Sir,

No. 0042/11/35, dated 1 Sept 1949

Sub: TRAINING FILMS.

The National Cadet Corps, Director under his letter No. 0078/49/NCC dated 7th Apr '49 has suggested a list of Military Training films that may be shown for the N.C.C. Cadets in furtherance of their training. The films are of two dimensions namely 11 mm and 35 mm. This college is having the required projector etc, for 16 mm film and hence there is no difficulties for their exhibition here.

But though 35 mm projector is available here, the sound part of the same has gone out of order and hence the projector itself is of no use. Consequently I have made arrangements with HQ. Madras Sub Area, Madras for exhibition of 35 mm films. This arrangement will involve the cost of transport of the cadets from here to Fort St. George, Madras and back. This amount may roughly to Rs. 20 per show. Permission is thereby requested to incur the above mentioned expenditure as and when 35 mm films are to be shown in Fort St. George, Madras. However every effort will be made to ~~show~~ exhibit at a stretch two or three training films to minimise the transport expenditure as far as possible.

As we have already got 4 x 35 mm training films ~~already~~ already with us and since these are to be returned to respective Army Commands from where they were received, by 9th Sept '49, an early reply for this letter may please be given.

~~An early reply for this letter may please be given.~~

Yours faithfully,

OGR/Kpg
