From
The Joint Director of Public Instruction,
Madras.

To The Secretary to Government,
Education and Public Health Department,
Madras.

P1.No.4 A1/49-50 dated 10-8-1949.

Sir, Sub: Budget - Estimates relating to the years 1949-50 and
1950-51 - Preparation and submission to Government.

61696

The Budget Estimate for 1950-51 and the Revised Estimate for
1949-50 of this Department under several sub-heads of appropriations
are due with the Government in the Finance as well as in the Education
and Public Health Departments in batches from 20-10-49 to 10-11-49
with necessary statements and annexures.

2. Consequent on the rapid expansion of the Department as a
whole, the Budget work has not only increased in volume out of all
recognition in recent years but has also become very complicated due
to the opening of several new sub-heads of appropriations such as the
"Basic Education" "Post-war" "Charges on the Madras Public Libraries
Act" "National Cadet Corps" "Schools for Defectives" etc. and the
maintenance of separate accounts for (1) Officers and (2) for estab-
lishments in respect of allowances also. The re-arrangement of sub-
heads of appropriations in the Budget, with reference to the recom-
mendations of Retrenchment Committee has also contributed to the
increase in the work.

The Budget work this year especially requires careful and
special attention as the lumpsum deductions made in the current year's
Budget Estimate to give effect to the proposals of the Retrenchment
Committee, have to be watched and the estimates prepared in accordance
with the present policy of the Government regarding economy in expendi-
ture. Besides, the estimates relating to the National Cadet Corps
have also to be framed and submitted to Government by this Department
with reference to the orders issued in G.O.1997 Edn., dated 22-6-49.
The following figures will also give an idea of the increase in the
volume of budget work in recent years.

Budget Estimate for 1946-47	Rs. 6,58,96,800
Budget Estimate for 1947-48	Rs. 6,99,62,900
Budget Estimate for 1948-49	Rs. 8,20,42,900
Budget Estimate for 1949-50	Rs. 9,38,93,200

At present there are two clerks in charge of the Budget work
in my office. In view of the all round increase in the Budget work
it will not be possible for the present staff to submit the estimates
to Government in time, and it is therefore quite essential that addi-
tional help should be given to the section atleast during the Budget
season.

In the circumstances, I request that the Government may be
pleased to sanction the employment of a temporary Lower Division Clerk
for a period of three months from 1st September to 30th November 1949.

As the work has to be commenced on 1st September, I request
very early orders of the Government in the matter.

Yours faithfully,

[Signature]

Joint Director of Public Instruction.

KHR.11-8.
