Sub: Adult Education Scheme--Scheme for a Central Film
Library at the Director of Public Instruction's
Office-Permission to depute Citizenship Special
Officer to Bombay--requested.

It is learnt from the various correspondence
my office has had with individuals and organisations interest-
ed in Visual Education that in Bombay a scheme of visual
education has been worked out under the auspices of the
Department of Public Instruction for about two years now.
It is also learnt that the Government of Bombay have
already invested about 2 lakhs of rupees on 16 mm.
films and that a vigorous scheme is being worked out
there.

2. Visual Education has to be studied carefully
in its two important aspects viz. (1) knowledge of visual
motive. What the type of material is easily available
--how is it to be collected? Are they cheap enough for
the ordinary educational institutions. (2) Working of
libraries loaning 16 mm. films. What business arrangements
are made as regards Film Libraries. How and on what conditions
Films etc. are loaned out and so on. During the interview
Dy. Director of Public Instruction(Elc. Education) and
Citizenship Special Officer had with the Hon'ble Minister
for Education on 7/2/49 the question of bringing out
a comprehensive manual dealing with all important aspects
of visual education was discussed and the Hon'ble Minister
for Education suggested that specific points should be
taken into consideration in preparing the manual.

As it is proposed to give a good shape to the scheme of Visual Education by the beginning of next academic year and, as the proposed "manual" or "book of instruction" has to be issued as early as possible I request that Sri. T.V. Nilakantam, Citizenship Special Officer may be deputed for a period of 15 days in the first instance before the close of this official year to study the question at the office of the Director of Public Instruction, Bombay and also by contacting other agencies & private firms doing visual education at Bombay.

No specific proposal for deputing the Citizenship Special Officer has been mooted with the Director of Public Instruction, Bombay. The Director of Public Instruction Bombay has however been addressed for furnishing the details of the scheme of visual education that is being worked out in the education department, Bombay.

The probable cost involved in the deputation works out to Rs. 214/-

In their order cited, Government have been
pleased to sanction the deputation of Sri.T.V. Nilakantam,
Special Officer for Organising Citizenship Training and
Scout Organisation, to Bombay to study the visual education
methods introduced by the Government of Bombay. Accordingly
Sri.T.V. Nilakantam, Special Officer for organising
Citizenship Training and Scout Organisation left Madras
for Bombay on the 13/11/1949. The Inspector of Visual
Education, Bombay in his letter dated 8/11/49 states
that he will be in Bombay from 15th to 21st November
after which date he proposes to leave for Belgaum to
attend the Visual Aids Exhibition to be held from 23rd
November and requests the Special Officer for Organising
Citizenship Training to inform him whether it would be
convenient for the Citizenship Special Officer to
accompany him to the exhibition as it will enable the
Citizenship Special Officer to see more of the visual
education in Bombay. I have therefore permitted the
Citizenship Special Officer to accompany the Inspector

of the orders of the Government. In these circumstances,
I request that the Government may be pleased to

Subj. Adult Education scheme for central Film Library at the Director's Office - Permission to depute Citizenship Special officer to Bombay.

The D.P.S. has proposed that Sri T. V. Nilakantam, Citizenship Special officer, may be deputed to study the system of Visual Edu. of the Govt. of Bombay and also to contact other agencies and private firms doing visual education at Bombay. The proposal seems to be a desirable one in the interests of Visual Education. Visual education forms a part of Adult Education. This Govt. have under consideration a Comprehensive scheme of Adult Education and the knowledge gained by the study of the Visual education system in Bombay may be of useful for formulating a similar scheme in this Province. The cost involved does not seem to be much (Rs 214/-). The proposal of the Director may be accepted.
