R.C.No. 1149-W4/49 dated 19th August, 1949

SIR,

NATIONAL CADET CORPS--Junior Division--Steno-Typist for the  
Liaison Officer.

In submitting herewith a copy of letter No.R.C.1383-W4/49 dated 16.8.1949 from the Liaison Officer, National Cadet Corps, Junior Division, I have the honour to state that he has to do plenty of work in corresponding with the schools in the Madras Presidency. In addition he has to deal with the work in Mysore State and Coorg, as he is also in charge of the National Cadet Corps Units, Junior Division in these areas. Very frequently he has to correspond direct with the Sub-Area Commandant, and Director, N.C.C., New Delhi. In order to give necessary instructions and training to cadets he has to do a lot of touring also. As the work has to be done quickly, he feels that a Steno-Typist is quite essential.

I therefore support the request of the Liaison Officer and recommend the post of a Steno-typist for the Liaison Officer.

3. I request the favour of urgent orders in the matter.

Yours faithfully,

*K. S. Srinivasan*

Enclosure.

Copy of No.R.C.1383-W4/49 dated 16th August 1949 of the Liaison Officer, National Cadet Corps, Junior Division, Office of the Director of Public Instruction, Madras to the Director of Public Instruction, Madras.

Subject:- Steno - Typist.

I have been posted here as Liaison Officer to organize the National Cadet Corps of the Junior Division in Madras, Mysore and Coorg. From my few days experience, I have found that I have to do a very heavy work of corresponding with about 60 institutions in the above Provinces, with the Governments of Madras, Mysore and Coorg and Ministry of Defence, Area and Sub-Areas Hqs.

In addition I have to do a lot of touring. I will be touring for about 3 weeks in a month visiting all the National Cadet Corps Units and I will have to write tour notes and reports. A letter issued from my office has got to be sent to about 60 places and many letters have to be issued in addition to the daily routine work.

P.T.O.

I am sure you would agree that under such circumstances a steno-typist is absolutely necessary for me. So action may kindly be taken in the matter at your earliest convenience; because without a Steno-typist work is very greatly suffering and correspondence gets delayed.

The Liaison Officer proposed to be sent by the Director, National Cadet Corps will work in the office of the D.P.G and she will attend to the work connected with the organisation of the Junior Division of the N.C.C. in this Province. The D.P.G has now requested the employment of a separate typist for the Liaison Officer to enable the work relating to the NCC to be done quickly. It is proposed to raise 21 units + 2 sub-units (with a strength 1950 Cadets) of the division in the current year. The teachers who were sent for undergoing trg. with Regular Army units before they are applied as NCC officers have just completed their training & the units will be formed shortly in high schools. As soon as the units are raised, there will be a definite increase in the correspondence re. to NCC and there will be sufficient work for the typist. In the circumstances, this dept. may press the proposal for the employment of typist in the Dir's office in the scale Rs 45-90 with a Spl. pay of Rs 107- p.m. for higher grade qualification in 'Type writing'. It may be laid down that the typist must be appointed after the Liaison Officer joins duty.
