G.O. No. 2663, 23rd August 1949

Rules—Local bodies—Appointment of teachers in schools—Abolition of distinction between boys' and girls' schools—Draft amendments—Published.

READ—the following papers :—

G.O. No. 1192, Education, dated 28th June 1940.

G.O. No. 3065, Education, dated 3rd December 1948.

From the Director of Public Instruction, No. 429-B/49, dated 25th March 1949, and No. 3098-B-2/48, dated 4th June 1949.

Order—No. 2663, Education, dated 23rd August 1949.

The Government have abolished distinction hitherto maintained between elementary schools for boys and girls and have ordered the amalgamation of elementary schools for girls with those for boys in all localities. They have also ordered the amalgamation of boys' and girls' range of the subordinate inspecting agency. These changes necessitate an amendment to the rules to appointments of teachers in schools under local bodies. The draft amendments to the rules submitted by the Director of Public Instruction are approved.

2. The question has been raised whether in this connexion senior women teachers may be appointed as head teachers of boys' schools and vice versa. Local bodies are informed that there is no objection to such appointments being made.

3. The appended notification will be published in the *Fort St. George Gazette.*

No. B.2.-Roc.6845/48 dated 4th Oct., 1948.

Sir,

Sub: ELEMENTARY EDUCATION - Local Bodies - Maintenance of one seniority list for men and women teachers.

p. 202(F)

Ref: Memorandum No.64431-B.2.-Edn. dated 10-9-1948 of Government in the Education and Public Health Department.

-o-

It has been ordered in the above memorandum of Government that one seniority list should be maintained for all teachers under Municipal Councils including women teachers. The following difficulties arising out of the order may kindly be considered and instructions issued for guidance.

1. Municipalities are running separate schools for girls and boys and in girls schools women teachers are employed. It is not the practice to appoint male teachers to these schools. Even in mixed schools i.e. where girls and boys are admitted men teachers are employed. Women teachers are appointed exclusively to girls' schools. In view of the recent amalgamation of the men and women ranges in the inspectorate section of the Education Department the girls' Elementary schools have also come under the District Educational Officer and Deputy Inspector of Schools(Men) and hence I may be informed if both men and women teachers can be employed in any school and this position also arises in view of the orders cited above. If a vacancy in girls school arises and if the senior in the probationer's list is a male teacher it follows that he should be appointed to the vacancy which was not the case hitherto. When separate lists for men and women teachers were maintained the senior male teacher in the list of probationers was appointed to the boys' school when a vacancy arose and similarly in the case of girls schools.

P.T.O.

~~2~~

9 ~~4~~

2. If it is the view of Government that the senior probationer whether it be a man or woman teacher is to be appointed irrespective of the kind of school another difficulty arises. For example if a men teacher is senior in the list and if a vacancy should arise in a Girls' school where there are women teachers only as per the above orders of Government he should be straight away appointed to the vacancy. Generally probationers in the waiting list are young men below 30 and in case he should be appointed it goes against the rules relating to the appointment of teachers in elementary schools for girls as no male teacher less than 30 years of age can be appointed or transferred to a girls school.

'A' vide our 2 of Ⓐ

3. Now that men and women ranges have been amalgamated can males teachers be transferred to girls school and vice versa as in case the probationer who is to be appointed is less than 30 years old, another teacher older in age has to be appointed by transfer only.

I request instructions on the above points.

Sub:-Education - Elementary - Local Bodies - Maintenance of one seniority list for man and women teachers- clarification - requesting.

Ref:-Government Memorandum No.64431-B2 Education dated 10--9--1948.

(E)

With reference to the Government Memorandum quoted above, I solicit the favour of kind clarification on the following points.

As per instructions contained in Statutory Rules issued under the Madras Local Boards, Act, under Rules relating to appointments of teachers in schools, it has been laid down that "No man shall be eligible for appointment or transfer to a Girls' School as teacher unless he is over 30 years of age".

'A' at p.2 of (P).

The maintenance of a Single Seniority list for men and women teachers necessitates absorbtion of probationers by appointing them in the order of seniority.

It may not be possible to abide by the conditions of age of men teachers to be appointed in Girls Schools as per existing orders, as some of the senior probationers may have to be left out so as to select a woman teacher or a male teacher with the requisite age for appointment in a vacancy occurring in a Girls School.

I, therefore, solicit the favour of kind orders of the Government, whether the conditions laid down regarding age of

With reference to paragraph 1 of the Government Memorandum I am to state that in so far as it relates to the Secondary Schools the question of deleting rule 3 of G.O.No.1192 Edn. dated 28-6-40 cannot be considered till the restriction imposed on the admission of girl pupils in boys schools and vice versa Vide rule 83 Madras Educational Rule, is removed in the case of Secondary Schools. So long as this rule in the Madras Educational Rules stands unaltered, the deletion of rule 3 of the G.O. in the case of Secondary Schools does not arise.

GO 2633 2? Aug

With reference to H.M's minute above it is submitted that the G.O. on the previous page contains certain amendments to the Rules relating to the appointment of teachers in schools under Local bodies consequent on the removal of the distinction between boys ~~schools~~ and girls elementary schools. The Director has ~~confirmed~~ confined his amendments only to Ele. schools. He has not proposed any amendment affecting Secy. schools having regard to Rule 33 of the M.E.R. which imposes certain restrictions on the admission of girls in High schools for boys. If the intention of ~~H.M.~~ H.M is that the distinction between boys schools and girls schools may be abolished even at the Secy. stage, Rule 33 of the M.E.R. may have to be amended first.
