It is not clear whether the new item proposed to be inserted in both the draft notifications in draft II refers only to Librarians in public libraries and not to Librarians, Secondary schools. If this is the intention, it should be made clear and the entry "Librarians in Secondary schools" placed under the heading "Posts in Inferior Service." If, on the other hand, the new item is intended to refer to all Librarians, the new item may simply be "Librarians".
 Subject to the above remark, the alterations indicated in red ink on the draft ~~rules~~ notifications may be made.
