Sir,

I have the honour to state that, in connection with the examinations of the School and College of Indian Medicine, Sri S. Lakshminarayanan, Lecturer, Government Victoria College, Palghat and an examiner had to travel from his native place (Kodimangalam, Tanjore District) where he was availing of the summer vacation, to Madras in connection with the conduct of the oral examinations at Madras. As he has claimed travelling allowance for the journey performed by him from his native place to Madras and back, I request that Government may be pleased to sanction the payment of travelling allowance from his native place instead of from his headquarters.

In this connection, attention is invited to paragraph 2 of G.O.Ms.No.472, Education, dated 10th March 1948.
