Ref; Report of the Revenue Divisional Officer, CheranMahadevi H.17187/49 dated 8-11-49.

I forward herewith the report of the Revenue Divisional Officer, CheranMahadevi cited above, with a copy of G.O.No.2656 (Education) dated 25-8-49 and the list of furniture and other equipments belonging to the King George Elementary School, Singampatti. In virtue of this Government Order, I solicit orders whether the School with the equipments may be handed over to the District Board, Tirunelveli immediately as requested by the Deputy Inspector of Schools, Ambasamudram Range.

2. The Revenue Divisional Officer CheranMahadevi feels that it may not be convenient to hand over the school building to the third party, as it lies within the palace compound and suggests that the Education Department may be asked to have the school located outside the palace compound at least after some more time. I endorse his suggestion.

Ref; 1. Court of Wards C.P.Rt.No.198 dated 25-9-48.
2. Collector's A11. 7612-49 dated 1-9-48.

In its reference cited above, the Court of Wards has directed that the management of the King George Elementary School may be transferred to the District Board after the abolition of the Zamindari. Now the Government in G.O.No.2656 Education dated 25-8-49 (copy enclosed) have directed that the School may be transferred with the buildings, equipment and staff to the management of the District Board. The Deputy Inspector of schools Kallidaikurichi Range requests that the school buildings with the equipments may be handed over to the District Board, Tirunelveli immediately.

I submit herewith a list showing the measurements of the school buildings with its four boundaries, and other equipments of the school. I solicit orders whether the school buildings with the furniture mentioned in the list may be handed over to the District Board immediately as requested by the Deputy Inspector of Schools. In this connection, I submit that the building lies within the Premises (compound) of the palace itself and it may not be convenient to hand it over to the third parties. As the school also was till now in charge of the Zamindar no difficulty was experienced in the matter. This fact was also noticed by the commissioner of Abolition of Estates at the time of his visit. In the circumstances it is for consideration whether the Education Department may be asked to have the school located outside the compound at least after some more time.

Elementary Schools in Zamindaries - Transfer of management to local bodies.

In November last the D.P.I. reported that as many as 17 ele. schools were being maintained by the Zamindars with the help of grants from Provincial funds. As the Govt. undertook legislation to abolish the Zamindari system, he suggested that the elementary schools might be handed over to the local bodies having jurisdiction over the Estates. The expenditure incurred on the schools by the estates together with the grants paid from the Provincial funds should, according to the Director, be made available to the local body as subsidy for the maintenance of the schools. The Director was asked to furnish further information in regard to the 17 schools in June 1948. Complete particulars have been furnished by the Director in respect of the 17 schools. These are tabulated in the statement ~~below~~ on p.2 c.f. It will be seen that ~~eight~~ seven schools will be maintained by the Zamindars or other private agencies even after the Zamindari system is abolished (Item No. 3, 5, 8, 11, ~~13~~, 13, 14, & 15 ~~and 16~~ in the statement.) on p.2 c.f. 2 The question arises whether the remaining nine schools which will not be maintained by the Zamindars may be transferred to the management of the local bodies having jurisdiction over the estates and whether they may be given as subsidies the grants hitherto paid to the Zamindars for the maintenance of the schools. There will be no extra expenditure on this account to Provl. funds. The ~~surplus~~ subsidy payable are indicated in col. 2 of the statement at (A) As regards ⊗ of the local bodies the buildings & equipment & belonging to the schools may

asked for by the local bodies concerned as indicated in column 3 of the statement at Ⓐ. It is not known whether the local bodies will not be able to maintain the schools without an additional subsidy. In August 1949 the Govt. issued orders sanctioning the transfer of 9 schools maintained by Zamindars to local bodies having jurisdiction over the schools. They also promised subsidies to local bodies towards the cost of maintenance to the schools transferred. The D.P.I. was asked to submit a report on the matter in due course.

2 Of the 9 schools covered by the Govt. Order ~~in~~ of August 1949, the school in Chittoor Dt. has been taken over by the Dt. Bd.

p. 7 c.f

The school at Nuzvid in Krishna Dt. and the 3 schools ~~xx~~viz., (Navaneetham Girls School, Veerakehalampudur, King George Elementary School, Singampatti, R.B. School, Urkad) in Tinnevelly Dt. have ~~been~~ not yet been taken over by local bodies as the Zamindari Legislation has not yet been extended to the two districts.

p. 13 c.f

In the case of two schools in Ramnad Dt. the D.P.I. reports that the Rajah Saheb of Sivaganga has decided to continue the two schools under his management. In the circumstances the orders regarding the transfer of institutions to the Dt. Bd~~s~~. may be modified.

p. 7 g

In the case of the school at Vizianagaram the transfer has not so far been effected on account of the absence of the Rajah away from India. It was stated that he might come back in May. The Director may be consulted whether any further action was taken in regard to the transfer.

p. 14 g

The Zamindar of Doddapanaic~~ken~~ur has, it is stated, addressed the Govt. in regard to the transfer. No communication has so far been recd. in this Dept. Presumably the matter is pending with the Bd. of Rev. The Board may be asked to report the stage ~~in~~ of the matter.

p. 1 g

3. Please see the communication from the Court of Wards on page 1 c.f. ~~The~~ question has been raised in the letter whether the building of ~~the~~ school ~~at~~ Singampatti should be handed over to the Dt. Bd. in accordance with the G.O. at flag (g). In view of the difficulty pointed out on page 8 c.f. there is no need to transfer ~~to~~ the building to the Dt. Bd. Attention is invited to para 2 of the D.P.I.'s letter on page 13 c.f. from which it will be seen that the Zamindari Legislation has not yet been brought into force in the Tinnevelly Dt. ~~It~~ There is therefore no urgency for orders in regard to the transfer of the building

In para 2 of the G.O. cited it was ordered that the Schools in the Zamindari areas were to be taken over by the local bodies concerned soon after the Zamindari legislation was brought into force. It is understood from the Collector of Tirunelveli that the Zamindari legislation has not yet come into force in that district. But it is reported that the President, District Board, Tirunelveli, is pressing for permission for taking over the management of the three Zamin School, Viz.(1)Navaneetham Girls' Elementary School, Veerakeralampudur, (2) King George Elementary School, Sinagampatti, and (3) R.A. I therefore recommend that the District Board, Tirunelveli, may be permitted to take over the schools even before the coming into force of the Zamindari legislation in that District.

My letter Rc.No.2471 B7/48 dated 27-6-50.

In continuation of para 3 of my letter second cited I am to report that the Zamindar of Doddappanaickanur (Mathurai District) has not yet handed over his school to the Mathurai District Board as ordered in the G.O. cited. It would appear that to an enquiry from the President, District Board, the Zamindar replied in his letter dated 23-2-50 that he was addressing the Government regarding the payment of cost of furniture, buildings and other equipment of the school. It is not reported what happened since. The latest report from the District Educational Officer, Mathurai, shows that since February '50 the Zamindar has not sent any reply to the enquiries of the President, District Board. I therefore request the Government to direct the Zamindar to hand over the school with buildings, furniture and equipment to the Mathurai District Board from a specified date.

Sub:-Education-Elementary-Aided Schools run by ex-Zamindars-Madurai District-Zamin Elementary school, Doddappanaickenur-Transfer of Management-

---

Ref:-Government Memo.No.1738 C/51-1-Edn.dated 7-2-51.

It is reported that the Zamindar manager of the school is not evincing adequate interest in the running of the school. It is stated that in spite of many references and reminders, he has not cared to reply to the Deputy Inspector's communications. The condition of the school is reported to be also very unsatisfactory. The teachers are not regularly paid. Deposits of contributions to the Teachers' Provident Fund are invariably belated. The school has not been supplied with adequate equipment and appliances. The roof of the school house has given way but the management has paid no heed to the request of the department to have it repaired. In the circumstances, the District Educational Officer, proposes to withdraw the recognition of the school from 1-6-51. He reports that the educational needs of the locality can be adequately served by the local Board school. I therefore suggest that the question of the transfer of the Zamin school to the District Board may be dropped.
