No. 2060/49-2

Dated the 5th August 1949,

Sub: Basic Education - All India conference and
exhibition 1949 - Committee for conducting
conference - Additional member - Appointed-

Government Memorandum 17559-49-2-B2 - Edn.,
dated the 9th March 1949.

In paragraph 2 of the Memorandum cited above, the Government have authorised me to arrange for the exhibition in connection with the All India Basic Educational Conference. Accordingly a few important exhibits such as typical examples of South Indian bronzes, albums of archaeological and art specimens, a number of photographic enlargements, sample volumes of all museum publications, had to be taken to Perianaickenpalayam from the Museum and an expenditure of Rs. 60-8-0 had to be incurred in this connection as freight, cooly etc. charges from this office contingencies. The exhibition was extremely useful in letting the large number of delegates and visitors from all parts of India to know something about the range of the collections in the Madras Government Museum. Immediately after the exhibition, such a prominent educationist as Shrimati Asha Devi visited the Museum and purchased some copies of the photographs for use in her publications. As the exhibition was arranged more as an extra-mural activity of this Museum than as a part of the Basic Education Conference, it was felt not right to claim the contingent expenses from the conference funds. What the

conference authorities wanted to be arranged was an exhibition of Tamil culture which could not be done in the very brief time at our disposal. The expenditure was therefore treated as part of the regular contingent expenditure of this Museum. But the Accountant General, Madras has now raised an objection that specific sanction of Government is necessary for incurring these charges from the Museum funds. I am therefore to request Government will be pleased to approve my action in having incurred the expenditure of Rs. 60-8-0 in connection with the exhibition referred above.

Yours faithfully,

A. Arjathan
