SUBJECT: Provision of scholarships for educationally backward classes - proposal regarding.

Sir,

I am directed to say that the Government of India have under consideration a proposal regarding grant of scholarships to students of educationally backward classes in India. You are no doubt aware of the Govt. of India's five year scheme of Scheduled Caste Scholarships, which has been in operation since 1944. The Govt. of India also propose to introduce this year, as an experimental measure, a scheme for granting scholarships to students of the Aboriginal and Hill Tribes in India. It is however, being considered whether from the year 1949-50, there should not be a comprehensive scheme of scholarships which will not only serve the purpose of the two schemes mentioned above but also cater to the requirements of the other educationally and economically backward classes. The intention of such scholarships will be to give financial aid to students from the backward classes to enable them to prosecute their studies in universities or other institutions of comparable standard after they have completed their secondary education. In order to examine the proposal fully the Govt. of India will be grateful if the Provincial Govt. will furnish to this Ministry the following information in so far as they are concerned :

1. A list of educationally backward classes in the province, to be arranged, if possible, in order of priority from the point of view of educational backwardness.

TSN
19/4/48

3

ii. Figures of literacy among these classes.

iii. Figures of students from these classes who appeared at the Matriculation or equivalent examination in the last three years, i.e. 1945-46, 1946-47 and 1947-48.

iv. Figures of students from these classes who are at present getting higher education in colleges and other institutions after they have passed the Matriculation or equivalent examination.

v. Steps which the Provincial Government is at present taking for helping the students from these classes for the prosecution of higher education. (Details of any special scholarships reserved for them for this purpose may be given).

vi. Details of information regarding any work done by voluntary or private organisations in the Province to promote higher education among these classes.

vii. What, in the opinion of the Provincial Govt, are the special educational requirements of these classes and what are the measures contemplated by them to bring up the level of the backward communities?

viii. Any further information which the Provincial Government may like to add in connection with the educational condition of these classes.

A very early reply will be much appreciated.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

pp33-34cf Further to this Government's letter No.28184/48-7 Cl Edn., dated 25-10-48, I am directed to furnish the following information regarding backward classes other than Harijans.

I. The list of backward classes other than Harijans drawn up by this Govt. for the award of educational concessions has already been sent with this Govt.'s letter referred to above. The list has not been arranged in order of priority from the point of view of their educational backwardness since all the communities mentioned therein are more or less equally backward in their education. p21cf

(Here enter 'X' on pp.61, 63 and 65 c.f.)

p47cf 2. With reference to your letter No. 5-9/48 S.IV, dated 23-3-1949, I am to request that the following communities may be added to the list (c) as these communities ~~are~~ have also been made eligible for the grant of the educational concessions under the orders of this Government.

1. Isai Vallalar or Melakarar.
2. Gangavars.
3. Mahendra (Medara).

118

3. The policy of this Govt. in regard to the grant of educational concessions is that the converts to Christianity or any other religion from the castes included in list (a) shall also be eligible for the fee concession for which the scheduled castes are eligible, provided the conversion was either of the pupil or of his parent or guardian. The Labour Harijan Welfare Dept. of this Govt. are also granting the concessions admissible in that dept. to the converts from the eligible communities. In order that there may be ~~a~~ uniformity in the matter of the award of educational concessions, scholarships, etc., I am to suggest that the Govt. of India may consider the desirability of granting the concessions to converts to Christianity or other religions from the communities included in the lists (a) and (b). As far as list (c) is concerned, the converts need not be granted the scholarships as under the orders of this Govt. converts from the backward classes other than Harijans are not eligible for the educational concessions ~~that~~ for which the backward classes are entitled ~~to~~ - but a pupil belonging to these communities who is in receipt of a fee concession is not deprived of it if he becomes a convert to any other religion while holding the concession.

G.O. not traced up.

In Secy. Schools full fee concession is granted only to Hindu Harijans as the cost is met from the Harijan Uplift Fund –

In this connection the attention of the E & P.H. Deft. may be invited to the two lists put up at Ⓠ and Ⓜ, the first relating to the aboriginal and primitive tribes in respect of whom annual reports on material conditions and progress are received from the Collectors and the second showing the hill tribes of the Agency tracts as proposed (by this Govt.) to be given in the Draft Constitution. Nos. 1, 9, 11, 15, 17, 20 - 23, 25, 26, 28 and 30 in the list at Ⓜ ~~who~~ which have hill tribes of the Agency and Adiyans of Malabar shown in Ⓠ are not included in either of the × lists in the M.E.R. It seems ~~that it is~~ desirable to examine the question of the inclusion of these tribes in the second list in the M.E.R in consultation with the D.P.I. E & P.H. may be requested to take up the matter seperately.

2. The draft letter below may be accepted subject to the nine additions indicated in list III at p. 3 of the draft in pencil.

Please see the notes of the Pub. (Ref.) and the F.D. Dept. above. The question of the inclusion of new Hill Tribes in the list appended to the M.E.R. as suggested by Pub. in para 1 of their note on p.2 ante may be taken up for consideration separately.

2. As regards their suggestion in para 2 of their note at p.2 ante to include 9 more items in the list of Aboriginal and Hill Tribes (List III) proposed to be sent to the Govt. of India, it may be mentioned that the nine names are already included in the list sent by the Govt. of India at p.27 c.f. The names find a place also in the list II appended to the M.E.R. It is proposed to send a copy of this list to India.

3. The Govt. of India wanted only a list of (1) scheduled castes; (2) Aboriginal and Hill Tribes; and (3) Other backward classes which are entitled to financial aid for their education, under the orders of the Govt., in addition to those classes mentioned in the lists sent by them. List I of the M.E.R. and the list of the scheduled castes tally. But list II of the M.E.R. and the list of the Backward Tribes sent by the Govt. of India do not tally. There are only 12 names common to both the lists. There are a number of names

in the M.E.R. list II which do not find a place in India's list. So it was suggested that a copy of the entire list II of the M.E.R. may be sent to Govt. of India instead of picking out the names not found in India's list. As the Govt. of India also wanted a list of the Aboriginal and Hill Tribes who are entitled to financial aid for their education in addition to those mentioned in their lists, it is proposed to send list III which contains the names of Aboriginal and Hill Tribes included in list II of the M.E.R. but not in the lists sent by India. For orders whether the draft letter with the slight additions now made and without the additions suggested by Public in list III of the enclosure to the draft letter, may issue

4. Attention is invited to the letter from the D.P.I. at p.31 c.f. This is a reply to the Govt. memo at p.15 c.f. As the Govt. of India want specific information on the various items mentioned at pp.1-3 c.f. The D.P.I. may perhaps be asked to furnish the information referred to in para 2 of his letter at a very early date. A draft T.M. is submitted for approval.

(c) Other backward classes listed in Group II of the list appended to the M.E.R. but not included under (a) and (b) above.

List (a) is the same as the list of Harijans appended to the M.E.R.

List (b) contains a few names included in the list of backward classes other than Harijans appended to the M.E.R. and a few other names which are not included either in the list of Harijans or in the list of backward classes other than Harijans appended to the M.E.R.

× Book 151 / pages 42-43

List (c) is compiled by removing from the list of backward classes other than Harijans appended to the M.E.R., the names included in the list (b) - The effect of the three lists proposed by the Government of India will be that all the communities now eligible for the educational concessions under rule 92 of the M.E.R. will also become eligible for the scholarship proposed by the Government of India. A few more communities (marked in red on p.27 c.f.) which are not included in either of the lists will also become eligible for the scholarship. It may be pointed out that two communities viz. Isai Vallalar ~~and~~ or Melakarar and Irula have been omitted from list (c) furnished by the Government of India. As list (c) is prepared by omitting from the list of backward classes other than Harijans appended to the M.E.R. the names that are also found in list (b),

the omission of these two communities does not seem intentional. Government of India may be requested to include them also in the list.

Attention is invited to 'A' in page 47 c.f.

This Govt. may suggest that the scholarships may be made available to all the Hindu backward classes included in the three lists ~~irrespective of the religion to which they belong~~ converts to other faiths ~~being given the~~ from lists I & II being given the scholarship if the conversion had been of the candidate or of his or her parents. The file deals with the grant of scholarships to Aboriginal and hill tribes and other backward classes. The Govt. of India wanted certain information regarding the educationally backward classes in the province, figures of literacy, etc., (vide items 1 to 8 on pages 1-3 c.f.). Complete information has since been received from the D.P.I. The information may be furnished to the Govt. of India.

pp 61-63 c.f and p 65 c.f.

2. As it was thought that the collection of detailed information on all particulars required will take some time, the Government of India wanted urgently a list of (1) Schedule castes, (2) Aboriginals and Hill tribes and (3) other backward classes who are entitled to financial aid for their education under the orders of this Govt. in addition to those classes mentioned in the Govt. of India Orders in Council 1936. The lists were furnished to Govt. of India - vide letter at pages 33-34 c.f. Based on this, the Govt. of India have drawn up three lists.

p 47 c.f

(a) Scheduled castes as defined for the province of Madras in the Government of India (Scheduled Castes) Order in Council 1936;

p 19 c.f

(b) Backward tribes as defined for the province of Madras in Schedule 13 of the Govt. of India Order-in-Council, 1936;

p 27 c.f

M
pp 49-51 c.f

(c) Other backward classes appended to the M.E.R. which are not included under (a) and (b). The Govt. of India propose to grant scholarships in 1949-50 to the pupils belonging to these communities for their studies beyond the Matriculation stage provided they satisfy certain conditions regarding merit, financial position, etc. In the list at 'C', the communities called Isai Vallalar or Melakarar and Irula have been omitted. Of these, Irula has been included in the latest list of communities eligible for scholarships granted by India. It may be pointed out that the communities, Gangavar and Mahendra, have been added to the list of backward classes recently and these were not included in the list of backward classes sent to the Government of India.

Details in another file in Issue branch.

In another file not put up (Verified)

Govt. of India may be requested to include these communities in their list at 'C' as they are eligible for educational concessions under the orders of this Govt. This Govt. may be adding from time to time new communities to the list of backward classes other than Harijans. Whenever a new community is added to the list, the Govt. of India will have to be informed so that claims for scholarships of pupils belonging to ~~the~~ that community may also be considered by the Govt. of India.

3 Attention is invited to the note of Public (Elections) Dept. at page 6 ante. They suggest the inclusion of the following communities in the list proposed by the Government of India:- Irulars, Irulas, Adiyans, Mudhukans and Moogadora. Of these, Irulas and Irulars appear to be the same as Irula which is included in the latest list received from the Govt. of India. Mudukan appears to be the same as Muduvar or Mudugar. Muduva is already included in list 'C'. Moogadora appears to be the same as Mukha Dhora which is included in list 'B'. Therefore the only community for inclusion in the lists now is 'Adiyan' of Malabar. This community is not included in the lists of backward classes maintained by this Govt. for purposes of educational concessions. Adiyans are reported to belong to backward tribes. It is not sure ~~whenter~~ whether the Govt. of India will agree to add this name to the list. It would be more ~~proper~~ appropriate for the Public(Elec) Dept. to get this community included in the list of Scheduled Tribes, so that they may automatically become eligible for the scholarships. As for the suggestion of including the alternate names made by Firka Development at page 8 ante, it may be pointed out that Kurumba is included in the list (c) and Kurumban in list (a). Malaiyali is included in the list (c). The change proposed by the Firka Development Dept. may be considered after the final list of the Aboriginals and Hill Tribes now under their consideration is ~~complied~~ Compiled.

4 Attention is invited to para 2 of the Govt. of India's letter at p.47 c.f. The Govt. of India wish to know whether, in the opinion of this Govt., these scholarships should be made available to all backward classes irrespective of religion. According to the Govt. of India Order-in-Council 1936 relating to Scheduled Castes, no Indian Christian shall be deemed to be a member of the Scheduled castes. The policy of this Government with regard to the grant of educational concessions to the students of the Scheduled castes (Harijans) is that the concessions will be made available to converts to Christianity and other religions also, provided the conversion was either of the student or his parent or guardian. The Labour Department also gives concessions to converts from the eligible communities. The converts from the communities included in the lists 'A' and 'B' are, therefore, eligible for educational concessions under the orders of this Govt. For the sake of uniformity, Govt. of India may be asked to consider the question of granting the scholarships to converts from the communities included in list 'A' and 'B'. A draft letter to the Govt. of India is submitted for approval.

~~Please see the~~ (previous note of this Department at pages 6-7 ante) ~~and the subsequent note of E & P.H. at p. 10 ante regarding the inclusion of certain communities in the list of 'backward classes other than Harijans' and which are not included in the list of backward tribes given in the Thirteenth Schedule to the Government of India (Provincial Legislative Assemblies) Order, 1936, to make them eligible for the Government of India's scheme of scholarships referred to in this file.~~ This Dept. are concerned with para 3 of the note on p. 10 ante. E & P.H. ~~have~~ pointed out that 'Irular' is the same as 'Irula' which is mentioned in the latest list of 'castes other than Harijans' sent by India. Mudukan is the same as Muduvar found in the list 'C' and Moogha Dora is the same as Mukha Dora found in the list 'B'. So no further action is necessary in the case of these communities. As regards 'Adiyan', E & P.H. suggest that this Department may take action for the inclusion of the community in the list of Scheduled Tribes, so that it may ~~which action will~~ automatically become ~~enable them to be~~ eligible for the scholarships. In this connection it ~~xx~~ may be mentioned that the suggestions of this Government to make certain alterations in the list of Scheduled Tribes was not accepted by the Consambly. They have however agreed to make provision to enable the Provl. Govt. to add to the list of Scheduled Tribes, and an entry to that effect ~~this~~ has been ~~included~~ made in the redraft of the New Constitution. ~~So 'Adiyan' could be included~~ in the list under this provision ~~only after detailed~~ under this provision 'Adiyans' can be included in the list of Scheduled Tribes only after detailed investigations have been made into their conditions and a decision taken by the Provl. Govt., and that, too, only after the Draft Consitution has been passed. This will take a long time. Further a number of non- Scheduled Tribes are found in list 'C' e.g. Boya, Badaga, Lambadi etc., It will be seen from this that inclusion of 'Adiyan' in the list of 'Scheduled Tribes' is not a necessary preliminary or an alternative to the ~~for~~ inclusion of the community in the list of 'backward classes other than Harijans' eligible for fee concessions and scholarships. (Adiyan is not included in the latest list of Scheduled Tribes proposed by Shri A.V. Thakkar to be substituted for the existing VIII Schedule).

"Adiyans" are a tribe found in Wynaad - vide p. 98 of Dr. Aiyappan's report. From the description in ~~that~~ the report, it does not seem likely that the Provl. Notes from page 9 ante may be perused. The Public Dept. still presses for the inclusion of 'Adiyans' in list *(C) for the purposes of the award of scholarships under the Govt of India scheme - list (C) is based on the list of backward classes other than Harijans appended to the M.E.R. So ~~under~~ unless the community 'Adiyan' is included in the list of Non Harijan Backward Classes appended to the M.E.R. it will not be proper to include it in the Govt. of India's list alone for purposes of the grant of scholarship for the reason that if a student belonging to 'Adiyan' community gets a scholarship from the Govt. of India there will be a clamour from other Adiyan students from this presidency for the grant of fee concessions under rule 92 of the M.E.R. Sub: Scholarship for educationally backward classes.

---

p.17 Ref: From the Govt. of India, Ministry of Education, Telegram No.F.5-9-48 dated 29--8--49.

---

p.1184 ② In letter No.28184 C1/49-15 Edn., dated 11-8-49, the Govt. of India have been informed inter alia that as far as the list relating to the backwar classes other than Harijans is concerned the converts need not be granted the scholarships awarded by them. Labbais and Mappillas are included in the list of backward classes other than Harijans. It is not the intention to restrict the grant of scholarship to backward classes among Hindus only and to deny the scholarship to Labbais and Mappillas so long as they are included in the list of Non-Harijan backward classes. Government of India may be so informed.

A draft Telegram is submitted.
