Memo. No. 89738-64 Edn. dated 6-2-48

Sub: Clothing -- Khaddar clothing -- Supply to peons.

In continuation of Memo. No. 70277-2-C2 Edn., dated 5-9-47, the Supdt. of Stationery is informed that Govt. have decided that the dress for peons ^{of} ~~the~~ Hon'ble ^{the} Ministers and those attached to Sectt. Departments should in future be as follows:—

In cases where a long cloth gown has been prescribed, the gown may be dispensed with. Instead, there might be a tight-fitting coat coming down to about half a foot above the knee; the coat should have a collar as for a sherwani; it may have six buttons (brass or chromium-plate -- whichever is cheaper) running down to the cummerbund.

Instead of the present trousers (where they have been prescribed), there may be pyjama trousers, but tight below the knee like Jodphur breeches.

Cross-belt may be confined to duffadars and head-peons; in the other cases, badges can be worn on the cummerbund.

The material for the coat and the trousers should be khadi. They may be of a uniform Khaki & or ash colour.

The Supdt. of Stationery is requested to submit proposals for introducing this pattern of dress to the peons mentioned above with particulars as to the scale of supply and the period of wear. He should also indicate the extra cost, if any, involved by this proposal.

My dear Subramaniam,

SUB:- KHADDAR CLOTHING - Supply to peons.
REF:- Your D.O. No. 89738/48-1 dated 17-7-'48.

The question of introducing the supply of Khaddar clothing to the peons attending on the Hon'ble the Ministers and those attached to the Departments of the Secretariat was first communicated to this office in Government Memorandum No. 70277-2-C2-Edn., dated 5-9-'47. The Provincial Textile Commissioner, Madras was thereupon asked in this office letter dated 12-9-'47 to send samples of khaddar and also to furnish their cost. Accordingly samples were received from the Provincial Textile Commissioner along with their cost. As the question of submitting the proposals with regard to the scale, period of wear and the extra cost that will be involved by the proposed supply was being considered with reference to Government Memorandum No. 89738-6-C2-Edn., dated 6-2-'48 a copy of G.O. MS. No. 135 Firka Development dated 15-3-'48 was communicated to this office. In this order Government have definitely stated that the existing supply of uniforms in mill or handloom cloth should be substituted by Khadi. The Deputy Secretary to Government, Firka Development Department Madras was asked in this office letter dated 22-4-'48 regarding the disposal of the existing stock of mill cloths. The Provincial Textile Commissioner was also asked in this office letter dated 22-4-'48 to supply the entire cloth required for this Department in Khadi instead of mill or hand-loom cloth as originally ordered. His reply is awaited. He is also being reminded again.

Yours sincerely,

Please see the Legislative Assembly question in the c.f. The present pattern of compulsory clothing for peons in the Secretariat is a long cloth gowns and long cloth trousers. In 1946, a proposal was made that the peons of the Parliamentary Secretaries may be supplied with Khaddar clothing consisting of bush-coats, and pyjamas ^{and Gandhi caps.} The proposal was then examined in detail, but Govt. finally decided that the proposal may be deferred until the clothing already got ready for the peons served its normal period of wear and tear - vide the notes on pages 10-15 n.f. and the orders on page 11 c.f., of G.O.No.596, Edn. dated 24-3-47. The Hon'ble Premier has recently minuted that instead of mill cloth Khaddar clothing should be supplied to the peons of the Hon'ble Ministers and those ~~also~~ attached to the Sectt. Departments. The remarks of the Supdt. of Stationery on this proposal have been called for and he has also

been asked to furnish an estimate of the extra cost involved. In the meanwhile the Supdt. of Stationery has also been asked not to indent for the supply of mill cloth for making peons' clothing. The intention of Govt. however appears to be only to change the material for the dress, i.e., from mill cloth to Khaddar, and not the mode of dress. There is no other proposal under the consideration of Govt. to make any change in the official dress of the peons in Govt. offices. The answer to the question in the c.f., may therefore be in the negative. For orders.

May be circulated to H.M.(Edn.)

I have been thinking about this matter for some time. The present dress of the peons is very cumbersome. It costs more but does not look smart. I think it must change with the times. The Chief Secretary, the Secretary, E. & P.H. and Secretary, Home may be appointed as a committee to go into the matter and suggest a smarter design of dress for the peons. The answer may be:

The Committee met today and came to the following conclusions:

In cases where a long cloth gown has been prescribed the gown may be dispensed with. Instead, there might be a tight fitting coat coming down to about half a foot above the knee; the coat should have a collar as for a sherwani; it may have six buttons (brass or chromium-plate - whichever is cheaper) running down to ^{the} hip cummerbund.

Instead of the present trousers, ^(where they have been prescribed) there may be the pyjama trousers but tight below the knee like Jodhpur breeches.

The material for the coat and the trousers may be long cloth (as at present); if it is decided to go in for khaddar later on, that material also would be suitable.

Cross-belt may be confined to duffadars and head peons; in the other cases badges can be worn on the cummerbund.

The modifications proposed be introduced in the Secretariat first; the question of introducing them in the ^{provincial} may be considered later.

Chief Sectt. (O.P.II).

Please see the notes of E. & P. H. department from the beginning of p.7 ante.

The Superintendent of Stationery solicits instructions on the point whether the Sectt. Officers' peons and maty should be supplied with cummerbands only or with ^{Cross belts} ~~cummer~~ and sirca bands. ^{also} The E. & P. H. deptt. propose to inform the Supdt. of Stationery that office peons and cycle peons and the maty are not entitled to Cross belts and that as regards peons working in the rooms of officers, if there are two peons attached to ~~the~~ officers, one of them may be given a Cross belt even if he does not happen to be a duffadar.

It is submitted in this connection that the peons find it inconvenient and feel it ugly to wear metal badges on the cummerbands. In spite of the clear instructions issued to the

the peons in this department that metal badges should be worn on the cummerbands, most of them are not wearing the cummerband and the metal badges. They complain that the badges prick their stomach when they bend down to take files etc. It would, therefore, seem better and decent if all the peons posted to work ~~in the rooms of the officers~~ ^(and the H.Ms.) are supplied with Cross belts also. Then, the metal badges can as usual be worn on the Cross belts instead of on the cummerbands.

It also seems sufficient if the office peons, cycle peons and maty are supplied only with sirca bands (tied round the head).

With the above remarks, the file may be returned to the E. & P. H. department.

Subsequently, at the ~~instan~~ ^{insistence} of Dev. Department, this department stated as regards the supply of Cross-belts as follows:-

"All peons working in the room of officers need ~~not~~ not be given cross belts. If there are two peons attached to officers for example Secretaries one of them may be given a cross belt even if he does not happen to be the duffadar."

The Chief Secretariat now brings to notice that the peons find it inconvenient and feel it ugly to wear metal badges on the Cummerbands and complain that the badges prick their stomach when they ~~b~~ ^{take} files etc.,

They therefore suggest that it would be better and decent if all the peons posted to work in the ~~rooms~~ of the Officers and H.Ms. are supplied with ~~iron~~ ^{cross} belts also and ~~these~~ ^{these} the metal badges can usually be worn on the cross belts instead of on the cummerbands. They also state that office peons ³ cycle peon and ^{Maly} ~~may~~ may be supplied with only sirca bands ^{ties} ~~two~~ round the head).

It seems ~~whether~~ orders ~~in~~ circulation will have to be taken if the suggestion of the Chief Secretariat ~~is~~ to be accepted. ~~for~~ ^{from} orders. ^{Finan}
