Number of girls' hostels in the Province.

* 187 Q.—SRI A. VEDARATNAM PILLAI: Will the Hon. the Minister for Education be pleased to state—

(a) how many girls' hostels are there in the Province attached to schools and colleges;

(b) whether any boarding grants are given by the Government to these hostels; and

(c) what is the number of girls who live in these hostels?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) 272 including boarding homes for destitute pupils.

“(b) Boarding grants are not paid to all hostels. Such grants are paid only to those boarding homes for destitute pupils which satisfy the conditions laid down in Chapter XI of the Grant-in-Aid Code.

“(c) About 19,000.”

SRI A. VEDARATNAM PILLAI:—“Will the Hon. Minister be pleased to state at what rate the Government are giving grants per head, Sir?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“The grants are paid only to orphanages where there are destitute children and for other hostels no grants are made. If the hon. Member wants information about grants paid to

12.3.48

[18th March 1948]

destitute children, I think it does not exceed Rs. 8 per child. If he wants more information he may put a separate question on it.”

SRI B. S. MURTHI:—“Is it a fact, Sir, that destitute children belonging to the European community are paid four to five times more than the amount paid to Indian destitute children?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“It is not four to five times, Sir, but it is nearly double.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I know, Sir, how many girls' hostels have been opened and how many have been closed down during the past year?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I think the hon. Member may put a separate question on the subject.”

SRI B. S. MURTHI:—“Will the Government consider the desirability of treating all the destitute children, whether Indian or European, on an equal footing?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“There is this difficulty in it, Sir. I understand that the Minorities Sub-Committee of the Constituent Assembly which considered this question has decided that for 10 years more the concession shown to Anglo-Indians may continue. In view of this recommendation, I am afraid, it will be difficult for Government to take any action in the matter immediately.”

SRI V. RAGHAVAYYA:—“May I know, Sir, if these hostel grants are not available to many aboriginal children because they are not able to satisfy the requirements of age and the class above which alone they are eligible to these grants?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“Sir, the aboriginal people are, I think, given more concessions than others. If the hon. Member wants more information on it, he may put a separate question on the subject.”

SRI V. RAGHAVAYYA:—“Sir, since those children are below a particular age and that those who have passed the fourth standard alone are entitled to these scholarships and since most of these aboriginal children have no education and therefore unable to satisfy these conditions, may I know if the Government are prepared to waive some of these limitations in regard to these aboriginals?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I believe, Sir, already certain concessions are being allowed to these people. If the hon. Member wants more concessions to be given to these people, the hon. Member may put a separate question and I will try to answer him.”

SRI D. V. RAMASWAMI:—“Sir, arising out of the answer of the Hon. Minister to clause (a), may I ask whether the hostel accommodation is commensurate with the number of applications received from the pupils?”

18th March 1948]

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Sir, I believe, we are a growing race and in regard to education, demands are increasing every day and the number of hostels also are, I believe, increasing every year.”

SRI M. S. PATTABHIRAMIAH:—“May I know, Sir, if the grants are given to institutions run by Non-Christian organizations; if not, will they give such grants to Hindu institutions if they run such institutions hereafter?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

Certainly, Sir; the grants are for all communities; if I may give information on the subject of the 283 orphanages in the year 1946-47, 33 are Hindu institutions, 14 Muslim and 256 are Christian-managed institutions.”

SRI S. NAGAPPA:—“May I know whether it is a fact that Anglo-Indian children are being given double the grant given to others?”

MR. SPEAKER:—“The Hon. Minister has already answered that question.”

SRI B. S. MURTHI:—“Is it desirable to make the Indian destitute children feel even at a time when this country is free that they are inferior to European and Anglo-Indian children; in view of this, will Government consider the desirability of increasing the grant given to Indian children so that no disparity will be felt by them?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I am afraid that cannot be done. In view of the provision in the draft Constitution that their concessions should continue, though it has not been ratified by the Constituent Assembly. I am afraid, the Government are unable to do anything in the matter.”

The L.A. Qn at p 1 of was answered in the Assembly vide copy of the proceedings at pp 2-4 ante. No further action, is called for on the question. The papers may be
