No. 1666/49-2

Sir,

Government Museum - Indent for foreign stores
for the year 1949-'50 - Specimen Jars etc.-

-oo00oo-

In continuation of my letter No. 1666/49-1 dated the 18th July 1949 I have the honour to submit that the provision of £.150/- made in the Revised Estimate for 1949-'50 towards charges in England has now to be modified to £.510/- under the following circumstances.

In the Budget Estimate for 1949-'50 a provision of £.150 was made so as to meet the cost of some more Anthropological casts and models, specimen jars etc., required in addition to the articles already indented for the year 1948-'49. In his letter No. S. 983/49 W.A.B. (copy enclosed) received here on 18th July 1949. The Director - General, India Stores Department reports that the liabilities to date amount approximately to £.480. This amount is only to meet the cost etc., of the articles already indented for. As regards the stores required for this year (1949-'50) I have to state that we are to indent at least for 1 Fount cutout letters in red plastic for labelling purposes, and a sum of about £.25/- will be required to meet the cost of the same. I have therefore under the circumstances to request that the Government will be pleased to fix the Revised Estimate for 1949-'50 at £.510 so as to provide the cost etc., for the article already indented prior to 1949-'50 and for the article to be indented for 1949-'50 under 38 a. Scientific Departments - Museums - A. Museum "English Stores" for India.

Sir,

I am directed to inform you that liabilities estimated at approximately £.450 including the cost of packing, freight and departmental expenses have been brought forward from the financial year 1948/49 in respect of stores demanded under the head MADRAS- 36 Scientific Departments which were not delivered in time for payment during that year.

Liabilities to date, including the brought forward amount to approximately £.480.

Since the provision made in the Budget for stores expenditure in this country under the above head amounts to only £.150 I am to ask that you will confirm that the necessary steps will be taken in due course to provide the requisite additional funds under the sub head "English Stores" of the above major head to meet the liabilities brought forward and the cost of any further indents which it may be proposed to forward to this Department for compliance.

It is very much regretted for the mistake crept
in the fair copy of the estimates forwarded with my letter
No. 1666/49-1 dated the 5th July 1949. In this connection
I have the honour to submit that in the column under
"Remarks" it is £. 55 for the Zoological Section and not
£ 5 as already stated. The total under remarks column de-
notes the Budget Estimate to be provided for 1950-'51. The
Budget Estimate for 1949-'50 is £ 150 and the Revised
Estimate for 1949-'50 remains the same. Copy of the
estimates in duplicate is submitted once again.

No. 1666/49-5

Dated the 29 August 1949.

Sir

Government Museum - Madras - Charges in England
Under "Stores" - Estimates - Revised Estimates
for 1949 - '50 and Budget Estimate for 1950-'51

-000000000-

In my letter No. 1666-1/49 dated 14th June 1949 I had estimated a sum of £ 150 as the Revised Estimate for 1949-'50 for the charges in England under "Stores". As the Government pointed out in Memorandum No. 55020-1/C2 Edn. dated 27th July 1949 some discrepancy in the figures given in the remarks column and the omission to send the Estimates in duplicate, I submitted my estimates in duplicate after reconciling the discrepancies in my letter No. 1666-4/49 dated the 4th August 1949. But the Revised Estimate for £ 150 had to be raised to £ 510 to meet the liabilities of £ 480 brought forward from the financial year 1948-'49, by the High Commissioner for India, London and to make provision for the purchase of 1 Pound cut out letters in red plastic for labelling purposes which was estimated to cost £ 25. Thus in my letter No. 1666/49-2 dated the 30th July 1949 I requested Government to raise the Revised Estimate for 1949-'50 to be £ 510 from £ 150, the Revised Estimate originally provided. On further reference to the High Commissioner, he writes to say in his letter No. S 983/49 W.A.B. dated 16th August 1949 (copy enclosed) that the liabilities estimated by him at £ 480 may be reduced to £ 302 as an error was pointed out to him. Accordingly I have the honour to state that the provision under Revised Estimate for 1949-'50 may now be made for £ 330 (i.e. £ 302 liability brought forward plus a minimum of about £ 28 for the immediate requirements referred above). My previous letters No. 1666-1, 2, and 4/49 dated 5th July 49, 30th July 49, and 4th August 1949 respectively, may therefore be treated as cancelled.

The final Revised Estimate for 1949-'50 and the Budget Estimate for 1950-'51 are submitted in duplicate.

Yours faithfully,

A. Aiyappan
Superintendent.
