Ref: G.O.No. 272 Edn., dated 9-3-1948.

In the schedule showing expenditure in connection with certain courses of studies forwarded by the Government of India, Ministry of Relief and Rehabilitation with their letter No. F.162/48 R & R dated 8-1-48 figures have been furnished for the sanction of loans under 'Maintenance', 'Books and apparatus', 'Outfit and Contingency' and 'Fees'. From the applications I have received especially from the Medical Department, and the recommendations made by the Principals of the Colleges, I find that the amounts required by the students under "Maintenance" and "fees" are in excess of the schedule figures given by the Government of India. I therefore request you to let me know whether I can sanction the loans as per the recommendations of the Principals of the Colleges or should confine the sanction to the maximum limit fixed in the schedule. In this connection I may state that the amount of fees as demanded by the local colleges have to be paid in any case and must therefore be sanctioned in full. With regard to the maintenance allowance I may be empowered to sanction upto a maximum

raised by the Director in this paragraph.

I am directed to invite a
reference to letter No. 7-162-48-ROR
dated the 8th January 1948 from the
Ministry of Relief and Rehabilitation,
on the above subject, and to state
that the Director of Public Instruction
Madras, who has been appointed as
the authority competent to sanction
loans, under the Scheme of assistance
contained in that letter, has brought
to the notice of this Govt. that the
amounts required by the students under
"maintenance" and "fees" are in excess
of the amounts permitted by the Govt.
of India as under the Schedule
attached to the Scheme. Having regard
to this fact, the Govt. have instruct-
ed the Director of Public Instruction
to sanction such amounts as may,

be recommended by the heads of institutions, for fees & books, and to allow, for purposes of maintenance, a sum not exceeding Rs 75/- a month. The Govt. have asked the Director to submit for the approval of his Govt and of the Central Govt. a Revised schedule of Requirements for fees, books & maintenance. They trust that this action ^{will} meet with the approval of the G. of I.

2. Under the present orders no income limit has been fixed for the parent or guardian for the purpose of sanctioning loans to students. An instance has come to the notice of the Govt. of the parent of a student who is reported to be earning Rs 234/- a month in Bikaner. I would request you to be so good as to communicate the views of the Govt. of India on the question whether any income limit should be prescribed for the parents or guardians and if so, what such limit should be, for the purpose of these loans. We are being informed that no assistance should be given to the student pending a decision on this question.

3. I am to ask that this reference may be treated as urgent and a very early ^{reply} sent on the questions raised.

Sir,

With reference to your letter No. 66745/G3/48-3 Edn dated the 23rd September, 1948, I am directed to state that the schedule to the scheme for the grant of loans to Non-Muslim refugee students and trainees from Pakistan showing expenditure in connection with certain courses is only illustrative and the amounts shown therein are for guidance only. The actual amounts to be sanctioned should be determined by the Provincial Government according to the circumstances of each individual case. The revised schedule prepared by the Director of Public Instructions and approved by the Government of Madras may, however, be forwarded to this Ministry for the information of the Government of India in due course.

2. As regards the fixation of the maximum income limit for the grant of loans, the Government of India consider that it would be impracticable to lay down any hard and fast rules and it would be best to judge cases on their merit.

of the Govt. of India contained therein and in the Minis-

Education - Financial assistance to Refugee students from Pakistan.

Ref:- From the D.P.I. No. 263-1-48 dated 25-8-48. 15

The D.P.I. has raised some points in connection with the scheme of financial assistance to refugee students sanctioned by Govt. in G.O.No. 272 Edn. dated 9-2-48. The points ~~in~~ are noted on below:-

(i) Para 1 of the letter.

Whether the amounts fixed in the schedule to the Govt. of India letter ~~at~~ p 5 of G.O.No. 272 Edn. dated 9-2-48 can be exceeded.

As the Director points out, the actual amounts required in certain cases, for fees, books, tuition or even maintenance, may be more than the amount ^X fixed by the G. of I. This will be particularly so, in the case of tuition fees; and also, as the D.P.I. suggests in the case of maintenance. It will be seen from the note at the ^{top} of the schedule on p 5 of G.O.No. 272 Edn. dated 9-2-48 that the figures given in the schedule are not

figures of actual amounts required, which, as stated therein, will depend on local circumstances. It is for consideration whether the Director may be permitted to sanction the amounts recommended by the Principals, and as ^{regards} maintenance, a sum up to maximum of Rs.75/- per mensem, as suggested. If action is taken on these lines, it will perhaps be necessary to make a report to the G. of I. and seek their concurrence to the action taken. The D.P.I. may also perhaps be asked to suggest a revised schedule in respect of the studies ~~presently~~ prosecuted by the students in this Province, for the approval of this Govt. and the Central Govt.

Para 2 of the letter.

Whether the poverty certificates from students, required under para 3 of the order may be from the Tahsildar in Madras or from the Tahsildars of the areas where the students now live. The Govt. of India's scheme throws the ^{onus} of

Letter on pgs 5-6 of

(14)

At the suggestion of the D.P.I. the question of the Revision of the Schedule of expenditure for Pakistan Refugee students suggested by the G. of I. in Jan'y. 1948 (p. 9-12 in G.O. 272 Edn dated 9.2.48) was taken up with the Govt. of India. having regard to the increased expenditure on account of the actual rates of fees etc prevailing here. The revised Schedule proposed by the D.P.I. will be found on p. 12 cf. In their letter on p. 19 cf, the Govt. of India do

do not ~~intend~~ to accept the
Revised schedule suggested. Their
view, as seen from the letter on
page 7 of, is that no hard
and fast rule should be laid down
and it would be best to judge
cases on their merits -

On the circumstances, the
D.P. I has suggested that
the original schedule of rates
may be adhered to & the students'
Reactions awaited and that if
strong representation are made
for increase in the allowances, the
question can be taken up -

It may be stated that
even under the present orders
of India, it is not necessary
to adhere scrupulously to the
Rates suggested by them -

Please see para 2 of the scheme on
p. 6 of in the G.O. at (M) and
the letter on p. 7 of -

The ~~part~~ G. of I may
now be informed that the
question of a Revised schedule
will be dropped & that the
Director will be guided, in
respect of future sanctions, by
the schedule already suggested and
that in making future sanctions
the principles mentioned in
their letter of the 13th Oct.
will be observed - 18th
