With reference to your esteemed order numbered as above, I have the honour to place before you the following for your kind consideration. I am prevented from appreciating the nature and extent of the favor done to me, as I am ignorant of the terms of the G.O.s and the communications from the Central Government and the Director of Agriculture quoted at the top of your communication.

1. So far as my position relating to the Government is concerned, I was sent as an Overseas scholar to qualify myself in the subject referred to in your order and I acquired such qualifications after the requisite training in U.S.A.

2. I was to be provided with a suitable job by the Government, of not less than the rank of a Gazetted officer within 5 months of the date of my arrival.

3. If I was not so provided within that period, I was to be at liberty to apply for release from the terms of the bond I executed in favour of the Government to serve the same for five years.

4. Inspite of my communications to the Provincial and Central Governments from the date of my arrival on 3rd February, 1949, I was not provided with a post till now.

5. The present communication from you falls short of of a post suitable to my qualifications as clearly set forth in the bond, as it is (i) temporary, (ii) subordinate service. I am aware that such of the overseas scholars as have been provided with appointments, their position is in the higher rank, with higher pay and prospects.

6. As I am out of job, and have been leading a very uncomfortable life from the date of my return from U.S.A., as I was not free to apply for a job elsewhere, I am thankful for.

3

K
for the favour done me by giving me an appointment, and I shall be glad to accept it provided it is not regarded as one granted by the Government in pursuance of the terms of the bond and a release from my bond is categorically sent to me along with the appointment order contemplated in the above communication, thus enabling me to apply independantly for suitable posts in the Government or outside. I trust you will feel no difficulty in granting this request, as the post offered is shown to be only temporary.

M
In any event, I request you to send me a memo releasing me from my obligations under the bond, as I feel I am entitled to the same according to the terms of the bond and later amendments made by the Government.

Thanking you in anticipation,

Yours faithfully,

M. Giriraj

Coorcas Scholarships -
Employment of returned scholars

Scholars sponsored by this Govt
under the Coorcas Scholarships Scheme
to be provided with gazetted posts within five
months of their return to India. The procedure
followed regarding their employment is that on
receipt of the employment forms in the
L.P.H. Dept they are forwarded for necessary
action to the Dept which sponsored the scholar.
That Dept then consults the heads of Depts
concerned and if a suitable post is not available
the matter is referred to the L.P.H. Dept for
exploring the possibilities of his employment under
other Depts and other Govts. This procedure
has to be completed within five months of the
return of the scholar to India. It has been
observed that in some cases sponsoring dep'ts
require a long time to come to a decision
whether a scholar can be offered a suitable
post or not and by the time it is referred
to the L.P.H. Dept the period of waiting expires
and the scholar has to be released from
the bond. To prevent the loss to the Govt
of the services of the scholars by the delay
involved in the above procedure, it has
been decided that the sponsoring dep'ts
should report to the L.P.H. Dept within
after the receipt of the employment forms
by them, the chances of the scholar's employ-
ment, indicating whether that Dep't should
consult other Dep'ts and Govts regarding

employment.

Subject:- Establishment - Marketing - Fruit Products
Order - Appointment of Sri M. Giriraj, Oversee
Scholar as Technical Assistant - Petition.

Ref:- From Sri M. Giriraj dated 16-7-1949.

Please see the petition from Sri M. Giriraj
at pp.1-2 c.f. With reference to the orders at
'A' on p.2 c.f. a draft memorandum acknowledging
the receipt of his letter is submitted for approval.

2. Sri M. Giriraj does not seem to be satisfied
with the appointment of the Technical Assistant under
the Fruit Products Order. He states that he will
accept the job provided it is not regarded as one
granted by the Govt. in pursuance of the terms of the
bond and a release from his bond is categorically sent
to him along with the appointment order so that he
can apply for suitable posts under the Government or
outside. He finally requests the Govt. to send him
a Memo releasing him from his obligations under the
bond.

The question of absorbing the petitioner was being
considered from July 1948, and the D.A. suggested
that Sri M. Giriraj might be absorbed in one of the
Gazetted posts proposed in connection with the scheme
of Fruit Technological Research Institute. But
as the scheme has not been sanctioned so far, the
D.A. was asked to suggest some other suitable
posts. The Director recommended that he might be
appointed as Technical Assistant under the Fruit
Products Order. The Govt. approved the proposal of
the D.A. and issued orders to appoint him temporarily
as Technical Asst, pending issue of ad hoc rules.

With reference to the requests of the ~~the~~ petitioner
Dept. The case may be sent to E & P.H. for remarks.

Issued at No. 751398/49-2

The file has been sent to his
Dept for remarks on A & B overleaf.
Sri M. Giriraj returned to India on 3.2.49.
According to the bond executed by him
and the subsequent order of his Govt,
he has to be offered a gazetted post within
five months of his return to India. The post
of Technical Assistant in G.O. 3695 D.O. 11.7.49
was offered to him after five months and
it is a non-gazetted one. Sri Giriraj is
therefore entitled to release from the bond
and as he has applied for release, we
may take order in circulation for his release
and send the file to his Dept for issue
of order.

The file may be returned to D.O.

Food (P) Department.

Please see the notes of the E & P.H. Dept. at p.2
(above regarding the release of Sri M. Giriraj, an Overseas
scholar from the terms of the bond. That Dept. states, that
as the scholar was not provided with a Gazetted post within
a period of five months from his arrival in India, he is
entitled to release from the bond. It is submitted that with
reference to the U.O. note of E & P.H., the question of
absorbing the scholar in a Gazetted post was engaging the
consideration of the Govt. from the beginning, but as there
was no suitable Gazetted post for the scholar, he was offered
a temporary post of Technical Assistant (non-Gazetted post)
in connection with the administration of the Fruit Products
Order. As regards the release from his bond, this Dept.
have no details regarding the terms etc., nor are there
similar cases dealt with. It would therefore seem appro-
priate that the E & P.H. Dept. may take orders regarding the
release from the terms of the bond. For orders whether the
case may be transferred to that Dept. for further action.

Summarising Note

E.P.H(E2)deptt.

Sri M. Giriraj was selected in 1946-7 for
advanced studies in "Canning and Food Preservation" with
the intention to absorb him in the Industries or Agricul-
tural Deptt. on return. After completing his studies in
the U.S.A. he returned to India on 3-2-49. Overseas
scholars have to be provided with gazetted posts within 5
months of their return to India. The Director of Agriculture
suggested that the scholar might be absorbed in one of the
gazetted posts proposed in connection with the scheme of
Fruit Technological Research Institute but as the scheme

had not been sanctioned he was asked to suggest some other suitable post. The Director then recommended that the Scholar might be appointed as Technical Assistant (non-gazetted post) under the Fruit Products Order and as there was no suitable gazetted post, the scholar was offered that post on Rs.200 p.m. in the scale of Rs.150-10-250. The scholar is not willing to accept it as it is temporary and not a gazetted one and falls short of a post suited to his qualifications. He has therefore asked for release from the ~~land~~ ^{bond}. It is proposed to release him from the bond. A draft order is submitted for approval. For orders as to circulation. ⁵ H. M. (S.H.) + H. M. (Agri).

Did we inform G.I. of the availability of this scholar. They may have a post, & into which he cannot be forced now. In future why should we not do this, and also consider well in advance of the scholar's return the question of their absorption - examine quickly
A
25/8

Submitted that the Govt. of India were not informed of the availability of the scholar for the reasons stated below:

In connection with the employment of another scholar (Sri N.V. Subba Rao), this Govt. asked the Govt. of India whether they would require his services and in their reply they remarked as follows:-

" the Govt. of India wish to emphasize again that the Provincial Government should take the responsibility of employing all scholars sponsored by them under this Ministry's Overseas Scholarships Scheme and they should not, as far as possible, try to impose their scholars on the Central Govt. for employment....."

5
8
The Govt. of India were constrained to remark thus in view of the difficulty they were experiencing in finding suitable posts for the large number of scholars sponsored by them and also for the scholars sponsored by the Governments of Sind and North West Frontier Province who opted to ^{serve in} India after partition, whose responsibility they had to shoulder.

2. This Government therefore consult the Govt. of India regarding the employment of their scholars only if the sponsoring department is not able to offer suitable posts to the scholars. In the present case, Sri Giriraj was sponsored by the Dev. Department. On receipt of the his Employment Forms from the Govt. of India, they were forwarded to the Dev. Department for necessary action. As stated in the summarising note above that department proceeded to find a suitable post for him and eventually were able to offer ^{only a} Non-Gazetted post which the scholar is not willing to accept under the terms of the bond.

3. As regards Secretary's suggestion at 'A' on page 4 ante, the Overseas scholars have to submit their Employment Forms at least 4 months before their stay abroad comes to an end. The Forms are submitted through the ^{Indian} Embassy or the High Commissioner and the Govt. of India and ordinarily they are received by this Govt. before the scholars returned to India. All the forms are received in the E. & P.H. deptt. and they are immediately forwarded to the deptt. which sponsored the scholar, for necessary action. In a number of cases of scholars sponsored by the P.W.D. and the Education Deptt., appointment orders were issued before the scholars returned to India.

4. The question of finding suitable employment for the scholars sponsored by the Education & P.W.D. Deptt. does not ^{present} offer much difficulty for the reason that these scholars were selected for advanced studies against existing vacancies or anticipated vacancies in those deptts. In the Education Deptt. and ...

6
experienced in finding posts for the few scholars selected for advanced studies in Marine Engineering and Aeronautical Engg. because contrary to the expectations at the time of their selection, the Marine and Aeronautical courses could not be started in the Engg. Colleges.

5 It is in regard to the absorption of the scholars sponsored by the Dev. Deptt. that real difficulty is felt. These ~~seela~~ scholars were not selected against existing vacancies in all cases; the selection was made on the assumption that in the post-war period the ^{development} ~~Dev.~~ schemes of the Govt. and the expansion of private industries would create sufficient demand for their services. But these things did not ~~happen~~ ^{materialise} to the extent expected. So far, no private industry has absorbed any scholar. Dev. Deptt. are not therefore able to offer suitable posts to all the scholars sponsored by them.

6 When a sponsoring deptt. does not find it possible to offer a suitable post to a scholar, the matter is reported to the E. & P. H. Deptt. That Deptt. then proceed to explore possibilities of his employment in other departments of the Government. Simultaneously ~~enquireies~~ enquiries are made to the Govt. of India, ^{other} ~~the~~ Provl. Governments and the Universities whether they ^{could utilise} ~~want~~ the services of the scholar. In the meantime if the period of waiting expires and the scholar asks for release from the bond he is granted release.

Sir,

Re: My letter dated 16th July 1949.
Sub: Release from the bond requested.

It is a month and a half since I have written
my last letter (quoted above) requesting you to grant
me a release from the bond I signed in favor of
the Government in August, 1946. I have not so far
heard anything from the Government.

As the Government has failed to offer me
the job suitable to my qualifications and ^{of study} subject for
which I was sent abroad till this time, I request
that a memo be granted to me releasing me from
the terms of the said bond.

Thanking you,

Yours faithfully,
H. Giriraj.

My: My letter dated 18th July 1947.

Re: Release from the book requested.

It is a matter of fact that I have written
my last letter (printed above) requesting you to grant
me a release from the book I request in favor of
the Government in August, 1946. I have not so far
received anything from the Government.

As the Government has failed to offer me
the best possible to my satisfaction and request for
which I am not allowed this time, I request
that a release be granted to me releasing me from
the terms of the book bond.

Thanking you,

Yours faithfully,
