provision of Police guards.
Re: Education and Public Health Memorandum No.

The armouries at the Christian College, Tambaram, the
St. Joseph College and the National College, Tiruchirapalli,
were inspected by the respective District Superintendents of
Police and they have reported that the present arrangements
for guarding the arms and ammunition of the National Cadet
Corps are satisfactory and that no police guard is necessary.
I agree with them.

2. The District Superintendent of Police, Tiruchirapalli
says that even the Gurkha watchmen will be redundant as the
U.O.T.C's own lascars sleep on the premises during night.

3. The District Superintendent of Police, Chingleput
suggests the employment of Gurkha watchmen in addition to
the present watchmen after carrying out the following
improvements in respect of the Armoury at the Christian
College, Tambaram, as added safety precautions.

- i) Provision of an outside grille to the window
- ii) The main grille door to be of the modern
sub-Jail cell pattern
- iii) An inner grille door fastened with 2 pad-locks
- iv) The pad-locks to be securely sealed when the armoury is
not in use.

4. With reference to the report of the Officer Command-
ing, 2nd Madras Battalion, National Cadet Corps, Tiruchirapalli,
about the safe custody of the arms of the Government College at
Kumbakonam, I have to state that at present, the arms are being
kept in the Kumbakonam Police Station as a temporary measure
pending the construction of an armoury on the site already
selected by the company commander.

Sir,

I regret that it has taken a long time to deal with your letter of April 13, 1949, because it arrived at the beginning of our long vacation, and the Senatus, the only body authorised to spend money, did not meet until August 9th. Meanwhile I have been making enquiries regarding the additional iron work which the Police have required, but have not so far had any tenders made at a price that is within our resources. I am meanwhile strengthening the armoury by adding a second padlock as advised by the Police, and will continue to make enquiries about the double grille at the door and at the window, if you so instruct.

 National Cadet Corps - Senior Division - 2nd Madras
 Battalion - Tiruchirappalli - Improvements to armouries
 in Colleges + Provision of Police guards

From the D.G. of Police Re. no 101/R.A/49 217.3.49

Under the scheme for the formation of a
 National Cadet Corps, units of the Senior Division
 have been raised in the St Joseph's College, ^{the} National
 College, ^{Tiruchirappalli} the Govt College Kumbakonam & the Madras
 Xian College, Tambaram. Except the Govt College Kumbakonam,
 all the other colleges have their own armouries where
 the arms & ammunition of the college unit can be
 kept. According to the instructions issued by the Director
 N.C.C., the responsibility of the safe custody of the
 weapons & ammunition issued to the units of the N.C.C.
 rests upon the Provincial Govt and they have to
 construct armouries for keeping the weapons &
 ammunition and also to provide suitable & sufficient
 police guards to ensure absolute protection for
 the weapons & ammunition. More police will have to
 be enlisted if it is found necessary to build
 armouries within the college or school premises
 instead of by the side of the police armouries.

The St Supds of Police who inspected the
 armouries in the colleges at Tiruchirappalli &
 Tambaram have reported that the present
 arrangements at the colleges at Tiruchirappalli
 are satisfactory and that certain improvements
 should be carried out to the armoury at the
 Xian College Tambaram. It has also been suggested
 that a Gurkha watchman maybe employed to
 guard the armoury at Tambaram.

The Officer Commanding the 2nd Madras Bn.

may be asked to instruct the Principal of the Madras Christian College to carry out the improvements and it may be left to the Principal to apply for financial assistance from Govt for that purpose. If the management is prepared to bear one-half of the cost of carrying out the improvements suggested to the armory as in the case of other buildings constructed for the College, it may be welcomed. Otherwise the Govt will have to meet the entire cost of carrying out the improvements from their works.

The expenditure on the employment of a Gurkha watchman may be taken into account in assessing the teaching grant, but if the management wants that the full cost should be reimbursed, it will have to be met.

A draft memo is submitted below for approval. Finance may see before issue.

I had to-day inspected the armoury at Christian College, Tambaram and I am of opinion that the room is now fairly well secured, the improvements suggested by one of my predecessors having been carried out.

2. Regarding the posting of a Gurkha Watchman which has already been permitted by the Government in their G.O.No.2788, Education, dated 6th September 1949, I am of opinion that it is necessary to employ such a watchman by night only. If a Gurkha is not available, an ex-soldier or ex-Policeman may be appointed.
