Station MADRAS, Dated the 28th May 19 47.

From (Name) Dr. S.R.N. Savor, M.A., D.Sc., I.E.S.,
(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

With reference to Government memo No. 41049/47-1 Edn. dated 20.5.47, I have the honour to submit the information as required by L.O. question No.23 so far as it is available.

Only 224 schools with a total strength of 8,026 pupils were returned during the year 1945-46 as private unrecognised institutions. As the department has no control over these institutions, the figures are by no means exhaustive and there may be many more such institutions working in the Presidency. It is not possible to say how many of these institutions come under the classification "Gurukulas".

2. The students of the Schools which are unrecognised cannot appear for the S.S.L.C. or other examinations of that standard.

3. For the S.S.L.C. European High School, Elementary School Leaving Certificate Examinations, Candidates must appear for the first time only through a recognised school.
