* 6 Q.—SRI R. SURYANARAYANA RAO: Will the Hon. the Minister for Education be pleased to state with reference to reply to Question No. 253 given on 19th March 1949—

(a) how many among the young men and women sent overseas have been absorbed by the various departments of Government;

(b) how many among these were already employed under Government;

(c) the names and qualifications of those who could not be absorbed and whose bonds had to be cancelled;

(d) whether there is a proposal to renew the system of sending young men abroad; and

(e) if the answer to (d) is in the affirmative, whether there is any change in the system to be adopted?

THE HON. SRI K. MADHAVA MENON:—“(a) Twenty-four overseas scholars have been given employment in the various departments of Government.

“(b) Government servants were not eligible to apply for the scholarships in the first two years of the scheme. In the third year, four Government servants who had chances of permanent retention in service were selected.

“(c) Three scholars were released from the bond for want of suitable appointments. Their names and qualifications are given below:—

(1) Mr. J. L. Pavamani, B.Sc. (Hons.) (Pottery), S.O.T.

(2) R. Ramanadhan, B.Sc. (Hons.), M.Sc. Research work certificate in Radio Engineering.

(3) Mr. R. G. Narayanamurthy, B.E. (Electricity), D.I.T.Sc., D.I.S. (Lond.).

“(d) Yes, the Government of India propose to revive the overseas scholarship scheme in a modified form.

“(e) The scope of the scheme has been enlarged so as to meet the requirements of Universities, research institutions and public utility concerns also. This Government will have to meet the entire expenditure in respect of their Officers deputed for higher studies. In the case of nominees of Universities, Research Institute, etc., the Government of India will meet 50 per cent of the cost and the balance will be shared by the Madras Government and the public body concerned at any mutually agreed ratio.”

SRI R. SURYANARAYANA RAO:—“May I know whether Mr. J. L. Pavamani, who was trained in pottery, could not have been absorbed in the Government Ceramic Factory at Gudur?”

THE HON. SRI K. MADHAVA MENON:—“Because it was not possible to absorb, he was not absorbed. Under the conditions laid down, the scholars have to be offered a gazetted post within five months of their return from overseas. Otherwise they are entitled to release.”

SRI R. SURYANARAYANA RAO:—“May I know whether there is any list of candidates selected for deputation to overseas training?”

THE HON. SRI K. MADHAVA MENON:—“There are some people who have been selected under the old scheme. But they could not be sent, as they did not secure admission in the respective institution in time.”

SRI R. SURYANARAYANA RAO:—“As the selection was made a long time ago, will the Government revise and bring the list up to date?”

THE HON. SRI K. MADHAVA MENON:—“If candidates are sent, it will be under the revised scheme referred to in clause (e) of the answer. A revised list under the modified scheme is under preparation.”

Clauses (a) and (c) of the question. A statement showing the posts in which some of the overseas scholars who returned from abroad, have been appointed is put up at 'X'. It will be seen from the statement that 24 scholars have been absorbed in the several depts. of Govt., that in the case of 15 scholars the question of employment is under consideration, that three scholars have been released from the bond for want of employment and that in the case of one scholar the bond has been forfeited for his refusal to accept the employment offered by Govt. and that he has been ordered to refund the money spent on him.

Clause (b): The information required in this clause is not readily available. The Hon'ble member may be informed that the Govt. have no information accordingly.

Clauses (d) and (e): The Govt. of India have decided to revive the Overseas scholarship scheme in a modified form. Under the revised scheme the persons to be sent abroad will be mostly departmental candidates. Private candidates may be sent in exceptional circumstances. The mode of selection, form of bond, etc., have not yet been settled by the Govt. of India. A draft answer is submitted. It may be circulated H.M.(Edn.) for approval.

(c) Surely information should be available of those who were in govt service before. In any case, we know how many have been newly appointed, which should give the balance of those who were previously in govt service and returned.

Ref. Secy's remarks on the previous page under clause (c).

Submitted that Govt servants, either temporary, officiating or permanent, were not eligible to apply for Government Scholarships during the first 2 yrs, viz. 1945-6 and 1946-7. It was only in the 3rd yr, 1947-8, that Govt servants were permitted to apply. Temporary Govt servants who were not eligible for study leave had, however, to resign their posts under Govt for taking up the scholarships. There is no definite information as to the number of such scholars. Govt servants eligible for study leave who were selected under the scheme, are the following:

- (1) ~~Subramanian~~ Mr. Jendaran Walter.
- (2) Mr. G. N. Reddy.
- (3) Mr. M. V. Suryaprakasam
- (4) Mr. S. Sankaralingam.

Perhaps the following answer may be given to clause (c):

"Govt servants were not eligible to apply for the scholarships in the first two years. In the 3rd yr, 4 Govt servants were selected who had chance of permanent

(N)

retention in service, were selected."

2. Secy's remarks under cl (c) p 4 are

The following answer may be given:

"The scope of the scheme has been enlarged so as to meet the requirements of Universities, Research institutions and public bodies etc. This Govt will have to meet the entire cost in respect of their Officers deputes for higher studies.
