GOVERNMENT OF MADRAS
Dramatic Art Revival Committee

Fort St. George, Madras,
16th August 1949.

For Secretary, E. & P.H.

Dramatic Art Revival Committee Staff
G.O.No.1294 Education dated 27.4.1949

Sanction was accorded for the appointment of a Stenographer and a Peon in the G.O. No.1294 Education dated 27.4.49. The services of a Stenographer could not be obtained for the Committee until 4th July. In view of the fact that no commission candidate was available or any one else allotted from any of the departments of the Secretariat, Sri S. Gopalakrishnan, with his special qualifications (viz. Shorthand and Typewriting Higher Grade with Distinction, in London Chamber of Commerce), was appointed to serve on the Committee as a Lower Division Clerk as the Committee was proceeding on a long tour. His appointment as Lower Division Clerk was ratified in memorandum No.53215-E 2/49-2 Edn. dated 20.7.49. His reporting work during the tour was exemplary and was to the entire satisfaction of the Committee. It is understood that he is not eligible for any allowance for his Shorthand and Typewriting though he practically did the work to the entire satisfaction of the Committee. The Committee wishes that his pay may be fixed as Rs.75/- in the scale of the Lower Division Clerk. (This does not entail any extra expenditure.) I am therefore directed to request you the Government to issue necessary orders fixing his pay accordingly.

I am also directed to submit that the clerk had to accompany the Committee in its tour in Class II and I am directed to request that sanction may be accorded for the actual expenditure incurred by him in the tour, as otherwise he would be put to pecuniary loss.

Orders on the above may be kindly issued as early as possible.

S. J. Chatterjee
SECRETARY. 16/8

EPH/E₂

Please see the note above.

A post of stenographer was sanctioned for the Dramatic Committee in G.O. 1294 Etn 27.4.48.

As a suitable candidate was not available, the Secy of the Committee appointed Sri Gopakrishnan temporarily as a lower division clerk and requested that his action might be ratified. It was ratified. Finance Dept observed in that connection that the appointment of a lower division clerk instead of a stenographer would result in savings to Govt as the L.D. clerk would not be eligible for shorthand and typewriting special pay.

2. The scale of pay for lower division clerks is Rs 51-3-75-2½-100.

If a qualified stenographer was appointed

he would have to be paid a special pay of Rs 35/-. As the candidate in question does the work of a stenographer also the request for fixing his pay at Rs 75/- may be allowed.

3. As regards the 2nd point raised by the Secy of the Committee, viz, 2nd class only for the clerk, the clerk is eligible only for 3rd class and he should not have been permitted to travel in 2nd class. However, it is for consideration whether, as a special case, he may be granted 2nd class t.f. for his tour alone. ~~Pub (or) a~~ This may see for remarks.

Finance (Etn)

Notes on pp 1-3 above may be perused. With reference para 2 of E.P.H. Dept's note on pp 2-3 above, it is submitted that the proposal of E.P.H. for the fixation of the pay of the L.D. clerk (provisionally drawing Rs 51/- p.m) at Rs 75/- for the reason that he is doing the duties of a stenographer is not in order, as shorthand special pay can be ~~can~~ allowed only against sanctioned posts of stenotypists. As a L.D. clerk is not working against the post of a stenographer sanctioned in G.O. No. 1294 Etn 27.4.48, he cannot draw any special pay nor can he be allowed any higher starting pay for his shorthand qualifications.

As the L.D. clerk is stated to possess stenographic qualifications, E.P.H. may consider the feasibility of appointing him as a stenotypist against the post of stenographer sanctioned in G.O. No. 1294 Etn 27.4.48 and allowing him the shorthand special pay of Rs 35/- p.m, if

it is admissible to him under the rules.
Accordingly.

29/8/49

Travelling allowance According to G.O. 2 Fnd 24-1-49
The clerk is eligible for a single III class railway
fare plus daily allowance as he is a grade XI officer.
The rules are now enforced strictly and the Govt.
are opposed to relaxations being made in
individual cases. Consistent with the present
policy, this Dept. have recently advised against
the grant of I class railway fare to Mr. Balasubramaniam,
Asst Engineer, P.W.D. in connection with his
journey to Delhi by I class (for want of accommo-
dation in II class). The present case is similar
to the one referred to above and finance may
advise of therefore advise that the request be to
rejected. reimburse the cost of travelling by II class be rejected as exception

Please see Fin. Dept. order above.
A above. Sri S. Gopalakrishnan was
posted (as a h. D. clerk) because no qualified
stenographer possessing a knowledge of Telugu
was available. This candidate is stated
to have passed shorthand and type writing
(higher grade with distinction) of the London Chamber
of Commerce. Pub (ser) may be consulted whether, let
this qualifn. he can be posted as stenographer and
paid the special pay of Rs 35 p.m.
This Dept may agree with Fin on this other point.

PUBLIC DEPARTMENT

PUBLIC (SERVICES) DEPT.

Please see the E. & P.H. note on p. 4 ante. A pass
in the shorthand and typewriting (Higher grade) of the
London Chamber of Commerce is not recognised as an equiva-
lent qualification for a pass in the shorthand and type-
writing (Higher Grade) of this Government. Sri S. Gopala-
krishnan will not therefore be eligible for the shorthand
special pay of Rs. 35/- p.m., if he is appointed as a steno-
typist. E. & P.H. may also consult the section of E. & P.H.
Department which deals with equivalence of qualifications
with reference to Government examinations.

May be returned to E. & P.H. Dept.

29/8/49 2/9/49 There is no objection to
particular individual being appointed as
a stenographer but he will not be eligible
for any special pay for doing shorthand or reporting
work. This seems to be a solitary post not
attached to any dept of the Govt or head of dept & is
absolutely temporary. Apparently for this reason no
fully qualified or regularly selected suitable candidate
has become available. The solution will be
to sanction a temp post of clerk in Rs 25/- a
month in lieu of stenographer. This is also cheaper
as a stenographer has to be paid Rs 51/- 35/- & 86/-
In view of the isolated & purely temp nature
of the work the ordinary salary payable
to regular post servants cannot be applied
to this post, where the incumbent has to be
attached to a non official Committee & has to
do the clerical, typing & reporting & work
relating to arrangement of house, meetings
etc. This dept may therefore suggest that a clerk
on Rs 25/- may be sanctioned in the place of a
stenographer already sanctioned. With a view
to keep the post outside the rules, a condition maybe
attached to the appointment of the person that he is
liable to be discharged on one month's notice
or less.
