Re.48231/48.E.

Dated. 5-7-1949.

Sir,

Sub:-Stationery - Flat File cases to the Cooperative
Department - Revision of the scale of supply - requested.

Ref:-1. Government Memorandum No.5946-3.C.2, Educa-
tion, and Public Health Department, dated
14-3-1949.
2. My Rc. No.48231/48.E, dated 22-1-1949.

In my letter 2nd cited, I requested Government, report-
ing reasons for increase of work in my office, to accord sanc-
tion for an additional supply of 1200 ordinary and 300 urgent
flat file cases and thereby bring the sanctioned scale for
flat file cases for my office to 5000 ordinary and 1900 urgent
as against the scale of 3800 ordinary and 1600 urgent flat file
cases sanctioned in G.O.Ms. 1696, Education and Public Health
Department dated 6-7-1948. In reply to my letter Government
communicated to me a copy of letter No.D.I.1965/49, dated 17-2-49
of the Superintendent of Stationery, Madras. In his letter,
the Superintendent of Stationery, has stated that it was only
six months since additional supply of flat file cases was
made to my office and that I did not furnish any statistics
in support of my proposal. He also wanted to know how much
of the increase in work was of a permanent nature and suggested that
I might apply for additional supply of flat file cases after
one year with full figures in support of my proposal.

I furnish below the statistics in respect of currents
received during 47-48, and 49(upto the end of May). It will
be seen from the statistics that the work in my office has
greatly increased from year to year, and that the need for
the supply of additional flat file cases is justified.

S.No.	Year.	No. of currents received.
1	1947	39,790
2	1948	1,25,578
3	1949(upto 31-5-49).	73,958

Since July 1948 the date of last sanction of additional supply,
there has been considerable increase in the activities under-
taken by the Cooperative Department resulting in increase of
work and consequent sanction of additional staff. The entire
ameliorative staff was transferred to my Department with effect
from 15-10-1948. The ameliorative branch (Prohibition) con-
sists of 6 Junior Inspectors, 4 Lower Division Clerks, 4 Supe-
rintendents, one Manager and 1 camp clerk working under the
control of the Deputy Commissioner of Prohibition (Amelioration)
and Joint Registrar of Cooperative Societies. Besides, the
following staff have since been sanctioned and are working
under my control.

- 1 Deputy Registrar,, 1 Cooperative Sub-Registrar,
2 Senior Inspectors, 1 Lower Division Clerk for
housing schemes.

II. Provincial Palm Gur Organiser and a clerk attached to the Amelioration section.

The average number of currents pending at the end of the last five months is 7477 while the sanctioned number of flat file cases both ordinary and urgent is 5400. In order to meet the increase, I requested for the additional supply of 1200 ordinary and 300 urgent cases bringing the sanctioned scale for flat file cases for my office to 5000 ordinary and 1900 urgent cases. I request Government kindly to sanction this additional supply, request.
