Sub: District Board, Tiruchirapalli - Secondary Schools - Sri
T. Doraiswami Pillai Combined drill and drawing
master - Grant of advance increments and fixa-
tion of pay.

REF: Government Endorsement 40713-B1/48-1 Education dated
4--6--1948.

RESUBMITTED.

2. From the service particulars furnished by the Special
Officer with his letter R.C.F.1.4463/48 dated 16--8--1948 (copy
enclosed) it may be observed that the instructor's salary on
1-11-'34 was fixed at Rs.45/- plus Rs.3--8--0 and that he re-
mained on the same salary till 31-12-1946 though he worked as
combined drill and drawing master, drawing master and lastly as
Physical Training Instructor for different periods.

3. Now the technical objection deprives him of four ad-
vance increments in the cadre of drawing masters since he was
appointed as Physical Training Instructor from 14--8--1946 for
administrative convenience and is being continued as such against
the wishes of the instructor in view of copy of his petition en-
closed.

4. In view of what has been explained above and in consi-
deration of the petitioner being no less suited to the post of a
drawing master and also in consideration of the difference in the
revised scales of pay between the two posts; it is recommended
that the appointment of the petitioner as Physical Training Instruc-
tor from 14--8--1946 may be ordered to be regularised in the cadre
of drawing masters & that he may be immediately posted exclusively
as drawing master so as not to involve in any loss of his emolu-
ments in view of his long service as combined drill and drawing
master and as drawing master and that he may thus be allowed four
advance increments in scale of drawing masters.

RE. 4463/F1/48

Forwarded to the Director of Public Instruction in continuation of my RC.12363/F1/47 dated 26-5-1948 addressed to the Government and RC. 4463-F1/48 dated -8-1948 addressed to the Director of Public Instruction, Madras.

Sd. x x x x
for Special Officer,

Copy of petition dated 2-7-1948 of T.Doraiswami Pillai Physical Training Instructor Board High School, Kulipalai to the Director of Public Instruction, Madras through the Headmaster B.H.School, Kulitalai etc.

I beg to submit the following appeal against the orders of the Special Officer, Tiruchirapalli District Board No.51/48 dated 5-6-1948 directing the recovery of a sum of Rs.68 being the alleged excess payment made to me, for your kind and sympathetic consideration besides favourable orders. I am aware and that gratefully too that my case has been referred to Government by the Special Officer and I am preferring this appeal so that my case does not go by any default for all acts of omissions and commissions whosoever may be responsible thereto.

I have put in a total service of about 28 years in this District Board. I entered as a Combined Drawing and Drill Master in 1918 and served as Drawing Master till August 1946. Because there was dearth of Physical Training Instructors I was called upon by the President, District Board, Tiruchirapalli, to take up the duties of the Physical Training Instructor of the Kulitalai High School, Vide his Proceedings No.8639/A2/46 dated 14-8-1946. It is this order promulgated for the convenience of the Management that has brought me no end of trouble. I obeyed the order in good faith too. When the Revised scales of pay prescribed in G.O.No.2756 Education dated 27-12-47 came to be adopted in my case, my service was counted for weightage in the new scale and I was started on Rs.53/- which by the way puts me to a loss of Rs.2 per mensem. Because had I been continued as Drawing Master my pay would be fixed at Rs.55 besides making me eligible to get an annual increment of Rs.1-8-0 as against Re.1 now allowed to me.

While such is the case, an objection appears to have been raised in audit that because I was posted as P.T.I. in 1946 I am not entitled to any weightage and in consonance thereto an alle-

9
- 3 -
from me in full and in one lump. This audit objection being purely technical, the subject matter has been referred to Government for orders fixing my pay at Rs.53/-.

The points I would press for consideration are (1) that my posting as P.T.I. being one of convenience chosen by the Management, there is neither justice nor reason to make me forego my weightage, (2) that the orders of the President, District Board, dated 14-8-1946 are cancelled so that I might continue as Drawing Master as against Rs.40-1-60 allowed for P.T.I's and (c) that I should not also be compelled by the Management to forego the extra annual increment I am entitled to, as Drawing Master.

I beg to submit here that I had not appealed against the orders dated 14-8-46 earlier as there was then no difference in scale of pay as it has since come to be.

In conclusion, I have nothing more to say than to request you to consider my case sympathetically and render justice which I trust you will not grudge to give.
