✓ The 14 posts of Secondary Grade teachers sanctioned in G.O.No.2656 Edn., dated 25-10-1948 were utilised in the school year 1948-49 as shown below and it is proposed to continue the same arrangement during the current school year.

- (1) 3 Secy. Grade Teachers for each of the standards VI to VIII since convert into forms I to III.
- (2) 1 " for the 2nd section in Form II
- (3) 1 " -do- Form II
- (4) 2 " for the 2nd and 3rd sections i Form I.
- (5) 2 " for -do- Std
- (6) 1 " for the 3rd section in Std. V
- (7) 2 " for the 3rd section and 4th sec in Std. III.
- (8) 2 " -do- Std.

In the current school-year it is reported that there is great rush for admissions. Representations from prominent reside in the locality have also been received by me for the opening of additional sections in the standards and forms.

To meet the immediate demand the Headmistress has proposed the opening of additional sections as detailed below.

MODEL ELEMENTARY SCHOOL: To open an additional section (second) in Std. I and a fourth in Std. IV by restricting the admission in Std. II to two sections and by utilising the superfluous provision for the additional sections now proposed.

MIDDLE SCHOOL-FORMS I to III:- An additional section in each of Form I to III i.e. 5th in Form I; 4th in Form II and 3rd in Form III.

The existing strength in Forms II and III warrants the opening of an additional section in each. Since Form I is the basic class of a secondary school and since 400 pupils are awaiting admission, the opening of a 5th section is necessary to provide for new admission.

HIGH SCHOOL - FORM IV and V:- In the school-year 1948-49 due to rush of admissions I permitted the opening of the second section in Form IV and sanctioned the employment of an L.T. Assistant therefor on fixed pay. During the current year school year there is need for the continuance of the 2nd section. It is also proposed to open a 3rd section in Form IV and a second section in Form V. During the current school-year as the present strength of the forms together with the number awaiting for admission justify the opening of an additional section in each.

To meet the immediate demand the Headquarters has proposed the opening of additional sections as detailed below.

MODEL ELEMENTARY SCHOOL: To open an additional section (second) in Std. I and a fourth in Std. IV by reserving the admission in Std. II to two sections and by utilizing the surplus provision for the additional sections not proposed.

(*) The opening of an additional section in each of standards I and II and standards I to III.

In the circumstances I request that sanction may be accorded for a period of 1 year from the current school-year for (1) the continuance of all the temporary posts specified in para 1 above as there is need for their continuance, (2) the continuance of the 2nd section in Form IV and the post of the school assistant sanctioned therefor by me on fixed pay, on time scale of pay² and (4) the employment of 3 secondary grade teachers for the additional sections in each of Forms I to III and two L.T. Assistants for the additional sections in Forms IV and V.

The school has a model section with standards I to v, a secondary section with Forms I to VI and a training department with 8 sections. The strength of the school during the school-year 1948-49 was 715 boys and 304 girls in the model school and the High School, 261 men and 1 woman in the Training Department. There is only one Physical Training Instructor in the school and it is reported that the work in the school is too much for one Physical Training Instructor. As a Physical Training Instructor is expected to handle only 250 pupils, I consider that in the interest of efficiency there is need for the employment of two additional Physical Training Instructors in the school and in view of the large number of girls attending the school; one of them should be a woman. I, therefore, request that Government may be pleased to sanction the employment of one male Physical Training Instructor Grade II and woman Physical Training Instructor Grade I during the current school-year.

I am instructing the Divisional Inspector to continue the temporary posts, to avoid dislocation of work and to open the additional sections to avoid delay in starting the classes in anticipation of sanction of Government. I am also sanctioning the necessary staff for the additional sections and request that my action may kindly be approved.

Yours faithfully

Theridion

For Director of Public Instruction.

As no specific reasons have been given by the D.P.I. for the employment of Physical Training Instructress in Grade I, Finance may advise that the Physical Training Instructress, now proposed, may also be in Grade II.

As the ^{extra} ~~entire~~ cost in the proposal exceeds the limit of Rs 10,000 per annum, E.&P.H. may be requested to refer the case to S.F.C. and Cabinet before issue of orders.

Please see the Finance note above. The suggestion
