In G.O. cited, Government sanctioned the payment of stipends at the rate of Rs.50/- per mensem to the candidates who were recruited by the Madras Public Service Commission for appointment as School Assistants and who were deputed for B.T. or B.Ed. training during 1949-50. Subsequently, Sri A.V.V. Narasinga Rao has been selected by the Commission for appointment as School Assistant. Please see the letter from the Secretary, Public Service Commission, Madras No.7862-G1/48-29 dated 1-9-1949 (Copy enclosed).

norms

(2) Pending his deputation for B.Ed. training Sri Narasinga Rao was appointed on 25-9-1949 to officiate as School Assistant, Government Training School, Bimlipatam under emergency provisions in the Rules, and joined the appointment on 3-10-1949. Subseqnently, it was brought to my notice that at the time when he joined the appoint~~ed in~~ment Government Training School, Bimlipatam, he was actually undergoing the B.Ed. course in the Government Training College, Rajahmundry and he was ordered to re-join the B.Ed. course, which he did on 17-10-1949. Please see here the report Rc.No.566-C/49 dated 16-12-1949 of the Principal, Government Training College, Rajahmundry addressed to the Registrar, University of Madras (Copy enclosed). The Registrar has written to say that the period of break in the students attendance would be treated as period of absence, and that application for condonation of shortage in attendance might be made at the end of the year.

(3) In the circumstances, I recommend that Govrnment may be pleased to sanction payment of stipend at the rate of Rs.50/- per mensem on behalf of Sri A.V.V. Narasinga Rao with effect from 1-9-1949, the date on which the Commission communicated his name for inclusion in the approved list.

Yours faithfully,

Copy of Letter dated 13-9-1949 from Sri A. Krishnamoorthy, B.A., Government School Assistant (under Training) Student of the B.T. Class, Cl Teachers' College, Saidapet to the Director of Public Instruction, Madras.

Ref: (1) C.No.3571-C4/48 dated 18-11-1949 and 3-5-1949.
(2) Roc.No.615-C4/49 dated 20-8-1949.

5

I beg to bring the following to your notice for consideration and necessary orders in regard to the treatment of the period of my undergoing Teachers Training.

I was selected by the Madras Public Service Commission for appointment as School Assistant after successfully posted as school Assistant. Government Training School, Kurnool even before deputing me for such courses of training. As such the direct recruitment is only against a substantive vacancy in the permanent cadre and not a temporary one.

I therefore submit that my services from the date of my initial appointment (i.e.,) 30th November 1948) may be regularised and the period of my training at the Teachers' College considered as a part of my regular active service since my original entertainment was even prior to the prescribed training contrary to the comtemplations of the Service Commission as expressed in the Information for candidates supplied ~~text~~ by the Commission while inviting applications for the said posts.

I may here point out that when I was deputed for undergoing the Deputy Inspector's administrative training the period was considered as a part of my service and regular salary was paid to me. (Vide Annexure to the Proceedings of the Director of Public Instruction Roc.No.3571-C4/48 dated 3-5-1949).

Further I am none the gainer for having been recruited a year earlier than those selected in 1949 as the candidates selected in both 1948 and 1949 are deputed together for undergoing the training in 1949-50. In view of this unless a preference is shown to me in the grant of priviledges with regard to the conditions of service I will have to stand on a par with the candidates who are one year junior to me.

This is still further aggravated by the fact that I was not granted Basic Education for my optional subject as the College did not provide training in this subject ~~xxxthexxxxkkexxdidxxxk~~ for non-tamil students and in this I fuffer a serious handicap of having to undergo this afresh in some other training centre at a later stage and thereby becoming junior to my juniors in service.

I, therefore, humbly beg to submit that the periods of my training may be considered as a part of active and continuous service from the date of my initial appointment on 30-11-1948 and salary paid to me instead of stipends as sanctioned in the communication Roc.No. 615-C4/49 dated 20-8-1949 but not actually paid so far, thus making service conditions congenial for me.

Yours faithfully,
Sd. A. Krishnamoorthy.

He had, however, applied to the Madras Public Service Commission for selection as school assistant - Men's Branch, prior to his admission in the B.Ed. class.

6

Having been selected by the Public Service Commission, he received orders from the Director of Public Instruction, Madras, (Vide Proceeding No.under reference) posting him as school assistant, Government Training School, Bimilipatam and asking him to join at once.

Accordingly he was relieved from the B.Ed. course on 29-9-49 A.N. But in Procs. (ii) under feference, he was directed to be relieved from his post at Bimilipatam and rejoin the B.Ed. course in this college. Accordingly he rejoined here on 17-10-1949, just 7 days after the re-opening of the college 9n 10-10-1949 for the second term.

Under the circumstances, I request that the break in his study during the period 30-9-1949 to 16-10-1949 (loss of attendance for 6 working days) be kindly condoned and permission accorded to count towards his attendance for 1949-50, the atendance he put in before the break viz., from 6-7=1949 to 10-9-1949 in the first term in accordance with University Regulations.

I request the favour of early orders as the question of sanction of pay or stipend to him is pending and has to be disposed off soom.

One Sri D.V.Ramachandran, a candidate selected by the Madras Public Service Commission, was deputed to undergo training at Government Training College, Rajahmundry in G.O.Ms. 2708 Education dated 26-8-49, Government authorised the payment of a stipend of Rs. 50/- per mensem to this candidate along with some others.

2. Sri D.V.Ramachandran in his letter dated 10-10-49 (copy enclosed) applied to me that, as he was selected by the Madras Public Service Commission for a post of Assistant inspector of Labour, he might be permitted to to join the new post. The candidate agreed to pay the tuition fees to the college. I authorised the Principal Government Training College, Rajahmundry to accept the payment of tuition fees for the terms at Rs. 54/- per term with reference to rule 115 read with rule 85 of M.E.R. as the candidate's attendance was marked for two terms in the college.

3. The candidate had reported that he had not drawn any stipends sanctioned to him.

4. There is no specific provision in the M.E.R. to collect the tuition fees from the candidates who withdraw in the middle of the course I consider that it is desirable to collect the tuition fees prescribed in the rule 115 of M.E.R. from such of the candidates as the one under reference and I request that Government may be pleased to ratify my action.

In their order quoted above, Government were pleased to sanction the payment of stipends to certain untrained candidates selected by Madras Public Service Commission for School Assistants' posts and deputed for B.T. or B.Ed. training. Since the sanction accorded in the G.O. referred to 1949-50 only, the Principal, Teachers' College, Saidapet has brought to my notice that stipends for March and April 1950 could not be drawn and disbursed for the candidates concerned. I request that Government may be pleased to authorize the payment of stipends for March and April 1950.

2 During this year also untrained candidates selected by the Madras Public Service Commission have to be deputed for B.T. or B.Ed. training. I request that Government may sanction the payment of stipends at Rs.50/- per mensem to each of such untrained candidates deputed for training.

3 I also solicit orders on the following:-

Some of the candidates selected by the Commission have been

appointed under emergency provisions before being deputed for either B.T. Training or Basic Training. I request to be informed whether such candidates may be allowed during the periods of their transit to and from the training institutions, pay equivalent to stipends at Rs.50/- per mensem which they would draw while under training. They may also be allowed travelling allowance for their journeys to and fro, if they are to be paid stipends during the transit period. In the case of Commission candidates directly sent up for Basic Training or B.T. Training, I recommend that they may be allowed transit pay equivalent to the rate of stipends drawn during training period and also transit travelling allowance to join their new posts.

The deputation of Commission candidates for B.T. or B.Ed. training and payment of stipends at the rate of Rs.50/- per mensem was first made only during the academic year 1949-50 - vide G.O. All the 7 (men) commission candidates deputed have not been allowed transit pay either for joining the training colleges or for joining the posts to which they were appointed after completion of their training.

2. In the case of only 4 (men) candidates who were already working as officiating school assistants under 9(a)(i) at the time of their selection by the Commission and who were deputed for training, travelling allowance to join the training college was allowed, and in the case of only one (man) candidate, travelling allowance to join the appointment to which he had been posted after completion of training had been paid.

EDUCATION DEPARTMENT

Sir,

Subject: Payment of transit pay and travelling allowance for Commission candidates deputed for B.T. or B.Ed. training 1949-50 and 1950-51.

(U)/31-32 c.f

Reference: Government Memorandum No.18219-3/50-A Education Dated 18-11-1950 and 18219-6/50-A Education Dated 29--1-1951.

(U)/33-34 c.f

It is presumed that the sanction accorded in the Government Memorandum dated 18-11-1950 for the payment of stipends to Commission Candidates deputed for B.T. or B.Ed. training during 1950-51 covers for the months of March and April 1951 also as the training course and examinations last till about the first week of April 1951. If my presumption is not correct Government may kindly order the payment of stipends to the Commission candidates deputed for training for March and till the date of Examination in April 1951 also at Rs.50/- per mensem to each of them.

(U)/1-2 c.f

2. In my letter R.c. No.615-C.4/49 dated 27-6-1950, I solicited orders of Government on the question of payment of transit pay and transit travelling allowance to Commission candidates deputed

p.t.o.

for B.T. or B.Ed. training from 1949-50 and Government were pleased to issue orders on the same in their Memorandum No. 18219-6/50-A Education dated 29-1-1951. It is reported that when with reference to the above Government Memorandum, the Principal, Lady Willingdon Training College, Madras presented a bill on behalf of two Commission candidates deputed for training, the Accountant-General, Madras returned it unpassed for the reason that the Government Memorandum is not specific as to the admissibility of the claim prior to the date of the above order. Hence I request that Government may be pleased to give effect to the orders issued in the above Government Memorandum from the academic year 1949-50.

Yours faithfully,

p3 (D) In G.O. No. 2708, Edn., dated 26-8-49 the Govt. sanctioned the payment of stipends at the rate of Rs. 50/- p.m. to certain School Assts. recruited by the M.P.S.C. who were ~~have been~~ deputed for B.T. or B.Ed. training during 1949-50.

The D.P.I. has now proposed:

para 1 ppt-14 (D) (1) the payment to the candidates, referred to above of ~~of~~ stipends ~~sanctioned in G.O. No. 2708, Edn., dated 26-8-49~~ for the months of March and April 1950;

para 2 ppt-14 A (2) Continuance of the payment of stipends at Rs. 50/- p.m. to untrained graduates selected for training during this year also (1950-51).

The above proposals may be approved.

para 3 ppt-24 2 He also requests ~~for~~ orders whether the candidates appointed under emergency provisions before being deputed for B.T. or Basic Trg. may be allowed during the period of their transit to and from the trg. institutions, pay equivalent to Rs. 50/- p.m., which they would draw while under training. He also recommends ~~requests~~ the payment of t.a. to them for their journeys to and fro if they are paid stipends during the transit period. It seems only reasonable that the candidates should ~~may~~ be allowed, ~~pay~~ during the period of their transit, pay equivalent to Rs. 50/- p.m. and ~~that they be paid~~ t.a. for their journeys to and fro. He also recommends the payment of transit pay equivalent to the rate of stipends drawn during training period and transit t.a. in the case of candidates directly deputed for B.T. or Basic Trg. This may also be approved.

There seem to be no grounds for granting stipends during the period of transit or t.a. for the candidates. Apparently, the candidates selected in previous years were not allowed these concessions. (The D.P.I. has merely asked for the orders of Govt. & has not made any specific recommendation).

The proposal in the file relates to the payment of transit pay and t.a. to the candidates selected by the M.P.S.C. for school assistants' posts and deputed for training before appointment. Some of the candidates have been appointed under emergency provisions before deputed for training and others have been directly ~~recruited~~ deputed for training. The D.P.I. has recommended that the candidates appointed under emergency provisions and then deputed for training may be allowed transit pay and t.a. to and from the training institutions. He has also recommended that candidates directly deputed for training may be allowed transit pay and t.a. for the journey from the training

centre to the place of appointment.

The following remarks seem called for in this department:-

(1) Candidates appointed under emergency provisions and then deputed for training.

Transit pay:- Under Note (2) to F.R.105, an officer (regular Govt. servant) deputed for training is allowed only the time actually required for the journey between the place of training and the station from which he proceeds and the time so taken is to be treated as part of the period of training. He will draw for the transit period proportionate pay or stipend as the case may be. On this analogy, Fin. may agree to the proposal of the D.P.I. to allow these candidates transit pay to and from the training institutions equivalent to the stipend for the period.

Travelling Allowance:- As these candidates have been appointed under emergency provisions, they will be governed by M.T.A.Rule 98(d). Fin. may suggest that they may be allowed single III class railway fare to and from the training institutions.

(2) Candidates directly deputed for training:-

The recommendations of the D.P.I. to allow the candidates transit pay equivalent to the stipend for the period for the journey from the training institutions to the place of appointment may be agreed to. They may also be allowed single III class railway fare for the journey from the training institutions to the place of appointment. No transit pay or t.a need be allowed to them to join the training institutions.

With the above remarks, the case may be returned to Education.
