Dear Mr. Madhava Menon,

2
D. B. S. S. I.,
The authorities of the
Lady Wellington Training
(girls) School have refused
to open a Telugu class
even though there are
14 girls in IV form.
Their argument is that
they want 6 months
notice. Mr. Sambhu
Prasad's daughter is one
among 14. Can you
talk to the D.P.G. about this

MINISTER OF EDUCATION

DIRECTOR OF PUBLIC INSTRUCTION,

Dear Sir,

7 - JUL 1949

With reference to the representation made to

51524
you by Mr. Sarma of the Andhra Patrike, I wish to
inform you that according to the report of the
Principal of the Lady Willingdon Training College,
only 11 Telugu girls have sought admission into
Form IV from other schools who received their educa-
tion in the III Form through the medium of Telugu.
As regards the 3 girls who have been promoted to
Form IV, it will be seen that they are likely to
join the English medium section unless they are now
compelled to join the Telugu Section if one is opened.

Even otherwise, the strength would only be 14. If,
however, you desire that a separate Telugu section
may be formed in the school I shall make the necessary
arrangements.

Yours sincerely,

Sir,
Roc.No.1027 K2/49 dated 16-7-1949.

Sub: Lady Willingdon Training College - High School
Department - Opening of a parallel section in
Form IV with Telugu medium.

Ref: Government Telephonic message dated 9-7-1949 and
my reply 11-7-1949.

I now find that it will not be possible for one L.T. Assistant to manage the entire work of the new section to be opened and in order to give relief to her another assistant is quite essential. As a secondary grade teacher cannot handle Form IV, I would suggest that one of the posts of secondary grade teachers(Telugu) in the school be converted into that of a L.T. Assistant. With this arrangement there will be no need to have another Assistant when a Telugu section in Form V is opened in June 1950, but it will be sufficient if the secondary grade teachers' Post is restored. I therefore request that Government may kindly sanction the temporary conversion of one of the posts of secondary grade teachers into that of a school assistant besides the post of school assistant asked for in my Telephonic Message dated 11-7-1949.

2) In regard to accommodation, I ~~write~~ ^{invite} attention to the report of the Principal dated 28-6-1949 a copy of which was sent to the Honourable Minister for Education along with my D.O. dated 28-6-1949. The opening of a Telugu section in Form IV in the current year involves the opening of Forms V and VI in the succeeding years and while accommodation for Form IV could be found with difficulty this year, it may not be possible to have forms V and VI without extra accommodation. I am asking the Principal to submit proposals for the provision of additional class rooms and shall submit them on receipt for favour of urgent sanction.

Yours faithfully,

K. S. S. S. S. S.
