Sir,

Sub:--Building--Rented--Office of the Inspectress of
Anglo-Indian Schools--Improvements to electrical
installations.

Ref:--G.O.No.2949 Education dated 23-11-48

Government in their order referred to above sanctioned an expenditure not exceeding Rs.550/- on improvements and additions to the electrical installations in the rented building occupied by the Offices of the Inspectress of Anglo Indian Schools to the Inspectress of Girls Schools, III Circle, Madras.

2) The Inspectress of Anglo-Indian Schools reports that the actual expenditure came to Rs.672/- as detailed below:

Value of material taken for the work	Rs.135-7-0
Cost of work done by the Contractor	
Messrs. Kallasee Brothers, Madras	454-0-0
Centage Charges at 14%	83-0-0
Total	672-7-0

Inspite of this it is reported that certain essential repairs could not be carried out last year for want of funds. Some of the old light points are not yet provided with bulbs and shades and the two fans in the two officers rooms are out of order and require repairs. A sum of Rs.125/- is required for providing the extra bulbs and shades and for repairing the two fans.

3) ~~That~~ I request that Government may be pleased to sanction an expenditure not exceeding Rs.125/- during the current year on the above electrical repairs. I also request that Government may approve the action of the Inspectress in having incurred an expenditure of Rs.672/- last year on electrical repairs as against the sanctioned expenditure of Rs.550/-

Yours faithfully,

K. S. S. S. S. S.
