Sir,

Anantapur - Appointment of Sri K.T. Ganapathi as -
Instructor in Civil Engineering.

REF: G.O.No.2257-Education dated 12 July 1949. (not put up)

In para 2 of my letter R.Cl.55-C1/49, dated 15--7--1949,
I have recommended that Sri B. Venkateswarlu, Assistant Engineer,
be appointed as Instructor in Civil Engineering, College of
Engineering, Anantapur, in the post sanctioned in the G.O. quoted
above.

2. The Principal, in his letter dated 27-7-1949 (extract en-
closed), has recommended that Sri K.T. Ganapathi, Assistant Ins-
tructor who has now been promoted as Assistant Engineer, be re-
tained in the College in the post of Instructor in Civil Engineer-
ing. As Sri Ganapathi has had experience of college work, it
would be advantageous to retain him in the post of Instructor
instead of appointing thereto a new Assistant Engineer. I, there-
fore, endorse the Principal's recommendation and request that Sri
K.T. Ganapathi be appointed as Instructor in Civil Engineering, College
of Engineering, Anantapur. The recommendation already made to
appoint Sri B. Venkateswarlu need not be proceeded with.

3. I request the early orders of Government on this letter.

Yours faithfully,

REF: G.O.No.2257-Education dated 12 July 1949.

I have recommended that Sri B. Venkateswarlu, Assistant Engineer,

Copy of letter dated 27-7-1949 from the Principal, College of Engineering,
Anantapur.

Sri K.T. Ganapathy, officiating Assistant Instructor in Civil
Engineering, working on deputation from the P.W.D. has been promoted
in Proceedings Roc.No.1601-E-1/48 dated 12-7-1949 of the Chief Engineer
as Assistant Engineer. He is fully qualified to hold the post of Ins-
tructor in Civil Engineering. His retention in the college in this post
is an advantage from the point of administration and instruction. Sri K.T.
Ganapathy has been on the staff of this college from the very beginning
of the opening of this college. The keen interest which he has been
evincing in the college activities and the acquaintance which he has gained
in the college stores are the two main factors which had led me to come
to the conclusion that he is one of the valuable assets of the college.
His disturbance at this stage will really affect the work for a time.
I, therefore, request you to kindly obtain the consent of the Chief
Engineer for his retention in the College in the post of Instructor in
Civil Engineering.

3. The reason for the tempy. appts. is that there are no apptd. candidates for ~~xxxx~~ regular appts.

NOTE:- The Instr.'s post in the Kakinada College has been vacant from 1-4-49 consequent on the relief therefrom of Sri G.S.Ramaswami whose services were lent to the Annamalai Unty. The post in the Anantapur college is a new post sanctd. from the academic year 1949-50. Sri B.Venkateswarlu, Asst. Engr., P.W.D., was apptd. to the former post. But he did not join duty, as in response to some representations from ryots of the Irrigation sub-division where he was serving as Asst.Engr., the Govt. in the P.W.D. ordered his retention in the sub-division.
