Visual Education in Government institutions -
Purchase of projectors during 1949-50.

In connection with Part II Estimates for
1949-50 I submit for the consideration of Government a
proposal to purchase three projectors for the use of
Government institutions. The projectors are necessary
for implementing the visual education scheme approved
in G.O.No. 2036-Education dated 19.9.1947.

2. The Principal, Government College, Mangalore
has made a request for the supply of a Projectors in
the current year itself. As the officers have been
urged to take steps for ~~the~~ implementing the Visual
Education Scheme, more demands for the supply of
Projectors are expected. I therefore request that a
provision of Rs. 12,000/- as detailed below, may be made
in Part II estimates for 1948-49.

(1) A Projector for the Government College, Mangalore	Rs. 4,000/-
(ii) Two Projectors for Government institutions	8,000/-
	<u>Rs. 12,000/-</u>

3. I am including necessary provision in
Part II of the Budget Estimate for 1948-49.

Schools and Colleges. Government -
Provision of visual education - Purchase of
Three projectors - Part II Scheme for 1949-50.

From the D.P.G., Roc. no. 418-A2/48 dt 29.9.48.

In No. 2036 Edn dt 19.9.47, the Govern-
ment approved a proposal to provide visual
education in schools and colleges in this Province
as a temporary measure, till they are in a position
to take up the production of films and arrange
for their exhibition thro' their own agency subject
to the conditions ^{mentioned} therein and ~~in~~ the proposal still
continues to be in vogue. According to this scheme,
the educational institutions have to make their
own arrangements with firms or agencies recognised
by the D.P.G. for the provision of instruction. The
principal, Grl. College, Mangalore, has requested
the Dir to supply him ^{with} a projector for the purpose.
The Dir expects ~~that~~ there demands for the supply
of projectors. He therefore recommends ~~that~~
three projectors (one for the Grl. College, Mangalore
and two for Grl. Schools) at the rate of Rs. 4000/-
each may be purchased and that the scheme
may be considered as a Part II Scheme for 49-50.

2. The recommendation of the Director
may be accepted and the scheme put forward
as a Part II Scheme for 1949-50. The remarks
of Finance may be invited as prior to circulation.

The purchase of the projectors ~~will~~ maybe deferred if
in the meanwhile any other arrangements are made for the
provision of visual education by a departmental agency.

EXPLANATORY NOTE.

Last year, the Government approved a scheme for
the provision of visual education in schools and colleges
in this Province, as a temporary measure, till they were
in a position to take up the production of films and
arrange for their exhibition through their own agency.
According to this scheme, the educational institutions
have to make their own arrangements with the firms or
agencies recognised by the Director of Public Instruction
for the provision of visual instruction. The Principal,
Government College, Mangalore, has requested the Director

to supply him with a projector for the purpose. As it is expected that there will be more demands for the supply of projectors, the Director recommends that three projectors (one for the Government College, Mangalore and the other two for Government schools) at the rate of Rs.4000/- each may be purchased.

2. The question of providing visual education in the educational institutions in this Province by a departmental agency is under separate consideration. If this proposal materialises, the purchase of the projectors will be deferred. This Department recommend the proposal of the Director and suggest that necessary provision as shown in the summary above may be made in the Budget for 1949-50.
