Colleges--Engineering Colleges, Guindy--Hostel--
Employment of additional Deputy Wardens.

I have the honour to submit for the favourable consideration of Government the following proposal for the employment of two additional Deputy Wardens for the hostel of the Engineering College, Guindy, during the current year.

2-In G.O.No.1344-Law and Education dated 6.8.1925 the Government sanctioned 3 posts of Deputy Wardens for the hostel attached to the Engineering College, Guindy. It is reported that the strength of the hostel in 1924 and 1935 was 233 and 473 respectively. With the expansion of the College, there has been an increase in the strength of the hostel also. Last year when the hostel had a strength of about 800 (including the students of the Engineering College, Anantapur) the Government sanctioned an additional post of Deputy Warden - vide G.O.No.2487 Education dated 19.11.1947. The additional post ceased to exist consequent on the shifting of the Engineering College, Anantapur from Guindy to Anantapur. The Principal, Engineering College, Guindy, now states that the shifting of the Engineering Colleges, Anantapur from Guindy has not reduced the strength of the hostel and that the present strength of the hostel is 822. He states that it is found not possible to manage the hostel with 3 Deputy Wardens. He has actually kept the hostel under the care of 5 officers during the current year. He states that there is a real need for atleast 3 additional Deputy Wardens to control the hostel efficiently. Considering the large strength of the hostel, I am convinced that it is not possible to manage it satisfactorily without atleast 2 additional Deputy Wardens. It is not possible for any Deputy Warden to supervise more than 150 pupils. I, therefore, recommend the employment of 2 additional Deputy Wardens on a pay of Rs. 50/- p.m. each for the hostel of the Guindy College during the current year.

Yours faithfully,

P. M. -

For Director of Public Instruction.

The proposal in the file is to sanction the employment of two addl. Dy. Wardens for the hostel attached to the Engineering College, Guindy. The proposal involves the sanction of a special pay of Rs 30/- p.m. to two of the eligible officers (M.E.S) of the Engineering College Guindy, who will be the proposed Dy. Wardens. The extra cost is Rs 720 p.a.

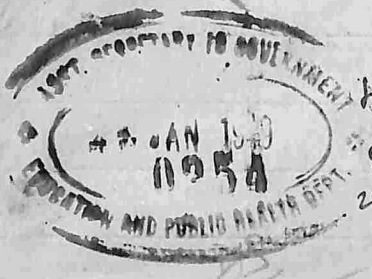

From para 2 of D.P.'s Ltr. imp. C.F., it is not clear how the strength of the hostel attached to the Engineering College, Guindy is still 822, even after the shifting of the Engg. College from Guindy. However as one addl. Dy. Warden has been sanctioned for the hostel last year when the strength was 800, this Deptt may perhaps agree to the employment of an addl. Dy. Warden in the present case also, as the strength is reported to be 820. There does not seem to be any justification for sanctioning the ~~two~~ addl. Dy. Wardens as proposed by E.H.H. The post

The D.P.'s states that it is not possible for any Dy. Warden to supervise more than 150 pupils. The strength of the Guindy College hostel is now 822 and there are only three Dy. Wardens.

There is therefore a definite need for two more Dy. Wardens and, in fact, the Principal is reported to have placed the hostel under the care of 5 officers during the current year. The proposal to employ 2 addl. Dy. Wardens on a special pay of Rs 30/- p.m. for each for the hostel during the current year may be pressed in this Deptt. The file may be

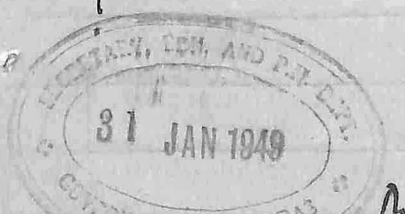

circulated to H.M. (Educ.) & H.M. (Fin) for orders.
