A2. 5623/49 dated 28--7--1949.

SIR, AUG 1949

Sub: STATIONERY OFFICE - Additional Staff - Supply of paper for electoral rolls - Retention - Orders - Requested.

Ref: Government Order Ms.No.882, Education, dated 26-3-1949.

In G.O.No.Ms.882, Education dated 26-3-49, sanction was accorded for the employment of one Upper Division Clerk and 2 Lower Division clerks for a period of 3 months from the date of appointment for work connected with the supply of paper to private printing presses for printing electoral rolls. One Lower Division Clerk was appointed from 4-5-49 and the Upper Division Clerk and the second Lower Division clerk were appointed from 23-5-49.

Indents for the supply of paper for the printing of electoral rolls have been received from 22 Collectors so far and all of them have been passed for supply. The total No. of presses in those districts to whom paper has to be supplied, is 305 and paper has been actually despatched to 191 presses so far. Regarding the other presses, booking has been applied for. Out of 191 presses to whom paper has been despatched, only 65 presses have sent their acknowledgments so far and the Collectors have been requested to direct the other presses to expedite their acknowledgments. The Collector of Nellore has sent his indent but has stated that paper may be supplied to the presses on receipt of intimations from the concerned Tehsildars about having got the necessary agreements executed by the Proprietors of the presses. The Collectors of (1)Krishna (2)West Godavari (3)South Kanara and (4)Chingleput(for 2 taluks) have not sent their indents so far and they have been reminded to expedite their indents. Collectors of the 12 districts have been reminded to send their indents for the supply of paper for the printing of key lists and nil rolls relating to their districts as they have not included these items in their original indents.

Out of the two lower division clerks now working, one clerk has been posted at I Line Beach to attend to the booking of consignments at Rayapuram and Beach stations. His services there are essential to ensure that there is no delay in the loading of wagons and sundries allotted by the Railway authorities. The Dt.Transportation Superintendent, Traffic, Rayapuram has repeatedly instructed this office that the Railway Station Staff should be daily contacted by a representative of this office for getting wagons for booking the paper. The Carting Contractor is unable to attend to this work satisfactorily. Hence one clerk of this office is put in charge of registering wagons and booking of paper daily. The other lower division clerk is attending to the scrutiny of indents, the despatch of Railway Receipts and issue slips and to the work of advising the Collectors, the concerned presses and Tehsildars and Government about the despatch of consignments. The Upper Division Clerk is attending to general correspondence and is supervising the work of a lower division clerk of the section. It may be seen from paragraph 2 above that only half of the work is complete. Therefore, I request that the Government may be pleased to sanction the extension of the period of one lower division clerk expiring on 3-8-1949 afternoon till 22-8-1949 in the first instance. I shall review the progress of work on 16-8-1949 and submit proposals to Government for the retention of the entire staff or part of the staff after 22-8-1949 if necessary. The clerk whose term expires on 3-8-1949 will be retained in anticipation of sanction of the Government in view of the urgency of the work dealt with.

A.2. 5623/49 dated 19-8-1949.

Sir,

STATIONERY OFFICE - Additional staff - supply of paper for
printing - electoral rolls - retention - orders - requested.

- Ref: 1. Government order Ms.No. 882, Education dated 26-3-49
2. This office reference A2. 5623/49 dated 28-7-49.

In continuation of this office reference A2. 5623/49 dated
28-7-1949, I submit below the progress made in the receipt of the
indents from Collectors, the despatch of paper to presses and the
receipt of the acknowledgments from presses.

The Collectors of West Godavari and South Kanara have not yet
sent their indents for paper for printing Electoral Rolls, Key lists
and Nil rolls in spite of several reminders. Government in Public
(Elections) Department have also been addressed in the matter in
this office references E.C. 14159/49 and E.C. 12414/49 dated 10-8-49.
The indent of the Collector of Nellore has not yet been passed for
supply, as some Tahsildars in that District have yet to send their
intimations of having got the necessary agreements executed by the
Proprietors of the presses concerned. A D.O. reminder has also been
sent to the Collector of Nellore on 17-8-1949. The Collectors of
(1) East Godavari (2) Kurnool (3) North Arcot (4) Guntur (5) Tanjore
(6) Madura (7) Nellore (8) Cuddapah have not yet sent their indents
for the supply of paper for printing key lists and Nil rolls. They
have been reminded on 10-8-1949. The Collectors of (1) Tiruchirappalli
and (2) Bellary have sent their indents, without the details required
for scrutinising them. They have been requested to furnish the
details on 10-8-1949 and 16-8-1949 respectively.

Paper has been passed for supply to 331 presses in 22 Districts
so far. Paper has been despatched to 289 presses. The consignments
of paper relating to 20 other presses are ready for booking and
they will be booked when they are called for by the Railway
authorities. The stock of intact bales of News Printing D.F. 17 lbs
paper is completely exhausted and Government orders regarding the
variety of paper to be supplied hereafter, have been received to-day
(19-8-1949). The requirements of the remaining 22 presses will be
packed and booked as early as possible.

Paper has still to be despatched to presses in 10 districts,
for printing key lists and nil rolls, and the presses in 3 districts
for printing electoral rolls, key lists and Nil rolls. The
number of the presses in 10 districts mentioned above will be
more than 100, as the work of printing key lists and Nil rolls
relating to a particular area will be entrusted to the same press
which undertook the printing of Electoral Rolls relating to that
area. The total number of the presses to whom printing of Electoral
Rolls relating to the 3 districts of West Godavari, South Kanara
and Nellore is not known.

Acknowledgments for the paper supplied, have been received
so far from 109 presses only out of 289 presses to whom paper
has been actually despatched. D.O. letters have been sent to
the concerned Collectors twice in the matter and they will be
reminded again.

It may thus be seen that the work relating to the despatch
of paper to private presses for printing Electoral Rolls etc.,
has proceeded only half way and the other half remains to be
done. I, therefore, request that the Government may be pleased

P.T.O.
