Sub: PURCHASE OF MACKINTOSH (CAPES WATERPROOF).

With reference to the advertisement calling for tenders for Mackintosh (Capes waterproof), I suggest that we better try and see if we can get this item from Ordnance. In view of para 4 Appx.B of N.C.C.Directorate letter No.0170/49/NCC of 30-6-49, werein it is specifically stated that this item amongst other items of clothing would be obtained from Ordnance on proper authority, I have referred this matter to C.O.O.Ordnance Depot, Avadi and he informs me that if indents are put through Area/Sub Area with the authority, they may be able to meet the requirements on payment. This will be considerably cheaper than outside sources and I strongly recommend that this possibility may please be explored before a contract is accepted, as the item is not urgently required.

I intimate this in view of the hopeful letter I have from C.O.O., Ordnance Depot, Avadi. If you think that I may take this matter up with the C.O.O., Ordnance Depot, Avadi through Sub Area, I will be only too pleased to do it if sanction is obtained from the Government for such a course.

Sir,

pp10-15 supra

I am to recommend and forward the quotations from M/s Bhawoo Kashinath & Co., Govt. Contractors and Merchants and Stores Suppliers, Dent's Garden, 6 Patullo Road, Mount Road, Madras. His quotations are Rs 15/2/- each and they are as per Army pattern.

Vide letter No. 0003/49/NCC of 9 Feb '49 from the NCC Directorate, New Delhi to all Provincial Govts., the Ordnance Vocabulary price for the same is Rs 15/3/- each. The Govt. is, therefore, saving Rs 0/1/0 per article.

This firm was the suppliers to the Ordnance Depots also.

Lowest quotation is accepted in this case.

As per letter from above quoted firm, they want 1 month to supply the capes waterproof. Therefore, necessary action may be taken from your end as early as possible, so that the order may be placed with M/s Bhawoo Kashinath & Co.

Yours faithfully,

While Major Nayar, O.C. 2nd. Bn. N.C.C. was here on 23.7.49 the specimen was shown to him and he also agreed ~~in~~ with me to make local purchase from the firm recommended.

I am to add that the cape waterproof is identical to the Ordnance supply. In fact, I am told by the firm that they took orders for the supply of the same to the Army.

Dear

With reference to your letter No.Q/9/473 dated 2-8-49 addressed to Secretary, Education and Public Health Department and copy to me, I verified the Ordnance price on my return to Headquarters and found that it considerably differs from the prices mentioned in N.C.C.letter No.0003/49/NCC dated 9-2-49. According to the Ordnance Vocabulary rates Capes Waterproof costs Rs.11/8/- for the type of capes waterproof used by Other Ranks in the Indian Army. As I have been getting my ~~other~~ personnel's requirements from the Ordnance at the rates mentioned in this vocabulary i.e. S.I.A.O.20/47, I am inclined to think that Capes Waterproof also must be available at the prices mentioned above from the Ordnance Stores.

To clarify this point, I am addressing the Ordnance to-day ~~and~~ & let ~~you~~ me know the current price which will be communicated to you as soon as it is received from them.

Sir,

1. I am to state that I have now made enquiries with C.O.D. AVADI and they quote the prices for capes waterproof as Rs 14/4/- and Rs 13/- (two kinds). They also said to me that these items are in very short supply and the demand may not likely be met in the near future. It is a controlled item

2. Since it is observed it rains quite often, it is imperative that the cadets should be supplied with capes waterproof as early as possible so that when they carry rifles, which they always do on parades, they can be saved from barrels getting rusted. Moreover, the cadre camp is to be held in September.

3. I am to request you to make an early decision whether to make local purchase or to place a demand on payment to the C.O.D. Avadi on which this Province is dependent on Ordnance supply.

4. The lowest quotation received is Rs 15/2/-. This firm is producing the capes identical in every respect with the standard pattern.

Quotations were invited from ~~the~~ firms of repute by means of advertisement in the local dailies for the supply ~~of the following quantities~~ to the following units of the N.C.C., of the quantity of mackintosh noted against each:

Out of the quotations received from the firms, the one received from Messrs. Bhawoo Kashinath and Co., Mount Road, Madras, (at the rate of Rs.15-2-0 per mackintosh) was recommended by the Officer Commanding the Ist Madras Battalion. ~~and it was accepted by Government.~~ ~~An~~ The Officer Commanding the 2nd Madras Battalion reported that he would be able to arrange for the purchase of the mackintosh required for his unit, namely 625, at Tiruchirapalli itself. Orders were, therefore, issued for the purchase of 213 mackintosh required for the Ist Madras Battalion and the 3rd Madras Engineer Centre from the firm under reference. The O.C., Ist Madras Battalion has accordingly requested the firm to supply him 213 mackintoshes.

Central Act). The Officers to command those units are drafted from the Regular Army and their postings are ordered by the Government of India, Ministry of Defence. The supply of equipment, namely, arms, ammunition and clothing, required for the use of the units is made by the Ordnance authorities under the instructions of the Government of India. The cost of the first two items ~~are~~ is borne by India and that of the third (clothing) by the Provincial Governments concerned. Only in exceptional cases, where the Ordnance Depots are not able to supply a particular item of clothing, on account of its being out-of-stock or for any other reason, it will be necessary to go in for local purchase. Such cases will be few and far between. The purchase of mackintoshes is one of such cases. It may be noted that the Officer Commanding the Ist Madras Battalion has not executed any formal agreement or deed; but has only asked the firm by means of a letter to supply him with 213 mackintoshes. In the circumstances, it does not seem necessary to issue general orders delegating powers ~~to issue general orders~~ to the Officers Commanding for the purpose.

Contracts on behalf of the Govt should be entered into by persons authorised for the purpose under Sec. 175(3) of the Govt of India Act. A contract entered into by a person not authorised in that behalf under Sec. 175(3) is invalid, even though such person might have obtained the permission of the Govt to enter into the contract. – see (1949) 2 M.L.J. 156. It is therefore necessary to specifically authorise the officer concerned to enter into contracts on behalf of the Govt under Sec 175(3).

The case in (1949) 2 M.L.J 156 is exactly a similar case to the one in this file. There also no formal agreement was executed, but the contract was concluded by correspondence between the Supt of the Kerala Soap Institute and a merchant. The Supt had obtained the permission of the ~~D.I.~~ Dir of Industries who was the authority authorised to enter into the contract. Still the High Court held the contract invalid as the Supt, Kerala Soap Institute was not authorised under Sec. 175(3) to enter into the contract.

If on the ground that cases like the one in this file are very rare, it is considered not worthwhile to authorise the army officers, the only alternative is to have such contracts made by the authorities already authorised – viz Secy & Addl Secy.

LEGAL DEPARTMENT

In the advertisement on p3cf of Letter No.1955-C(I&P)/49 dated 5/7/1949 the Commandant, I Battalion, N.C.C., invited quotations for the purchase of 838 mackintosh. The advertisement was only an invitation for offer and not an offer itself. In ~~their~~ the letter on pp.10-11 cf of G O Ms No 2714 Education dated 26/8/1949, the Company specified ~~their~~ its quotation and offered to supply the Commandant the required quantity of mackintosh within a month of receipt of the Commandant's orders. After the issue of the G.O.on pp-30-31 cf of (T) the Commandant in his letter on p32 cf of (T) wrote to the Company that the company's quotations for Rs.15.2.0 for each cape waterproof had been accepted by Government and the Company was definitely required to supply 213 mackintosh only. The Company's statement that it was asked to supply 838 mackintosh in the letter at p32 cf of (T) is incorrect. This Department, therefore, agrees with E&PH that there ~~was~~ is no obligation on the part of the Commandant to take any mackintosh in excess of the number of mackintosh for which

the order was actually placed with the Company.

A It is presumed that the Commandant who entered into the contract with the Company has been authorised for the purposem under section 175(3) of the Government of India Act, 1935.

-The notes of the Legal Department on pages 4-5 above may be perused. They have agreed with this department that there is no ~~objection~~ obligation on the part of the Officer Commanding the Ist Madras Infantry Battalion of the National Cadet Corps to accept any mackintosh in excess of the number (namely, 213,) for which the order was placed by him with the company. The Officer Commanding may be informed accordingly.

2. With reference to the presumption at 'A' above, it is submitted that powers have not, so far, been delegated to the Officers Commanding the units of the Senior Division of the N.C.C., in this Province, under section 175(3) of the Government of India Act, 1935, to enter into contracts with private firms and the question of authorising the Officer Commanding the Ist Madras Infantry Battalion was not also contemplated at the time of issue of orders sanctioning the local purchase of mackintosh. According to item (1) in Appendix 4 in the Madras Financial Code, Volume II, the Secretary or the Additional Secretary of Government of a department can execute all contracts and deeds other than those specified in the other items therein. It is doubtful whether it may be deemed that the Officer Commanding the Ist Madras Battalion acted, in the matter, on behalf of the Secretary.
