.E. staff at enhanced rates may be approved.

(v) Revised with ref. to the suggestions above the R.E. for 1948-49 will close with a deficit of Rs.121.

3. B.E. for 1949-50 : (i) The credit taken for a Govt. subsidy of Rs.17,000 under sec. 37 of the E.E. Act should be increased to Rs.17,435.

(ii) L.A. have agreed to the contribution of Rs.21,000 from the General funds to the E.E. Account. This may be approved.

(iii) Revised with ref. to the suggestions above the B.E. for 1949-50 is anticipated to close with a large deficit of Rs.31,700. The ~~increase~~ deficit is mainly due

P.T.O.

due to the grant of d.a. to the E.E. staff amounting to Rs.36,920. The rate at which education tax now levied is 4 5/6% of the annual rental value per annum. If this is raised by 2/3% per more, the additional income that can be derived will be Rs.6,000. But the tax can be raised only with effect from 1-10-49. Then the additional income will be Rs.3000. Even then there will still be a large deficit of Rs.28,700. If no further contribution is possible from the General funds the question of increasing the rate of education tax or paying a subsidy from the Provincial funds will have to be considered. This may be considered after the actual closing balance on 31-3-1949 is known. The file may be sent to L.A. and Finance for remarks.

The remarks of L.A. and Finance on pp.2-3 above may be perused.

L.A. point out that no further contribution from the General Funds is possible. They also do not agree to the increase of education tax. Hence the question of paying a subsidy from provincial funds to wipe off the deficit has to be considered now. As the deficit is nearly one-third of the receipts under the E.E.Fund, the Council may find it difficult to pay the teachers. Two-thirds of the deficit of Rs.31,700, i.e., Rs.21,000, may be given as an advance subsidy now, the question of paying an addl. subsidy being considered after the actual closing balance for 1948-49 is known. Finance may see for remarks.

(Previous Finance note on p3 above)

With reference to the further note of E&PH on p.3 above it is submitted that it is usual to sanction subsidies to local bodies, to wipe off deficits in the Ele. Edn. Fund Accounts only after the actual closing balance for the previous year is known. Further there is no information in the file ~~[illegible]~~ to the effect that the municipal council will be finding it difficult to pay its teachers. As ~~it is now some time~~ four months have lapsed after the close of the year 1948-9 ~~had come to an end~~, it might be possible that the closing balance will be known. In these circumstances there seems to be no ~~great~~ strong case for the grant of an advance subsidy now. It may be left to the municipal council to apply for it if it considers that an advance is necessary.

B2.No.11665/48 dated 23/9/1948.

From Sri M.Narayana Shenoy,B.A.,B.L.,
Commissioner,Kancheepuram Municipality,
Kancheepuram.

To The Secretary to the Government of Madras,
Education & Public Health Department.

Through
The Chairman,Municipal Council,Kancheepuram,
&
The Director of Public Instruction, Madras.

Sir,

Subject:Establishment--Elementary Education--Appointment of additional teachers--Sanction requested.

In G.O.Ms.No.1892-Education,dated 30/7/1948, sanction was accorded to the employment of one higher elementary grade teacher in each of the five municipal elementary schools mentioned therein. In addition to the above, the inspecting officers have recommended the appointment of an additional teacher in each of the seven municipal elementary schools mentioned below on account of the increase of strength in the current year.
(1)Yagasala; (2)Aladi; (3)Okkapirandan; (4)Melpillaiyapalayam; (5)Vaikuntaperumal; (6)Sheikpet and (7)Pillaipalayam girls schools. A statement showing the strength in each standard in the schools mentioned above, and the number of teachers at present employed is submitted herewith. A copy of the council's resolution No.298 dated 26/8/1948 sanctioning the appointment of additional teachers is also enclosed.

2. The appointment of seven elementary higher grade teachers in the schools referred to above will entail a recurring annual expenditure of Rs.4400. The Budget Estimate for 1948-49 under the Elementary Account was expected to close with a surplus balance of Rs.292 as per G.O.No.Ms.685 Education,dated 30/3/1948. But as revised with reference to the actuals for 1947-48, the closing balance on 31-3-1949 was expected to be Rs.7380/-. Since the issue of the above Government Order, the following commitments have been made:

1.Payment of increased D.A.to teachers.	Rs. 5400
2.Appointment of additional teachers as per G.O.No.Ms.1892-Education,dated 30/7/1948.	4000
	Rs. 9400

On account of the above commitments, the +Elementary Education Account for 1948-49 is expected to close with a deficit balance of Rs.2020. The appointment of additional teachers now recommended will increase the deficit to Rs.6420. The budget estimate for 1948-49 was framed taking credit for the arrear toll compensation of Rs.23836. This arrear toll compensation is the fourth and the last instalment due to this municipality.This amount will not therefore be available to this municipality from 1949-50 with the result that there will be a recurring annual deficit of Rs.23836 under the Elementary Education Funds in addition to the deficit of Rs.6420 referred to above.

It will not be possible to meet this deficit from the General Funds,as there are heavy committments for payment of increased dearness allowance and house-rent allowances. Further the Council has already undertaken to meet the house-rent allowance of teachers from its general funds.
I therefore request that the Government may be pleased to sanction a recurring subsidy to meet this deficit.

I also request that Government may be pleased to accord permission for the employment of additional teachers referred to above. As teachers are immediately necessary in schools 3 to 7 above, I have appointed a teacher each as sanctioned.

I request the favour of early orders in the matter.
