Subj: Basic Education - Increase in the rate
of stipends to the trainees in the Basic
Training School, Saidapet.

Ref: From the D.P.I. No. 308-M/48 dt 6.8.48

The D.P.I. is informed that
even if an increase in the rate
of stipends is sanctioned to
trainees in the Basic
Training School at Saidapet,
the increase need not
be made applicable to
trainees in other Basic

Assuming that an increase in the
stipend ^{will be sanctioned} should be given to the trainees in
the Basic Training School at Saidapet in view of its being located within the city limits.

D.P.I. is requested to report

- (1) the ^{rate to which} increase in the stipend should be made
- (2) the extra cost to Govt if the increased rate is approved and

Sir,

Subject:- Basic Education -- Stipends to candidates
undergoing training in Training institu-
tions.

please

please

As stated in my letter Roc.No.308 M/48 dated 29-11-1948,
it is my intention that enhanced stipends should be given to
the trainees both secondary and Higher Elementary in Basic Training
Schools and not to the trainees in ordinary Training Schools.
Since residence is compulsory in Basic Training Schools and since
Elementary and Secondary Grade Trainees have to live together
and use the same common mess, the stipends given should be uniform
in all the Basic Training Schools.

2. In case the stipends are raised to Rs.20/- to the trainees
in Basic Training School from 1-1-1949, the extra cost for
3 months during 1948-49 will be Rs.7,900/-. The extra cost during
coming years when more Basic Training Schools will be started
will be greater and the actual amount will depend upon the number
of schools taken up for conversion from year to year. If funds
permit, the enhanced rate of stipends for trainees in Basic
Training Schools may kindly be sanctioned.

Yours faithfully

CNO 60549. From the D.P.I. No. 308 M/48 dated 6.8.48
Representation from the Students undergoing training in the Basic Training Schools, Teachers' College Saidapet for payment of stipends at an increased rate.

picf

picf

The students undergoing training in the Basic Training School, Saidapet, have represented to Govt that they are not able to maintain themselves within the stipend of Rs 18/- p.m. due to the abnormal prices of commodities & also due to the fact that their school is situated within the city limits where the cost of living is much more than in other areas. They have requested therefore that the rate of the stipend should be increased. The D.P.I. has recommended the request but has stated that an increase in the stipend if ordered, ^{may have to} ~~should be~~ made applicable to ^{teachers in other schools} ~~all the~~ training schools. Submitted that ^{as} the cost of living ^{in the city} is much more than what it is in other areas, the request of the trainees for an increase in the stipend seems reasonable. Before the question is examined further, it seems desirable to obtain ^{from} ~~the~~ D.P.I. as to (1) what the increase should be; (2) ^{what} ~~the~~ extra cost to Govt ^{will be} on account of the increase if sanctioned; (3) whether or not the increase should be sanctioned to ^{candidates trained in the} ~~the~~ ordinary training schools within the city.

Any increase sanctioned will be applicable only to those who are receiving training in the city. The point also arises whether the stipend to candidates undergoing training in the city should also be revised.

[Issued memo no. 60549-B2/48 Edu. 4.2.48] P.T.C.F.

From the D.P.I. no. 328M/48 dt 29.11.48 & 24/12/48

One Director has reported that if the rate of stipend is raised to Rs 30/- p.m to each trainee the addl expenditure on stipends will be Rs 7800/- in respect of the Basic Training School Saidapet alone & Rs 98200/- in respect of all the training schools (both basic and non basic) in the city. He considers that once an increase in the stipend is sanctioned it should apply to all the trainees both of the secondary and elementary grades, both in the city and mofussil areas. He has therefore recommended that the stipend may be increased by Rs 2/- p.m subject to funds being available to meet the additional expd.

The D.P.I. has stated that ~~it is presumed that~~ the increase proposed is only in regard to teachers receiving basic training. Submitted there are about 900 teachers undergoing training at present in the basic training schools and an increase of Rs 2/- in the stipend by Rs 2/- will involve in an addl expenditure of Rs 21600/- p.a. ~~the expenditure in future years~~ ~~for orders whether the~~ ~~will depend on the number of training schools to be~~ ~~proposed by the D.P.I. should be accepted.~~ ~~started in next year~~

2. However it may be pointed out that

As basic training schools are residential schools by nature even a small increase in the stipend will enable the teachers to run the common mess on a better scale & be better fed. The main plea in the representation of the trainees of the Basic Training School, Saidapet, is that the present stipend of Rs 18/- p.m is not sufficient to maintain themselves though a common mess is run.

11/1

In this regard, it is felt that the trainees in training schools should be made to make their own mess but will be free to take their own mess.

3-11-48 9

3. The following two points ^{arise} in this connection

- (1) whether an increase in the stipend should be given to the trainees in the city alone or the ~~ground~~ ~~that~~ ~~cost~~ ~~of~~ ~~living~~ ~~in~~ ~~the~~ ~~city~~ ~~is~~ ~~greater~~ ~~than~~ ~~in~~ ~~the~~ ~~mofussil~~ ~~areas~~
- (2) whether the increase should be for all trainees in the basic training schools in the city and mofussil areas

(1) above. The D.P.I. has reported that there is no case for giving a preferential ~~treatment~~ ~~to~~ the trainees in the city alone

(2) above: One D.P.I. has recommended an increase by Rs 2/- in the stipend for all the trainees which, as already stated, will involve in an addl expenditure of Rs 21600/- per annum. It is urged on submitted for orders (1) whether an increase in the stipend should be sanctioned (2) if so what it should be and (3) whether it should be for all the trainees in basic training schools

4. Fin Dept. may see for remarks before circulation

31/1/49 S
This is by ~~the~~ ~~Director~~ ~~of~~ ~~the~~ ~~Basic~~ ~~Training~~ ~~Schools~~ ~~and~~ ~~other~~ ~~schools~~ ~~in~~ ~~the~~ ~~city~~ ~~and~~ ~~mofussil~~ ~~areas~~. An increase of 2/- is ~~proposed~~ ~~for~~ ~~all~~ ~~the~~ ~~trainees~~ ~~in~~ ~~the~~ ~~city~~ ~~and~~ ~~mofussil~~ ~~areas~~. The cost of the mess is ~~considerable~~. The present proposal ~~is~~ ~~not~~ ~~to~~ ~~be~~ ~~considered~~.

C. No. 60549

The proposal in the file is whether the teachers undergoing training in Basic education should be granted stipends at increased rates (i.e. Rs. 20/- instead of Rs. 18/- a month). The extra cost on account of the proposal has been estimated by the D.P.G. as Rs. 21,600/- ~~per~~ ^{P.A.} ~~month~~ ^{the year} has been recorded in the file that there is no need to increase the rate. The Finance Department concurs in this view. For orders whether the D.P.G.'s proposal may be negatived. The file may be circulated to H.M. (Education).
