Sir,

Sub: NATIONAL CADET CORPS - Senior Division - Advisory Committee - Constitution.

According to rule 42(3) of the rules relating to the National Cadet Corps Rules, 1948, a Senior Division Advisory Committee consisting of the members mentioned therein, should be constituted for all the Senior Division Units in ~~one~~ each University area. It has been suggested that it would be sufficient to have one Senior Division Advisory Committee in this Province instead of three such committees, one for each of the

three Universities this Province, namely, Madras, Andhra and Annamalai. I am directed to enquire whether you are agreeable to this suggestion and if so, to request you to nominate a Regular Army Officer posted to a Senior Division Unit for appointment as the Secretary of the Committee as soon as it has been formed.

2. I am also to enquire whether any travelling and daily allowances are being paid to the members of the Central Advisory Committee constituted by the Government of India and if so, at what rates. ~~the allowances should be paid to the members of the Senior Division Advisory Committee.~~

It is presumed that the Advisory Committee constituted in the Government Order referred to above is the one contemplated under Rule 42 (3) of the Rules of N.C.C. para 2 of the above G.O. refers to the power and duties of the Committee as stated in Rule 43 (3) and (4) of the N.C.C. Act and Rules.

In the latest letter (No. 16466-B1-4 Edn., dated 19th September 1949 certain amendments to the Rules framed by N.C.C. have been communicated. One of the amendments states as follows:-

"Sub-rule (3) of Rule 42 and Sub-rules (3) and (4) of Rule 43, shall be omitted". page 7 cf in the linked file

I am to enquire therefore whether the rules regarding constitution and functioning of the Advisory Committee contemplated in 42 (3) and 43 (3) and (4) have been abrogated, and whether in the circumstances, the Committee appointed in G.O. quoted above, ceases to ~~fnn~~ function.

The favour of an early reply is requested.

Sir,

Sub: National Cadet Corps - Senior Division - Advisory Committee - Constitution.

Ref: G.O.No. 2717 Edn. dated 29-8-49.

In the Government Order, cited above it is stated under para 3, that the rate of Travalling Allowance is Rs.10/-. The words "Travalling Allowance" evidently refer to "Daily Allowance for halts". I request you to clarify this point and issue necessary amendment to the Government Order.

Yours faithfully,

for Director of Public Instruction.

According to rule 42(3) of the National Cadet Corps Rules, 1948, a Senior Division Advisory Committee consisting of the following members should be constituted for all the Senior Division Units in one University area:-

1. Vice Chancellor of the University or the Principal of a college providing a Senior Division Unit or part thereof who shall be nominated by the Vice Chancellor - Chairman.
2. The Commanding Officers of the Units.
3. One Regular Army Officer to be nominated by the Officer Commanding the area from the staff of the Headquarters.
4. One Senior Division Officer to be nominated by the Vice Chancellor or the D.P.I. empowered in this behalf by the Govt.
5. Two non-officials to be nominated by the the Vice Chancellor or the D.P.I. empowered in this behalf by the Govt.
6. A Regular Army Officer posted to a Senior Division Unit to be nominated by the Director, National Cadet Corps, ~~as~~ (shall be the) Secretary of the Committee.

Do

Three Senior Division units (~~Nie~~ Ist and 2nd Madras Infantry Battalion and 3rd Madras Engineer Centre) have already been formed (in this Province) in ~~under~~ the Madras University area in 1948-49. An Advisory Committee may be formed for these three units. The same Committee may function in respect of D.H. units to be newly raised. The Advisory Committees for the units in the Andhra and Annamalai Universities may be constituted after the units are raised in 1949-50.

2. Items (1),(4) and (5) above:- The Vice Chancellor, University of Madras, may be consulted.

Item (3) above:- The H.Q., Madras Area may be requested to ~~suggest~~ the name of an Army Officer for nomination to the Committee.

~~Item (6) above:-~~ The Director, NCC, may be addressed (asking who should be the Secretary to the Committee). He may also be consulted whether any travelling and daily allowances are being paid to the members of the Central Advisory Committee (constituted by the Govt of India) and if so, at what rates the allowances should ~~to~~ be paid to the members

It would seem sufficient to have one Senior Division Advisory Committee in this Province instead of having three such committees at the rate of one for each University. of a single Advisory Committee for all the units of the Senior Division of the NCC in this Province instead of three such Committees at the rate of one for the units under each of the three university areas. The Director has nominated the Officer Commanding the 1st Madras Battalion as the Secretary of the proposed committee. The Vice Chancellor of the University or the Principal of a College ~~proving~~ providing a Senior Division unit or part thereof who shall be nominated by the former should be Chairman of the Committee. The question now arises as to which of the three Vice Chancellors in the Province should be the Chairman. Perhaps the Vice Chancellor of the University of Madras may be preferred. The ~~question also arises as to whether the remaining two~~ Vice Chancellors of the other two universities may also be ~~should not also be~~ members of the Committee, ~~for orders on the questions raised above~~ as units are proposed to be raised in the colleges in those university colleges.

2. The Director has also reported that the members of the Committee will be entitled to 1½ first class fare and the non-official members will be paid a daily allowance of Rs. 20/- per day & the army member will draw his normal authorised scale of daily allowance. Presumably these are the rates of allowances paid by the Govt. of India for the members of the Central Advisory Committee. The Senior Division Advisory Committee may be classified as a first class Committee for purposes of travelling and daily allowances. ~~It is not clear whether the allowances for the days of the meeting should be paid by this Government to the Army members, as their pay and allowances are met by the Government of India. The Dir, NCC, may perhaps be consulted on this point.~~ The Committee will meet once in a quarter and the expre. may be met from the appropriation made in the B.E. 1949-50 for the Senior Division of the NCC under the head "37. There are three Army Officers in this Province who have been placed in charge of the N.C.C. Units and their names are:-

(1) Major Joshi, Officer Commanding, First Madras Infantry Battalion, Fort St. George, Madras.

(2) Major K.V. Sankunni Nair, Officer Commanding, 2nd Madras Infantry Battalion, Tiruchirappalli.

(3) Capt. O.G. Rao, Officer Commanding, 3rd Madras Battalion (Engineering Platoon), College of Engineering, Guindy.

It is possible that Army Officers will be posted shortly to be in charge of the Units to be raised at Annamalai Nagar and in the Andhra University area. The ~~correspondences~~ communications received from the three Officers Commanding show that the correspondence dealt with by Major Sankunni Nair and Capt. O.G. Rao are far better than that dealt with by Major Joshi. The Secretaryship of the proposed Advisory Committee is an important job. It would seem desirable to appoint either Major Sankunni Nair or Captain O.G.Rao as the Secretary of the proposed Committee. All the Officers Commanding will be Members of the proposed Committee. For orders whether the Director, N.C.C. may be requested to reconsider his decision and appoint either of the two persons as the Secretary of the proposed Committee.
