R.Cl. No.73/48 dated 8th Decr. 1948.

Sub: Madras Edl. Service - Instructors in Mechanical Engineering - Vacancies in Engineering Colleges, Kakinada and Guindy - Appointment of candidates.

Ref: Government Memo No.84420-A.1 Edn., dated 19th November 1948.

The following posts of Instructors in Mechanical Engineering in the Madras Edl. Service are at present vacant.

1. Instructor in Mechanical Engineering, College of Engineering, Kakinada (temporary post sanctioned in G.O.No.1878 Edn., dated 28-7-1948).
2. Instructor in Mechanical Engineering, College of Engineering, Guindy (Mr. J. Abdulla Hussain posted to the vacancy did not join duty).

The post is kept vacant in the Engineering College, Kakinada against the return of overseas scholars. As Sri S. Paramanandam who is intended for absorption in the teaching personnel of Engineering Colleges (Mechanical Engineering unit of the Madras Edl. Service) is reported to have arrived in India, I recommend that he may be appointed immediately as Instructor in Mechanical Engineering in the College of Engineering, Kakinada under rule 9(a)(i) of the General Rules for Provincial and Subordinate Services. The qualifications of this candidate will be examined and reported on in due course.

2. Sri G. Viswanatha Rao referred to in Government Memo. No.61325/48-1.C.2 Edn., dated 31-8-48 has returned from abroad after practical training and study of soil conservation Engineering. He is a B.Sc.(Mechanical and Electrical Engineering) of the Benares Hindu University. The Principal, College of Engineering, Guindy, considers him well-qualified for the post of Instructor in Mechanical Engineering (vide copy of the Principal's letter R.C. 22 A/46 dated 23/24-9-48 herewith enclosed). In the circumstances, I request that Sri G. Viswanatha Rao, if he is not already employed in any other department, may be appointed as Instructor in Mechanical Engineering in the College of Engineering, Guindy under rule 9(a)(i) of the General Rules for Provincial and Subordinate Services.

3. I request the favour of urgent orders of Government in the matter.

For Director of Public Instruction.

Copy of letter No.22 A/46 dated 23/24th-Sept. 1948 from the Principal, College of Engineering, Guindy to the Director of Public Instruction, Madras.

Sri G. Viswanatha Rao, overseas scholar, about whom the proceedings quoted refers, is a B.Sc., of the Benares Hindu University in Mechanical and Electrical Engineering, which he completed in the year 1941, obtaining the first place. In addition he has undergone post-graduate training in the Graduate Rec

College conducted by the Tata Iron and Steel Co., Jamshedpur, where he has also obtained the First Class. Further he has had practical experience for a period of 4 years and 3 months in the same company as Asst. Engineer and Technical Assistant to the Chief Engineer. From there, he went to UK and USA for special training in Agricultural Engineering. His overseas training consisted mainly of practical training and attending special training classes as given in his original record of overseas training. He has, however, graduated with distinction in June 1946, from the Graduate school at La Crosse, Wisconsin, and was awarded a Fellowship for the study of Soil Conservation Engineering with the U.S. Department of Agriculture. It would therefore be seen that Sri Viswanatha Rao is a well-qualified Mechanical Engineer with special qualification as Agriculture Engineer and will be a valuable asset to the Department of Agriculture of the Government of Madras, where Power Farming is being introduced on a large scale throughout the Presidency.

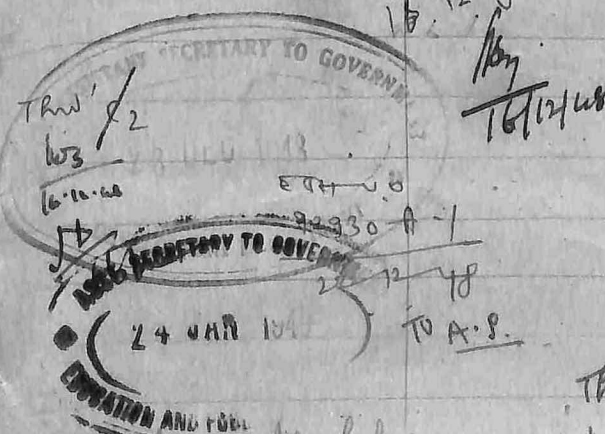

The Mechanical Engineering graduates turned out from this college are employed in large numbers in the Agricultural Department. In the practical instruction of the students in the laboratory and tests conducted in the same place, engines used for agricultural purposes, tractors, bulldozers and other power farming equipment have been introduced in the college for the last two years. The laboratory is not fully equipped for this purpose, but the Agricultural department has been kind enough to loan such machinery as is free from normal duties in the Presidency. This has been a great handicap. Every attempt is being made to have this deficiency rectified. The staff of the Mech. Engineering Dept. must therefore be conversant with the use and handling of machinery required for agricultural purposes and must be able to give suitable instruction for the students undergoing the Mech. Engineering course in this college. As Mr. Viswanatha Rao is well-qualified not only as a Mech. Engineer, but also as an Agricultural Engineer, and as there is a dearth of qualified candidates for filling up vacant posts in the various Engineering Colleges and especially at the Engineering College, Guindy, the services of Mr. Viswanatha Rao can be usefully employed in the Mechanical Engineering Department in the capacity of an Instructor.

for Director of Public Instruction.

From the D.P.I., No. 73/48, d/- 8-12-48.

Proposal for appt. of Sri G. Viswanatha Rao, overseas scholar in Edn. Dept.

Sri G. Viswanatha Rao was sent by this Govt. overseas in 1944-45 for higher studies in "Agricultural Engg. - Manufacture of ^{implements} ^{eventually}". The intention was to absorb him in a dept. under the control of Development. The scholar has since ret'd. to India after completion of his studies. The Agri. Dept. want to employ him. The D.I.C. also desires to appoint ~~in~~ him in ~~the~~ Industries Dept., if possible. But 3 months have elapsed since the scholar's return to India and he has ~~therefore~~ applied for release from the bond which he executed. // In his letter below, the D.P.I. proposes that if Sri Rao has not been employed in ^{any} other dept., he may be apptd. as Instr. in Mech. Engg. in the Guindy Engg. College. If Sri Rao's request for release from the bond is not to be complied with and if at all he is to be employed under this Govt., the appt. shd. be in either of the Agl. or the Industries depts. - and the Edn. Dept. will not have any chance of having his services. The D.P.I. may therefore be told that ~~the~~ ^{not} the candidate will ~~be~~ ^{not} available for ^{filling} the Instructorship. Development may see.

12763801/48
221248

The E. & P. H. Dept. notes above may be per. dept. The P. A. has reported that Mr. Rao could be appointed as Asst. Engineer "Regional Tractor workshops, if he has power farming training abroad. The ^{also} suggested that this scholar ^{could} be ^{be}

be appointed as General Supdt., Eng. Industrial Engineering Workshops. It was decided that the question of his absorption in the Industrial Dept. may be considered in case he was not selected in Agricultural Dept.

separate file
no 72293 5/1/48

Notes from page one alone may be perused. 2. The question of appointing Sri G. V. Rao to the post of Agricultural Research Engineer is still under consideration, the report of the Commission being awaited. It cannot be definitely stated that Sri G. V. Rao will finally be appointed as it involves a decision on the comparative suitability of three candidates Sri G. V. Rao, Sri C. P. Raju and Sri R. Krishnamurthi. However if Sri G. V. Rao is not finally appointed to the post of the Agricultural Engineer, the question of appointing him as General Supdt. Industrial Engineering Workshops will be considered.

(Dev- last saw on p 5 above)
With reference to their notes at the bottom of 3 above, EPH may be informed that the remarks of the Madras Public Service Commission have been received in the matter and ^(that they are) under consideration in this Dept. The Commission has reported therein that Sri G.V. Rao has left for Paris and ^{may} not therefore be available for appointment to the post of Asst. Research Engineer, in the Asst. Dept. In the circumstances this Dept may perhaps agree ^{with} to the views of E.P.H. at A on p 1 above.

With these remarks the case may be returned to E.P.H.

Office of the Director of
Public Instruction,
Madras-6, Dated 22-7-1949.

From
The Director of Public Instruction,
Madras.

To
The Secretary to Government,
Education and Public Health Department,
Madras.

Sir,
Sub: Madras Educational Service - Vacancy in the post of
Instructor in Mechanical Engineering, College of
Engineering, Kakinada - proposals for filling.

The post of Instructor in Mechanical Engineering, College
of Engineering, Kakinada sanctioned in G.O.No.1878-Education dated
28-7-1948 has been vacant for want of a suitable candidate. It was
expected that Sri S. Paramanandam, an Overseas scholar would be
appointed to this post. Now that Government, in their order No:Ms.
2249-Edn. dated 12-7-1949, have released him from the bond executed
by him, I request that the vacancy may be filled otherwise.

2. I submit the ~~XXXX~~ following proposals in this connection:

1. Sri G. Sreenivasan who is now the Senior Workshop Instructor
in the College of Engineering, Kakinada may be promoted as
Instructor in Mechanical Engineering in the same college under
Rule 214(a) of the General Rules. His qualifications and ex-
perience are as follows:-

Qualifications: B.Sc., (Hons.), B.E. (Mech.).

Experience: Over 5 years practical experience in the
College Power house, P.W.D., Railway Work-
shops and the Ramakrishna Mission Technical
Institute.

Teaching experience including Laboratory

(PTO)

-2-

and work-shop experience from 14-8-1947.

He is holding his present appointment as Senior Workshop Instructor under emergency provisions. He is suitable for appointment as Instructor.

②. The resultant vacancy in the post of Senior Workshop Instructor in the same college may be filled by the appointment of Sri Y. Hanumantha Rao who is now officiating as Junior Workshop Instructor under emergency provisions. He is a B.E.(Mech.) I class and has had practical and teaching experience for about 2 years and 6 months.

As there are no qualified and suitable persons in the Educational Subordinate Service eligible for regular promotion to the above posts I request that the emergency appointments proposed above may kindly be ordered at an early date.

Yours faithfully,

for Director of Public Instruction.

TELEPHONIC MESSAGE (BY POST) R. Cl. 56/49, D/ 23-8-1949.

From The Joint Director of Public Instruction, Madras.

To
The Assistant Secretary to Government,
Education and Public Health Department,
Madras.

SUB: Madras Educational Service - Vacancy in the post of
Instructor in Mechanical Engineering, Arrangements.

REF: Your Telephonic Message (by post) 92930-A-7 dated
27 July 1949.

* * * * *

The following is the list of senior Workshop Instructors
who are officiating under emergency provisions:-

(1) Sri V. Prahlad - B.E.(Mech), Senior Workshop Instruc-
tor, College of Engineering, Kakinada - Two years' automobile
experience - Teaching experience 10 years - Joined the present
post on 29-9-1948.

(2) Sri M.K. Ganesan, B.E.(Mech.) - Senior Workshop Ins-
tructor, Arthur Hope College of Technology, Coimbatore - Over
six years' experience in the P.W.D. Workshops etc. Teaching ex-
perience for over a year - joined the present post on 6-10-48
(probationer in the category of Junior Workshop Instructors).

(3) Sri P. Rajagopala Menon B.E.(Mech.): - Senior Workshop
Instructor, College of Engineering, Guindy - About 2 years' -
experience in the Military and other departments - Teaching and
workshop experience of about four years - joined the present
post on 6-10-48.

(4) Sri G. Srinivasan B.Sc., (Hons.) B.E. (Mechn) Senior
Workshop Instructor, College of Engineering, Kakinada - Over
five years' experience in the College Power House etc. Teaching
experience two years - joined the present post on 23-10-48.

2. At present there is no Senior Workshop Instructor holding
the post on regular basis. As all the four officers are offi-
cers are officiating under emergency provisions and as the --
appointment of any of the first three to the post of Instructor
in Mechanical Engineering, Kakinada would involve inter-college
transfers, it is better to localise the arrangements. The -
appointment of Sri G. Srinivasan as Instructor in the same Col-
lege is administratively convenient and would not amount to -
supersession of the claims of the other officers, none of whom
(including Sri G. Srinivasan) is eligible for regular appoint-
ment to that post. Also the minimum pay of the posts of Senior
Workshop Instructor and Instructor is the same - Rs.260/-. More-
over the arrangement is purely temporary and will not last for
long as the post will have to be filled by the appointment of
one of the Overseas scholars who are expected to return in a few
months. The appointment of Sri G. Srinivasan has, therefore,
been proposed for the above reasons and with a view to avoiding
transfers.

3. Sri Y. Hanumantha Rao is the senior most person in the Sub-
ordinate Educational Service (Mechanical Engineering branch) and

the

the claims of none else need be considered for the post of Senior Workshop Instructor, College of Engineering, Kakinada. He was considered for temporary promotion even last year but was not recommended as he was then too junior and inexperienced to act in a higher post, ; He is now fit for promotion—please see Director's letter Cl.73/48 dated 3-9-1948 disposed of in from G.O. 2374-Education dated 17-9-1948.

The Assistant Secretary to Government,
Education and Public Health Department,
Madras.
