Rbc.B3-No.5216/47 dated 7-6-49.

Sir,

Establishment - Municipal High School - Gudiyattam
request for refixation of salary - recovery of excess salary paid - waiver - requested.
Council resolution No.69 dated 20-5-49.

The revised scales of pay were adopted from 1-1-47 and the salary of the teachers in the Municipal High School re-fixed from that date taking into consideration the total continuous service either on a fixed pay or on a scale of pay that was in force prior to 1-1-47 in consultation with the audit department orally. But it was subsequently ordered in G.O. No.54/Edn., dated 16-3-48 that service in a fixed pay will not count for calculating advance increments. Hence the excess pay fixed and paid over and above that admissible was objected to in audit in August 1948. Accordingly the excess pay fixed and paid from 1-1-47 to 31-8-48 in the case of the following servants whose services on a fixed pay were taken for fixing the pay in the revised scale was ordered to be recovered. Recoveries are also being made from them. These teachers have now submitted petitions praying for the waiver of the recovery of the excess salary ordered taking into consideration the present high cost of living and to refix their salary taking into account the entire service put in by them prior to 1-1-47. The petitions of these teachers were placed before the council at its meeting held on 20-5-49 and the council in its resolution No.69 dated 20-5-49 has approved my note stating that the recovery of the excess salary paid may be recommended to Government for waiver.

The request of the teachers to refix their salary taking into account the entire service is not admissible. As the recovery ordered of the amount paid is, however, found to be hitting the teachers hard, I request that the Government may be pleased to sanction the waiver of the excess salary paid to these teachers. A copy of the council resolution is enclosed for reference.

In the case of items 7 and 8 the Secretary to Government, Local Administration Department is being separately addressed as they belong to non-teaching staff.
