R.O.C. No.362 M/48 dated 29--8--1949.

Sub: BASIC EDUCATION - Deputation of officers to
Sevagram for re-training in Basic Education.
Ref: G.O.No.Ms.964 Edn., dated 4-4-1949 and Government
Memo No.53450 B2/49-2 Edn., dated 18-7-1949.

With reference to para 1 of the G.O. referred to above, I
recommend the deputation of the following officers to Sevagram
for re-training in Basic Education this year:-

Malayalam area:-

1. Sri K. Balakrishnan, Madras Public Service Commission candidate.
2. Sri A.S. Adivenkatadri -do- -do-
3. Sri P.K. Narayana Ezhuthachan -do- -do-
4. Sri V.R. Krishnan -do- -do-
5. Sri A.K. Appu -do- -do-

Kannada area:-

1. Sri K.P. Suryanarayana Rao, Madras Public Service Commission
2. Sri B.R. Gopalakrishna Rao, School Assistant, Govt. [candidate].
Training School, Hospet.
3. Sri M. Narayanachar, School Assistant, Govt. Training School,
Badvel.
4. Sri B. Srinivasachar, Deputy Inspector of schools, Coondapur.

Tamil area:-

1. Sri N. Subramanyam, School Assistant, Govt. Trng. School, Mettur
2. Srimathi G. Karpagavalli, School Assistant, Government Training
School for Mistresses, Tiruchirapalli.
3. Srimathi L. Vyramuthu, School Assistant, Government Middle school
for girls, Little Conjeevaram.

Telugu area:-

1. Sri Ch. Srinivasa Rao, School Assistant, Government Training
School, Nellore.
2. Srimathi E. Padmavathi, School Assistant, Govt. Secondary school
for girls, Bellary.
3. Srimathi D.S. Leelavathy Cole, School Assistant, Govt. Training
School for Mistresses, Cuddapah.

I request Government to approve of the above selection. I
may be permitted to select the sixteenth candidate in due course
and depute him.

The Government in their Memo. referred to above approved
my recommendation that the trainees should be granted a stipend
of Rs.25/- per mensem during the periods of preliminary training
and practice teaching, but no mention is made about the payment
of the usual pay and allowances to those in service. I presume
they are eligible for the same during the preliminary training and
practice teaching periods. In the case of the candidates selec-
ted by the Madras Public Service Commission who are recommended
for deputation to Sevagram, I recommend that they may be given a
stipend of Rs.50/- per mensem during the periods of preliminary
training and practice teaching, since they are not eligible for
any pay and allowances during these two periods of training.

During the period of training at Sevagram, the officers
deputed from service are given only their usual pay and allowances
and not given any stipend as the entire expenditure including

Mad.

A) boarding and lodging charges are met by the Government. The (Services) Commission candidates who are deputed for re-training in Basic Education at Pentapadu ~~and~~ or Perianaickenpalayam or for training in the Teachers' College are paid a stipend of Rs.50/- per mensem. At Sevagram since boarding and lodging charges amounting to Rs.30/- per mensem are paid by Government direct to the institution, I suggest that the Madras Service Commission candidates deputed may be paid the balance in the form of a stipend of Rs.20/- per mensem during their period of training at Sevagram. They may also be paid travelling allowance for their journeys to and fro as on tour.

I request the favour of early orders.

The Govt. approve the selection of officers made by the D.P.I. (15 in number) for deputation to Sevagram, Wardha for training in the scheme of Basic Education organised by the Hindustani Talimi Sangh. The Director is authorised to select the sixteenth candidate and depute him to Wardha.

Finance (C.S.R)

In para 4 of the draft on p.1 above, it is provided that officers in Govt. service and candidates selected by the M.P.S.C will be eligible to draw T.A for the journeys to Wardha and back as on tour. It is stated that during the period of training, the boarding and lodging charges of the candidates are met by the Govt. If so, this dept. may advise that they should not be paid any daily allowance for the days of halt at Wardha and this may be specifically mentioned in the draft as suggested in pencil.

Candidates selected by the M.P.S.C are not apparently Govt. servants and the T.A Rules do not apply to them. It is not correct to say that they will be eligible to draw T.A as on tour. The rates of T.A have to be specified. Finance may perhaps suggest that they may be allowed single III class fare plus daily allowance at Rs. 2-0-0 and mileage at Rs. 3. If any separate rates have been allowed previously, E.P.H may be requested to adopt those rates.

The draft order on p.1 above may be accepted subject to the above remarks and subject to the amendments indicated in pencil.

Sir,

SUB: BASIC EDUCATION - Deputation of officers to Sevagram,
Wardha, for retraining - extension of period of train-
ing for two officers - Sri V.Krishnamoorthy and Srimathi
L.Vyramuthu - approval - requesting.

REF: G.O. Ms. No. 2796 Education dated 7---9---1949.

I have the honour to submit herewith a copy of the letter of the Principal, Nai Talim Bhavan, Sevagram, dated 13--3--1950 in which she has requested me to consider the question of extending - the period of training of two of the deputees, Sri V.Krishnamurthy and Srimathi L.Vyramuthu, officers of this department who were deputed for training with reference to the G.O. quoted above for a further period of two months from which date they complete their present course of training (from 1st April 1950). In the circumstances stated in her letter, I have issued orders allowing the two teachers to continue to remain under training as suggested by the Principal for two more months from 1--4--1950, since the prior approval of Government cannot be secured in time. The conditions of deputation will be the same as before. A bill for payment of tuition fees etc. due to the Hindustani Talimi Sangh will be submitted in due course. I request, therefore, that my action may kindly be approved.

Yours faithfully,

Copy of letter from the Principal, Nai Talim Bhavan, Sevagram, Wardha to the Director of Public Instruction, Madras.

I write to ask if you will consider extending the period of training of two of your deputees here for two months from April 1st 1950. The two trainees are -

1. Shri V.Krishnamurthi: This student is exceptionally good at craft and is much interested in it. He desires to master every aspect of the textile craft and to use his specialised knowledge of physics and mathematics to become an expert in this for training school work. I strongly recommend that the period of his deputation should be extended to allow him to do so. With two months of concentrated work he could become a most valuable worker in this line.
2. Srimathi L.Vyramuthu This student is also good at craft, and is particularly interested in the development of techniques for school children. She has made a bamboo charkha and she is now beginning to study the "Assam Weaving" on very light and simple looms which is suitable for introduction into the lower classes of the schools. This work cannot be satisfactorily completed within the time limit now fixed. If it is not possible to grant an extension of two months, at least one month may be granted, as this work also is of the greatest value in training schools.

Principal, Nai Talim Bhavan.
