Copy of letter dated 9th July 1949 from the Superintendent, Government House Estate, Mount Road to the Assistant Secretary to Government, Chief Secretariat.

Government Guest House, Madras - Staff - Provision of liveries - Sanction of additional peon - Requested.

There is at present only one peon attached to the Government Guest House. Guests of importance come and stay in the Guest House for fairly long periods. For attending to their convenience, it is necessary to have another peon. When guests arrive at the Aerodrome, Central or Egmore Stations one peon has to go there with the reception party to take charge of and arrange to transport samans. Another peon has to be in the Guest House to attend to the routine duties besides being at the service of the Private Secretaries of the important guests who generally arrive in advance. It is necessary to have a peon in attendance on high ranking guests all the 24 hours. One peon cannot work both in the day and night continuously.

With a view to provide maximum convenience and comforts to the guests without giving room for any complaint, it is absolutely necessary to have at least two peons for the Guest House. I therefore request that the Government may be pleased to sanction the employment of another peon at an early date.

The peons may be provided with liveries preferably in khadi with a badge bearing the impression 'Government of Madras - Guest House - Peon' so that they may present a decent appearance. Similarly decent uniform in white khadi may be provided for the driver of the Guest House car and he may also be given a suitable cap so that he may look smart.

I solicit the favour of very early orders.
