Sri R. Krishnan, a passed L.C.E. student of this College has been working as a Draughtsman in the office of the District Engineer, South Indian Railway, Villupuram from 12-3-1948.

2. The services of the Practical training students in the P.W.D. and some other Government departments have been recognised as practical training. R. Krishnan's work as Draughtsman involved the preparation of detail plans and estimates for all kinds of Railway works such as Buildings, Roads, Steel structures etc., and survey and site particulars for preparation of necessary detail plans and estimates such as watering and drainage arrangements at Madras Egmore, Cuddalore etc.

3. The confidential report on his behalf forwarded by the District Engineer, Villupuram for the period of practical training is satisfactory. A copy of the report is herewith enclosed for your kind perusal. I consider that his services in the South Indian Railway as a Draughtsman may be recognised as practical training for the purpose of award of the College Diploma.
