Sir,

I am directed to say that one Mr. T.P. Jasudasa Subramanian of Sri Ravivarma Homes, Nellikunnu, Trichur, Cochin State, who is blind and has passed the S.S.L.C. examination is anxious to receive higher education. He has been unable to get admission in a suitable college in Cochin and has, therefore, applied to the Registrar of the University of Madras for admission in one of the two Government colleges in Malabar, namely, the Victoria College in Palghat and the Brennen College in Tellicherry. He does not need any special facilities on account of his blindness.

2. Experience in many progressive countries of the world as well as in our own country has proved beyond a shadow of doubt that blind persons with the requisite intellectual ability are quite capable of receiving higher education on an equal footing with the sighted. Several blind persons have succeeded in receiving very good higher education from the Universities of Calcutta, Patna and Bombay and are doing well as teachers, lawyers etc. Educated blind persons have been found to be able to hold their own in a number of professions. The Government of India are, therefore, anxious to encourage promising blind students to receive higher education so that they may be able to play their part as useful, self-respecting and contented members of society.

3. It will, therefore, be appreciated if you will kindly try to help Mr. Subramanian in getting admission in the Victoria College or the Brennen College. This may kindly be treated as urgent and this Ministry may kindly be informed as soon as possible of the steps taken by you.

Yours faithfully,

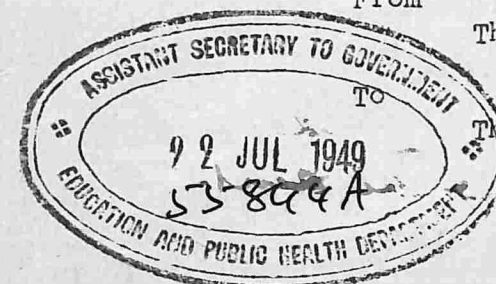

(R.M. HALDER)
for Secretary.

Extract of the letter No.A.Ho/623/49 dated 30-7-49 from the Principal, Govt. Victory Memorial School for the Blind, Boonamallee, to the Director of Public Instruction, Madras.

Sub:--Blind School, Poonamallee--Sri Jesudas Subrahmaniam--Admission to a College.

Ref:--Director's Roc.996/K4/49 dated 27-7-49.

1. The Registrar has replied that Sri T.B. Jesudoss Subrahmaniam might apply to the Principal of this College which he wishes to join. But, such an application has not been made.

2. A braille Type-writer is not available in India, and one should be ordered for from Germany. It takes two months at least to get one from Germany. It costs about 70 dollars i.e. Rs.230/- Until one is got, he may manage with the writing Board.

3. The candidate should make his own arrangements for boarding, lodging- guiding. A stipend of Rs.35/- p.m. may be given for 12 months of the year, and he must manage everything with that.

4. He can follow the lectures. No special training is needed for a teacher of the College. But the answer papers of the Annual and final examinations which will be in Braille have to be sent to A Brailist for valuation. Other terminal tests may be done orally.

5. Books prescribed by this University cannot be had in Braille. He has to get the ink print books and have them read to him by a friend.

6. If the Director is pleased to have Sri Jesudoss Subrahmaniam admitted into a College, a monthly stipend of Rs.35 - throughout the year, and a lumpsum grant of Rs.500/- for the typewriter and books and papers have to be sanctioned, besides freeship. The student is agreeable to this, what remains after buying the typewriter and other special appliances, may be left with the Principal for supply of books and papers etc., The typewriter when done with should be returned to this school or the Department of Education.

In para 2 of the G.O. cited above, sanction was accorded for the payment of a stipend of Rs. 35/- to Sri T.P. Jesudasa Subramanian during the period of his College Course. The student reports that as prices of essential articles have gone high, he finds it difficult to maintain himself within the amount of stipends now paid to him and requests that the present rate may be increased by Rs. 10/- or 15/-. The Principal of the Brennen College, Tellicherry also recommends the request of the student. In the circumstances, I recommend that Government may be pleased to sanction with immediate effect a stipend of Rs. 45/- per mensem during the period of the College course of the student.

2. I solicit attention to my T.M. dated 30-3-50 in regard to the payment of stipend to the student during vacation and request the favour of early orders thereon.

Last year I was receiving Rs.35/- per month from the College to meet my expenses in boarding and lodging. I had to spend the whole amount. I was living in a private house. That amount was insufficient to meet my expenses. This year onwards I need the following amount in order to carry on my life happily.

Boarding and lodging	Rs.40/-
Dhobi	3/-
Toilet	2/-
Pocket money	5/-

To live in private house is better than living in the College hostel. Somebody must dictate all text books and notes to transcribe into Braille system. To get voluntary help, a private Christian

So I humbly request you to grant me Rs.50/- from this year onwards.

Admission of a blind boy into the Government College, Tellicherry.

In the letter on page 1 c.f. the Govt. of India recommends that special facilities may be granted to one Mr.T.P. Jesudasa Subramanian who is blind and has passed the S.S.L.C. examination, to continue his studies in a college. The D.P.I., after consulting the Principal of the Govt. Victory Memorial School for the Blind, Poonamalle, recommends that the student may be given a lump sum grant of Rs.500/- for the purchase of a Braille typewriter and books and a monthly stipend of Rs.35/- p.m. in addition to exemption from payment of tuition fees. The Director proposes to admit the student in the Govt. Brennan College, Tellicherry. It seems that the Govt. should encourage the student in getting higher education. The proposal may be supported in this department.

The file may be sent to Finance for remarks.

studies in a college may be given the concessions mentioned below:

- (i) a lump sum grant of Rs 500/- for the purchase of a Braille Typewriter (costing Rs 230) and books; The typewriter will be only on loan.
(ii) a stipend of Rs 35 p.m.; and
(iii) exemption from payment of tuition fees.

The DPI recommends the proposal and E.P.H. support the D.P.I.'s recommendation.

2. Item (i) above.

The proposal may be agreed to in this Dept. and what remains after purchasing

Item (ii) above. It is not usual to grant stipends to students in colleges. Further the amount of Rs 35 p.m. suggested is rather high.

Finance may perhaps suggest that one of the scholarships in the college may be allotted to this student. In this case there will be no extra cost on account of this part of the proposal.

Item (iii) in para 1 above.

The Govt. have exempted Harijans from payment of tuition fees. In view of the fact that the person concerned is blind, Finance

This is an exceptional case of a blind student undergoing the College Course. A stipend of Rs 35 p.m. may be agreed to.

Budget,

Sub: Colleges - Govt. Brennen College, Tellicherry.
Increase in Stipend to blind student,
Sri T. P. Jesudasa Subramaniam.
Read: G.O. No. 2872 Edn. D. 8-9-49.
From the D.P.J. No. 996k/4/49 d. 3-5-50.

In September 1949, this Govt.
para 1 on 11/11/49 asked the D.P.J., at the instance of the G.O.,
to arrange for the admn. of a blind student,
Sri T. P. Jesudasa Subramaniam in the Govt.
Brennen College, Tellicherry. The Govt. also
para 1 on 11/11/49 sanctioned an expe. of Rs 500/- on the payment
of a lumpsum grant to the student to be
utilised for purchasing a Braille typewriter,
books and other spl. appliances necessary.
para 2 on 11/11/49 The student was also exempted from the
payment of tuition fees and was sanctioned
a stipend of Rs 35/- p.m. during the period
of his college course including vacation
months. The D.P.J. now states that the
student has represented that he finds
it difficult to maintain himself with the
low amount of stipend sanctioned to
him as the prices of essential articles
have gone higher. ^{He has} therefore are requested
that the stipend amount may be increased
by Rs 10/- or Rs 15/-. The Director Principal,
Govt. Brennen College, Tellicherry, recommends
the student's request. The Director
recommends that a stipend of Rs 45/-
p.m. maybe sanctioned to the student
during the period of his college course,
with immediate effect. The Director's recommen-
dation may be accepted by the Govt. Fin.
may see for remarks.

Rs 35/- p.m. in Tellicherry seems
decent enough. He can spend any
amount if it is given. For orders.

With ref to the previous Secy's queries above, pl see the D.P.I.'s letter on p 5 cf. The Dir has reported that out of the lump sum of Rs 500/-, a sum of Rs 52.13.3 ^{only} was spent last year as detailed on p 7 cf. A further sum of Rs 1.11.0 is stated to have been spent in the current yr. The balance of the amount is to be retained by the Principal for purchasing books etc. for the student. Presumably the Braille Typewriter (the major item of expre) has not yet been purchased.

2. The student is ~~absolutely~~ living with a Christian family and not in the college hostel. In his letter on pp 7-8 cf. he states that he requires Rs 50 p.m. in order to carry on his life happily.

3. The student is a native of Trichur (Cochin). It is not clear whether the people with whom he is staying ^{now} are his

One T.P.Jesudasa Subramaniam, a blind student of the Government Brennen College, Tellicherry, was granted a sum of Rs 500/- for the purchase of a Braille typewriter, books and other special appliances and also a stipend of Rs 35/- p.m. for 12 months in a year for the duration of his college/course. The student was also exempted from the payment of tuition fees. He has now represented that he finds it difficult to maintain himself with the above stipend and that it may be increased by Rs 10 or 15. The D.P.I. has recommended that the stipend may be enhanced to Rs 45/- p.m. Edn. support the proposal.

The student should be in the II U.C. this academic year and the extra cost involved in sanctioning the increase in stipend for the entire college course will be Rs 360/- or Rs 480/- according as he will take up the Pass or Honours course.

2. It may be noted that, though it was not usual to grant stipends to students in Colleges, a stipend of

Rs 35/- p.m. was granted to the student in question in view of the fact that it was an exceptional case of a blind student undergoing the college course. The pecuniary concessions already granted being themselves very liberal, it does not seem ^{advisable} to give further assistance to the student by way of an increase in the rate of stipend. ~~As pointed by Education~~ ^{As pointed by Education} ~~As the student is apparently living with his relations and therefore~~ ^{a private family,} a stipend of Rs 35/- p.m. should be sufficient for his maintenance. Finance may, therefore, advise that the student may be informed that the Govt. are unable to increase the rate of stipend already sanctioned.

Reply (C)

At the instance of the G.O., Sri
Jesudass Suleramanian, a blind student from
Cochin, was admitted to the Intermediate Course
in the Grant Brennan College, Tellicherry, in
1949-50. A sum of Rs 500 was sanctioned for
him for purchasing a Braille typewriter, books,
special appliances etc. He was exempted from
payment of tuition fees and granted a stipend
of Rs 25 p.m. for the period of his College Course.
On representation that the stipend was insufficient
for his expenses, it was raised to Rs 40 p.m.
from July 1950.

The student was paid stipend
during the 12 months of the academic year 1949-
with the approval of the Grant The Principal
now recommends that he may be paid stipend
for the 12 months of the academic year 1950-
also in view of his extreme poverty and
blindness. The D.P.I. solicits orders whether he
may be paid stipend during the vacation
period of 3 months during the current academic
year. If it is inadmissible, he requests that
sanction may be accorded for payment of
stipend for the month of April '51 at least.

The stipend was sanctioned to the
student for the "period of his College Course".
It is doubtful whether the intention was that
it should be paid until he completed his
College education. Though it was paid for all

12

Stipend 20

the 12 months during the academic year 1949-50, the position is somewhat different this year as the student is appearing for the final intermediate examination in April '51. The College Course may be said to be over with the ~~final~~ ^{college} examination as there is no guarantee that the student will continue his studies. He may or he may not pass the intermediate examination and discontinue his studies. It seems therefore that the stipend should ordinarily be stopped with March 1951 when the college was closed for the final examination, which he is said to be taking now in Madras under the supervision of the Registrar, Madras U. An amount of Rs 150 has been sanctioned for this, which includes allowance for 20 days at the rate of Rs 3 per day and another sum of Rs 34 for 'contingencies', besides examination fees and up and down railway fare from Tellicherry to Madras. It seems therefore that in the ordinary course the stipend for the month of April '51 need not be paid. However, this is a very special case and seems to be the first of its kind. The student is said to be extremely poor and completely behind. It is desirable to encourage such students to take to higher studies. The student is likely to continue his studies and it will be an encouragement to him to go for degree course if he is paid the stipend during vacation also. This Dept may recommend that the stipend may be paid for April, May and June '51 also. The question of continuance after that period may be taken up if the student comes out successful in the examination and joins the College on re-opening.
