Sub: AMENITIES FUND.

Ref: Letter No. 83684-81/48-1 Edn. of 3-12-48.

The above quoted letter sanctioned the payment of an amenity allowance of Re.1/- per officer and cadet on the strength of the unit as on 1st. Dec 1948.

For the reasons given below, it has not been possible to complete the recruitment by 1st Dec. 1948.

1. The Administration and Quartermaster's branches had to be set right before the general items were taken up.
2. Adequate uniforms, stores and equipment for the efficient running of the unit are still not available.
3. The action recommended by the Survey Board has not yet been taken.
4. A number of points pertaining to the administration of the N.C.C. like the age limit had to be clarified before answers were given to the questions put by College authorities.

Hence, it was not considered advisable to start training as no really efficient work would have been possible.

In view of the peculiar circumstances this year as a result of the process of disbandment of the U.O.T.C. and the inception of the N.C.C., permission is requested to base our demand for the grant of amenities on the strength of this unit as on 31st. January 1949 instead of 1st. Dec '48.
